**Description of the Mark** The mark consists of the stylized wording "KNOCKOUT FIREWOOD". The word "KNOCKOUT" and the letters "FIREW" and "D" in the word "FIREWOOD" are dark brown. Flames of red, yellow and white appear behind the second letter "O" in "KNOCKOUT" and wrap around the letter to partially obscure the top right of it. The letters "OO" in "FIREWOOD" are formed by the circular ends of firewood logs that are tan in the center, ringed in brown, outlined in dark brown and each have a dark brown mark in the center and light brown rings inside the tan areas. The wording "KNOCKOUT" appears above the wording "FIREWOOD". To the left of the wording appears a cartoon-like anthropomorphic plank of firewood with eyes, nose, mouth, arms, and hands. The sclera of the eyeballs is white. The pupils of the eyeballs are black with white highlights. The eyebrows are black. The outline of the nose, eyeballs, mouth, and line beneath the mouth indicating a chin are all black. The teeth are white. The tongue is pink with a black line dividing it down the middle. The top of the plank appears to be charred and is colored black, gray, white, red, and orange. Above the charred top of the plank appear brown and gray bits of ash and spark as well as a yellow and orange flame outlined in dark red. Both of the figure's hands are covered in white mittens shaded with gray and outlined in gray. In the figure's left hand, it holds a match that is tan and brown in the shaft and red outlined in dark red at the tip. A flame that is yellow, orange, red and dark red appears above this match. In the figure's right hand, it holds a tan wooden stick outlined in brown and upon which two marshmallows have been skewered. The marshmallows are white shaded with gray and outlined in gray. Gray curled lines rise from the marshmallows indicating smoke. The arms of the figure are tan shaded in light brown and outlined in dark brown. The side of the figure is tan with light brown curved lines indicating the grain of the wood and is outlined in dark brown. The front of the figure is dark brown highlighted with tan and shaded and outlined with dark brown.

Registration Date Feb. 09, 2021 Register Principal Mark Type Service Mark Publication Date Nov. 24, 2020

MARK INFORMATION
Standard Character Claim No Mark Drawing Type 3 - AN ILLUSTRATION DRAWING WHICH INCLUDES WORD(S)/LETTER(S) Description of the Mark The mark consists of a bold font sigma symbol as commonly used in statistical analysis indicating deviation or statistical variation. The sigma symbol is encircled in a bold circle of approximately the same font width or boldness. The top right script tail of the sigma symbol moves to the right within the circle and connects to the circle encircling the sigma symbol creating a break within the inner, negative space between the sigma symbol as it sits within the bordering or encircling circle. To the left and right of the circle are wings of which the inner ends are not completely connected to the circle. The wings are evenly placed on either side of the circle. The left wing begins at approximately the 7 o clock position and ends at approximately the 10 o clock position. The right wing begins at approximately the 5 o clock position and ends at approximately the 2 o clock position. The wings are each composed of 4 feather-like arms which are nearly evenly spaced between each of the feather-like arms. The wing arms are progressive in length with the smallest arms originating at the lowest points along the circle and the longest arms originating at the highest points along the circle. The outer edges of each wing show a slight, outwardly bowed curvature with the top, exterior edge of each arm showing a slight upward point. The overall shape of each wing is oriented in both an upward and backward position similar to the transition of a bird's wings from the uppermost position in flight before beginning the downward motion to create lift. The word "PTERA", latin for wing (s) or winged, is placed in a centered position just above the sigma symbol and bordered by the longest, upper arms of each wing to the left and right. The word "PTERA" spans approximately 90% of the distance of the horizontal measurement of both wings. The word "PTERA" exists in all capital letters in an American, mid-century modern like font with even spacing between each letter of the word. The word "SIGMA" sits below the circle surrounding the sigma symbol and is centered between the lowest arms of each wing with approximately 90% of the word existing between the total horizontal measure of these arms.
