#### Special rules of classification

Although wheels or skis can be mounted to almost every mechanical item, not every such item should be classified in [B62B](#); e.g. items characterised by their functions for special applications are classified in the appropriate subclasses, e.g. office furniture on wheels in [A47B](#), lawn-mowers in [A01D 34/00](#), wheeled vacuum cleaners in [A47L](#), etc.

#### Synonyms and Keywords

*In patent documents, the following words/expressions are often used as synonyms:*

- "rollers" and "wheels"

## B62B 1/00

### Hand carts having only one axis carrying one or more transport wheels; Equipment therefor

#### Definition statement

*This place covers:*

Hand carts with only a single wheel axis and hand carts with a single wheel axis that can be converted to a two-axis hand cart
