94	.Double inner rail	136	.Ice track
95	.Double outer rail	137	TRAVELING TRACK
96	TROLLEY TRANSFER	138.1	TUBULAR WAY
97	.Beef-jack type	138.2	.Internal service device
98	.Overhead crane	139	TRUCK IN CONDUIT
99	.Turntable type	140	SLOTTED CONDUIT
100	.Horizontal end pivot	141	.Crossings
101	.Longitudinal pivot	142	.Yokes
102	.Sliding shift	143	..Concrete
103	.Swing stub	144	..Integral metallic
104	.Split point	145	.Grip or plow traps
105	.Rigid frog	146	.Adjustable slots
106	TROLLEY RAILS	281	MAGNETICALLY SUSPENDED CAR
107	.Two tread	282	.Propulsion means employed to suspend car
108	..Slotted tube		.By permanent magnets only
109	..Integral	283	.Including means to sense or control car position or attitude with respect to guideway
110	.Single tread	284	
111	.Hangers		.With cooling means
112	CABLE RAILS		.Construction or composition of suspension elements
113	.Gravity	285	
114	.Extensible marine	286	CAR-CARRIED PROPULSION SYSTEM
115	.Hangers and saddles		.Electric
116	..Vertible movement	287	..With regenerative energy means
117	.Tension regulators and anchors	288	..Linear motor
117.1	.With automatic stopping or reversing	289	...Suspension between truck and vehicle body
118	MONORAIL	290	...Propulsion by active guideway; e.g., linear synchronous motor, etc.
119	.With side guides	291	...Including means to control gap
120	.Raised center rail	292	...Construction or composition of motor elements
121	.Single top guide		..External car control
122	DROP PICK UP	293	...Auxiliary function on car
123	WAY SUSPENSION	294	...Superimposed signal on same conductor
124	ELEVATED STRUCTURE	295	...By block system
125	POSTS AND TOWERS	296	...Of spacing between cars
126	PORTABLE ELEVATED	297	...Car-carried speed regulator
127	ELEVATORS	298	...Of multiple trains on same track
128	.Car	299	...Reversing of car movement or conductor current
129	.Track control	300	...By switch responsive to discrete means along guideway
130.01	SWITCHES	301	...Of steerable car
130.02	.For levitated vehicle	302	...Of slot-guided car
130.03	..Having movable track elements	303	.Hydraulic
130.04	.For vertical guide	304	
130.05	.Having longitudinal pivot axis	305	
130.06	.Having horizontal sliding shift	154	
130.07	.Having all stationary track elements		
130.08	.For toothed rail		
130.09	.Having movable track element for slot-guided vehicle		
130.11	.Having flexible element		
133	DROPPINGS CATCHER		

155	.Pneumatic	204	...Automatic grip control
156	..Piston tube	205Trip lever
157	..Motor charging	206Toggle-operated jaw
158	...Moving car	207Releasable pawl
159Longitudinal supply tube	208Weight-operated jaw
160Sliding-sleeve receiver	209Spring-pressed jaw
161	..Sealing slot closers	210Screw operated
164	TILTING TRACK	211Cam operated
165	TRACTION	212Wedge operated
162	..Pusher	213	...Longitudinal buffer
163	..Rotary	214	...Laterally movable jaws
166	..Longitudinal rotary shafts	215	...With guide rollers
167	..Helical	216	...Pivoted and fixed jaws
168	..Transverse live roll	217	...Forceps
169	..Reciprocating farm tool	218	...Vertically movable jaws
170	..Truck distribution	219Pawl lever and link
171	..Two-wheel type	220With guide rollers
172.1	..Chain	221Pawl lever and link
172.2	..Tow pin or mast	222	...Wedge
172.3	..Beneath vehicle	223	...Screw
172.4	..Suspended	224	...Cam
172.5	..Chain construction	225	...V-clips or hooks
173.1	..Cable	226	...Friction belt
173.2	..Ski tow	227	...Overstepping
174	..Counterbalanced system	228Revolving
175	...Weight	229	...Rollers
176	..Mule car	230Power transmitting
177	..Mail	231Laterally movable
178	..Drive and control	232Vertically movable
179	...Signals	233Opposing twin
180	..Running and carrying cable	234Staggered
181	...Mail	235	...Whelp wheel
182	..Clearing-way hangers	236	...Sprocket wheel
183	..Drum-wind draft	237	...Sprocket belt
184	..At switches	238	...Drive stops on car
185	..Crossing conduit	239	...Cable-driving stops
186	...Cable depressors	240	..Cable construction
187	..Auxiliary car propulsion	241	SEAT-GUARD CONTROL
188	..At swing bridges	242	DERAILMENT GUARDS
189	..Curves	243	..Supplemental car wheels and rails
190	...Auxiliary car propulsion	244	..Inclined wheels
191	...Horizontal pulley	244.1	..Furrow feelers
192	...Double-rope system	245	..Guide rollers
193	..Draft-cable coupling	246	..Rail interlock
194	..Slot closers	247	..Horizontal thrust only
195	..Slot switches	248	..Rail-interlocking lugs
196	..Take-ups	249	CAR STOPS
197	..Supporting pulley	250	..Special track
198	..Cable shifters	251	..Car retaining
199	..Cable lifters	252	..Releasable feed
200	..Cable clips	253	..Alternate
201	...Strand engaging	254	..Bumpers
202	..Grippers	255	..Counterweight
203	...Pneumatically operated
