SECTION 1.— INTERNATIONAL CLASSIFICATION

The short titles associated below with the international class numbers are terms designed merely for quick identification and are not an official part of the international classification. The full names of international classes are given in section 6.1 of the trademark rules of practice.

The designation "U.S. Cl." appearing in this section refers to the U.S. class in effect prior to Sep. 1, 1973 rather than the international class which applies to applications filed on or after that date. For adoption of international classification see notice in the OFFICIAL GAZETTE of Jun. 26, 1973 (911 O.G. TM 210).
