

Does your company know everything it needs to about “Protecting Your Intellectual Property in Europe”?

If not, then learn more from the experts during the *Protecting Your Intellectual Property in Europe* seminar where you will hear from:

- **U.S. Customs and Border Protection** with strategies on how to protect the home market.
- **U.S. Patent and Trademark Office** with strategies for registering and protecting your intellectual property in Europe.
- **International Trade Administration** with information on what to do if you suspect your intellectual property rights are being violated.
- A **panel of executives** at private companies who will share their experiences.

The cost to participate in this half-day program is \$75. We can only accommodate a limited number of registrants. Don't be left out!

**This seminar is part of the U.S.-Europe Summit, which is a full-day conference focused on improving market access for U.S. companies exporting to and/or investing in Europe. To register, please visit: <http://www.buyusa.gov/newengland/useusummit.html>
