SUPPLEMENTARY INFORMATION:

I. Abstract

The United States Patent and Trademark Office (USPTO) established the Board of Patent Appeals and Interferences (BPAI or Board) under 35 U.S.C. 6(b). This statute directs BPAI to "on written appeal of an applicant, review adverse decisions of examiners upon applications for patent and shall determine priority and patentability of invention in interferences." BPAI has the authority under 35 U.S.C. 134, 135, 306, and 315 to review ex parte and inter partes appeals and interferences. In addition, 35 U.S.C. 6 establishes the membership of BPAI as the Director, the Deputy Director, the Commissioner for Patents, the Commissioner for Trademarks, and the Administrative Patent Judges, one of which serves as the Chief Judge and another as the Vice Chief Judge. Each appeal and interference is decided by a merits panel of at least three members of the Board.

The Board's two main responsibilities under the statute include the review of ex parte appeals from adverse decisions of examiners in those situations where a written appeal is taken by a dissatisfied applicant, and the administration of interferences to "determine priority" (or decide who is the first inventor) whenever an applicant claims the same patentable invention that is already claimed by another applicant or patentee. In inter partes reexamination appeals, BPAI reviews decisions adverse to a patent owner or a third-party requestor.

The USPTO published a notice of proposed rule making, "Rules of Practice Before the Board of Patent Appeals and Interferences in Ex Parte Appeals (RIN 0651-AC12)" in the **Federal Register** on July 30, 2007. The public comment period ended on September 28, 2007. In this proposed rule making, the USPTO proposed changes to information submitted to the agency by practitioners in order to process ex parte appeals before the BPAI.

The agency received comments from the public concerning the burden of these rules on the public, in particular the new requirements that allow the agency to structure the information being received. In order to ensure that the public has opportunity to comment on the burden impact of the proposed rule making, the USPTO is submitting a

new information collection request to the OMB to review these changes as subject to the PRA and to incorporate the new information collection into the agency's information collection inventory.

The USPTO is asking that a new collection of information, entitled "Board of Patent Appeals and Interferences Actions" be established. This collection will contain the following items:

- Appeal Brief (41.37).
- Petition for Extension of Time for Filing Paper After Appeal Brief (41.3 and 41.20).
- Petition to Increase Page Limit (41.3 and 41.20).
- Reply Brief (41.41).
- Request for Rehearing Before the BPAI (41.52).

Additionally, there are two items related to BPAI activities that are currently covered in 0651-0031 Patent Processing (Updating). This collection is currently under review at OMB. It is the USPTO's intention to move these items out of 0651-0031 into this new collection once this collection is established and OMB's review of 0651-0031 is concluded. The following items will be moved out of 0651-0031:

- Notice of Appeal (41.31).
- Request for Oral Hearing Before the BPAI (41.47).

BPAI's opinions and decisions for publicly available files are published on the USPTO Web site.

There are no forms associated with these items. However, they are governed by rules in Part 41. Failure to comply with the appropriate rule may result in dismissal of the appeal or denial of entry of the paper.

II. Method of Collection

By mail, hand delivery, or fax when applicant files the briefs, petitions, and requests. These papers can also be filed as attachments through EFS-Web.

III. Data

OMB Number: 0651-00xx.

Form Number(s): No forms.

Type of Review: New information collection.

Affected Public: Primarily business or other for-profit organizations.

Estimated Number of Respondents: 31,828 responses per year. In the future, once this proposed collection and 0651-0031 are approved by OMB, the USPTO expects to move the notices of appeal and requests for oral hearing before the BPAI into this collection. The USPTO estimates that this will add a minimum of 28,595 responses to this collection.

Estimated Time Per Response: The USPTO estimates that it takes the public

approximately 5 to 30 hours to complete this information, depending on the brief, petition, or request. This includes the time to gather the necessary information, prepare the briefs, petitions, and requests, and submit them to the USPTO. The USPTO estimates that it takes the public approximately 12 minutes (0.20 hours) to complete the notices of appeal and requests for oral hearing before the BPAI.

Estimated Total Annual Respondent Burden Hours: 773,895 hours. The USPTO estimates that once the notices of appeal and requests for oral hearing before the BPAI are moved into this collection, a minimum of 5,719 hours per year will be added to the burden.

Estimated Total Annual Respondent Cost Burden: \$239,907,450. The USPTO believes that associate attorneys will complete these briefs, petitions, and requests. The professional hourly rate

for associate attorneys in private firms is \$310. Using this hourly rate, the USPTO estimates that the total respondent cost burden for this collection is \$239,907,450 per year. Once the notices of appeal and requests for oral hearing before the BPAI are moved into this collection, the USPTO estimates that the annual respondent cost burden will increase by a minimum of \$1,772,890. The USPTO believes that these items are also completed by associate attorneys.

Item	Estimated time for response (hours)	Estimated annual responses	Estimated annual burden hours
Appeal Briefs	30	23,145	694,350
Petition for Extension of Time for Filing Paper After Brief	15	2,298	34,470
Petition to Increase Page Limit	15	1,315	19,725
Reply Briefs	5	4,947	24,735
Requests for Rehearing Before the BPAI	5	123	615
Total	31,828	773,895

The table below show the estimated annual responses and burden hours that the USPTO expects will be added to this collection once the notice of appeal and requests for oral hearing before the BPAI are transferred out of 0651-0031 into

this collection. These estimates are based on current projections and are an increase over the estimates currently in 0651-0031 (17,250 responses, 3,450 burden hours, and \$1,048,800 in respondent costs). The estimates below

are not being reported in the burden for this proposed collection at this time. The USPTO has included the estimates to show the public what the minimum expected burden will be for this collection.

Item	Estimated time for response (minutes)	Estimated annual responses	Estimated annual burden hours
Notice of Appeal	12	27,630	5,526
Request for Oral Hearing Before the BPAI	12	965	193
Total	28,595	5,719

Estimated Total Annual Non-hour Respondent Cost Burden: \$12,286,831. There are postage costs and filing fees associated with this information collection. This collection does not have any capital start-up, operation, maintenance, or recordkeeping costs.

Parties incur postage costs when submitting the various papers to the

USPTO by mail through the United States Postal Service. The USPTO believes that these items will be mailed by Express Mail, using the Postal Service's flat rate envelope, which can accommodate varying submission weights. The cost of the flat rate envelope is \$16.50. The USPTO believes

that roughly half of the submissions will be filed in paper, with the rest filed as attachments through EFS-Web. Out of the total estimated 31,828 submissions, the USPTO estimates that the number of papers submitted to the USPTO by Express Mail is 15,983.

Item	Responses (yr)	Postage costs	Total cost (yr)
	(a)	(b)	(a)×(b)
Appeal Briefs	11,573	\$16.50	\$190,955.00
Petitions for Extensions of Time for Filing Paper After Brief	1,167	16.50	19,256.00
Petitions to Increase Page Limit	668	16.50	11,022.00
Reply Briefs	2,513	16.50	41,465.00
Requests for Rehearing Before the BPAI	62	16.50	1,023.00
Total	15,983	263,721.00

Therefore, the USPTO estimates that the total postage costs for this collection will be \$263,721.

There is also annual non-hour cost burden in the way of filing fees for the appeal briefs and the petitions. The reply briefs and the request for

rehearing before the BPAI do not have filing fees associated with them. The USPTO estimates that the total non-hour cost burden associated with the filing

fees for this collection will be \$12,023,110.

Item	Responses (yr) (a)	Filing fees (b)	Total non-hour cost burden (yr) (a) × (b)
Appeal Briefs	18,337	\$510.00	\$9,351,870.00
Appeal Briefs (small entity)	4,808	255.00	1,226,040.00
Petitions for Extension of Time for Filing Paper After Brief	2,298	400.00	919,200.00
Petitions to Increase Page Limit	1,315	400.00	526,000.00
Reply Briefs	4,947	0.00	0.00
Requests for Rehearing Before the BPAI	123	0.00	0.00
Totals	31,828	12,023,110.00

The USPTO estimates that the total non-hour respondent cost burden for this collection, in the form of postage costs and filing fees is \$12,286,831 per year.

The tables below show the estimated non-hour costs related to postage and filing fees that the USPTO expects will be added to this collection once the

notices of appeal and requests for oral hearing before the BPAI are transferred out of 0651-0031 into this collection. These estimates are based on current projections and are an increase over the total non-hour cost estimates for postage and filing fees (\$7,952,505) currently in 0651-0031 for these two items. The estimates shown below are not being

reported in the burden for this proposed collection at this time. The USPTO has included the estimates to show the public what the minimum expected burden will be for this collection. The USPTO estimates that a minimum of \$13,177,835 per year will be added to the total non-hour respondent cost burden.

Item	Responses (yr) (a)	Postage costs (b)	Total cost (yr) (a) × (b)
Notices of Appeal	27,630	\$0.58	\$16,025.00
Requests for Oral Hearing Before the BPAI	925	0.58	560.00
Total	28,595	16,585.00

Item	Responses (yr) (a)	Filing fees (yr) (b)	Total non-hour cost burden (yr) (a) × (b)
Notices of Appeal	21,635	\$500.00	\$10,817,500.00
Notices of Appeal (small entity)	5,977	250.00	1,494,250.00
Requests for Oral Hearing Before the BPAI	734	1,000.00	734,000.00
Requests for Oral Hearing Before the BPAI (small entity)	231	500.00	115,500.00
Total	28,577	13,161,250.00

IV. Request for Comments

Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden (including hours and cost) of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Comments submitted in response to this notice will be summarized or included in the request for OMB approval of this information collection; they also will become a matter of public record.

Dated: June 3, 2008.
