Re: Changes To Permit Payment and Trademark
Office Fees by Credit Card

Dear Sir:

Our firm endorses the proposal to permit the use of credit cards for the payment of Patent and Trademark Office fees. Specifically, the use of American Express credit cards will be of most value since American Express has no limit. The use of credit cards for payment of fees will streamline accounting for law firms and the USPTO. Also, we have noticed that checks made payable to the USPTO are not negotiated for 30 to 60 days. Use of credit cards will mean instantaneous deposits for the USPTO, thus increasing revenues for the USPTO by increased interest earned.

Very truly yours,
