MARK INFORMATION

Mark Literal(s)

The mark consists of a square drawing of a head. A large forehead is demarcated with a horizontal line just above two eyes set on either side of the head. The eyes are composed of two circles each containing a square and a smaller square. Below the eyes is another horizontal line that separates the lower part of the face from the rest of the head. The matter shown by the broken lines is not part of the mark and it serves only to show the possible positions of the mark.

Color Claimed

Color is not claimed as a feature of the mark.
