Mark Literal(s) ZZONK ZZ ZZZ

CASE IDENTIFIERS
Serial Number 85913093 Application Filing Date Apr. 24, 2013 Registration Number 4497146
Registration Date Mar. 18, 2014 Register Principal Mark Type Trademark Date Cancelled Oct. 23, 2020
Publication Date Dec. 31, 2013

MARK INFORMATION
Standard Character Claim No Mark Drawing Type 3 - AN ILLUSTRATION DRAWING WHICH INCLUDES WORD(S)/ LETTER(S) Description of the Mark The mark consists of two parts. The first part is a graphic design; the second part is a stylized form of the word "ZZONK". The graphic consists of a circle. The outermost outline of the circle appears in shades of blue, beginning with a shade of light blue at the 10 o'clock position, darkening by a shade of blue as the outline travels clockwise, reaching its darkest shade of blue/navy blue at the 5 o'clock position, then gradually lightening by shades of blue until the outline again reaches the 10 o'clock position. The next/second outline is thinner than the outermost outline but mimics the coloring pattern, except in reverse: the darkest shade of blue/navy blue appears at the 10 o'clock position, with the shades of blue gradually lightening until the second outline reaches the 5 o'clock position at its lightest shade of blue, then gradually darkening by shades of blue until the outline again reaches the 10 o'clock position. The center of the circle is an ellipse that consists of the letter "Z" in large font, outlined in black but solid white in color, flanked by three 5-pointed stars to its right. The stars are staggered: the first/top star is the largest of the three with the two smaller stars being equal in size. The second star is positioned slightly to the left of the top / first / largest star, directly above the third star, which is positioned to the right of the top / first / largest star below the second star. All three stars within the ellipse appear in the colors gold / vivid yellow and pale yellow. The top half of the ellipse appears in lighter shades of blue, with the lightest shade at the ellipse's top vertex. The ellipse is separated by a wave whose trough appears on the left side of the ellipse and whose crest appears on the right side of the ellipse. The bottom half of the ellipse is electric blue in color throughout, except that the color slightly lightens to a lighter shade of electric blue towards the bottom vertex. The ellipse is flanked by a crescent shape on its right and on its left; both of these crescent shapes appear in shades of blue, with the lightest shade of blue at the top and bottom of each crescent and the darkest shades of blue towards the center of each crescent. The circle design is accented by a series of "Z"s. "ZZZ" appears in solid black letters to the upper left of the circle, along with a 5-pointed star to the bottom left of that set of "Z"s. The first "Z" is the largest, with the second and third "Z"s being the same size and appearing in superscript position. The star is pale yellow and gold / vivid yellow. "ZZZ" appears in solid black letters to the upper right of the circle in a staggered sequence. The first
"Z" in this set is the smallest; the second "Z" is slightly larger than the first; the third/last "Z" is the largest in this series. "ZZZ" appears in solid black letters to the bottom left of the circle, along with a 5-pointed star to the upper left of that set of "Z"s. The first "Z" is the largest; the second "Z" slightly smaller than the first; the third/last "z" is the smallest and is slightly smaller than the second "Z". The star is pale yellow and gold/vivid yellow. "ZZ" appears in solid black letters to the bottom right of the circle, along with a 5-pointed star directly above that set of "Z"s. The first "z" is smaller than the second "Z" and appears in superscript position. The star is pale yellow and gold/vivid yellow. The second part of the mark is a stylized version of the word "ZZONK". The letters "ZZ", "N" and "K" all appear in solid black font. The letter "O" is represented as a crescent moon that appears electric blue in color, accented by a small solid light blue circle at the 10 o'clock position, a small empty circle outlined in light blue below the small solid circle which appears at the 7 o'clock position in proximity to the small solid circle, a smaller solid light blue circle at the 8 o'clock position and a larger partial/semi-circle outlined in light blue at the 7 o'clock position on the inner part of the "O". The first "Z" in the word "ZZONK" is the largest letter in the word; the sequential letters "Z O N" and "K" are the same size and smaller that the first "Z". **Color Drawing** Yes **Color Claimed** The color(s) black, white, gold/vivid yellow, pale yellow, light blue, electric blue, dark blue and navy blue is/are claimed as a feature of the mark.
