Special rules of classification

In this subclass, multi-aspect classification is applied, so that subject matter characterised by aspects covered by more than one of its groups should be classified in each of those groups.

In this subclass, the type of instrument is classified in group [G10B 1/00](#), while details or accessories are classified in group [G10B 3/00](#).

Glossary of terms

In this place, the following terms or expressions are used with the meaning indicated:

Organ	In this subclass, the term 'organ' refers to a musical instrument played from at least one keyboard, and possibly a pedal board, which produces sound by the movement of air in pipes, the air or 'wind' being supplied by blowing apparatus which may comprise a source of wind and a reservoir, for example an electric blower and bellows.
