ORTHOPEDIC BANDAGE

1. With light, thermal, or electrical application
2. Protective covering means for a bandage or cast
3. Sling
4. Splint or brace
5. Shaped or shapeable
6. By heat application
7. By chemically reactive material (e.g., plaster cast)
8. Embedded removal element
9. Embedded walking iron means
10. With toe protector or use enabling means
11. Separable splint elements
12. Inflatable
13. With ventilation, heating, or cooling means
14. Box
15. With hinge or pivot
16. Head
17. Neck
18. Body (e.g., scoliosis brace)
19. Upper extremity
20. Hand or wrist
21. Finger
22. Lower extremity
23. Abduction
24. Bowed limb
25. Knee
26. Ankle
27. Drop-foot brace
28. Club-foot brace
29. Toe
30. Toenail appliance
31. Skeletal traction applicator
32. Bedstead associated traction apparatus
33. Overhead frame
34. Supported device
35. Body attachment means
36. With skin piercing means
37. Counter-traction or reciprocal stress means
38. Fracture reducing frame or table
39. With compression ring, yoke, or post
40. Skin laceration or wound cover
41. Wound contact surface
42. Woven or knit fiber pattern
43. Nonwoven fiber pattern
44. Polymeric foam
45. Perforated
46. Wound contact layer containing treatment material
47. Polysaccharide
48. Amino acid, polypeptide, or protein
49. Lipid (e.g., oil, fat, or wax)
50. Thin polymeric film or adhesive
51. Compressive element over wound site
52. Skin or wound facing adhesive layer
53. Patterned
54. Absorbent
55. System for adhesive layer release (e.g., release sheet)
56. Backing layer having particular structural feature (e.g., permeability, shaped, or elasticity, etc.)
57. Perforated
58. Support covering
59. For a particular body portion
60. Arm or leg
61. Tubular
62. Wrist
63. Ankle
64. Arch
65. Perineal support
66. With separable sack
67. With drawstring
68. Suspensory
69. With drawstring
70. With rigid cup
71. With separable sack
72. Head (e.g., headache relief, eye bandage, etc.)
73. Compressive elongate wrap (e.g., generic wrapping materials)
74. Woven, knit, or nonwoven fiber pattern
75. Rubber or latex coated fabric
76. Separable fasteners for support coverings
77. Retainers for wound dressings
