RELATED PROPERTIES INFORMATION
International Applications/ Registrations Based on this Property  A0101714/1586147 International
Registration Number  1586147 Claimed Ownership of US Registrations  5623081

GOODS AND SERVICES INFORMATION
For  Steering parts and suspension parts for vehicles, namely, upper ball joints, lower ball joints, ball joints with control arms,
bushing kits, inner tie rod ends, outer tie rod ends, sleeves, idler arms, center links, stabilizer kits, inner sockets, and pitman
arms; Tire valve cores; Vehicle tire valve stem caps; Spare tire covers; Tire products and accessories, namely, inner tubes for
vehicle tires, inflators for vehicle tires, and tire patch kits comprised of tire repair patches, self-adhesive, pre-glued tire repair
patches, tire patch glue, chalk, and sandpaper

International Classes  12 - Primary Classes US Classes  19, 21, 23, 31, 35, 44 International Class Title  Vehicles

For  Exhaust parts of internal combustion engines, namely, U-clamps, automotive flexible exhaust pipe, mounting hangers
adapted for exhaust systems for internal combustion engines, split flanges adapted for exhaust systems for internal combustion
engines, engine exhaust tips, tail exhaust pipes for land vehicles, turn down exhaust pipes for land vehicles, band clamps,
headers as part of vehicle exhaust system, and heat insulators specially adapted for engine exhausts; gaskets for internal
combustion engines, including gaskets for oil pan, head, valve cover, and intake manifold

International Classes  7 - Primary Classes US Classes  13, 19, 21, 23, 24, 31, 34, 35 International Class Title  Machinery
For Tire products and accessories, namely, sealants for tire puncture repairs; Tire repair kits comprised of carbon dioxide (CO2) filled cartridges with sealant for use in tire puncture repairs, 12v air compressors with tire puncture sealant, hand-operated tire valve removal tool, vehicle tire valve stem caps, tire repair plug strings, tire repair plug string needles, and disposable latex and plastic gloves for general use

**International Classes**: 1 - Primary Classes **US Classes**: 1, 5, 6, 10, 26, 46 **International Class Title**: Chemicals

For Tire pressure gauges

**International Classes**: 9 - Primary Classes **US Classes**: 21, 23, 26, 36, 38 **International Class Title**: Electrical and Scientific Apparatus

For Tire products and accessories, namely, hand tools, namely, thread depth tools for tires and tire repairs

**International Classes**: 8 - Primary Classes **US Classes**: 23, 28, 44 **International Class Title**: Hand Tools

For Exhaust parts of internal combustion engines, namely, adapters and connectors for connecting exhaust pipe sections in the nature of metal connector pipes and sleeves being pipe couplings of differing diameters for coupling exhaust pipe sections

**International Classes**: 6 - Primary Classes **US Classes**: 2, 12, 13, 14, 23, 25, 50 **International Class Title**: Metal Goods

Mark Literal(s)  ECLIPSE MUZIK EM

CASE IDENTIFIERS
Serial Number   88938608  Application Filing Date  May 29, 2020  Register  Principal  Mark Type  Service Mark
Publication Date  Sep. 07, 2021

MARK INFORMATION
Standard Character Claim  No  Mark Drawing Type  3 - AN ILLUSTRATION DRAWING WHICH INCLUDES WORD(S)/ LETTER(S) Description of the Mark  The mark consists of a shield design with the wording "ECLIPSE EM MUZIK" in stylized wording. The shield border is black, with gray and white shading. The wording "ECLIPSE" is displayed in black with gray line shading and is above the "EM" letters. The "E" of the "EM" is formed out of a stylized headphone with the stem in black with gray shading, each earphone forming the top and bottom of the "E" in red and black with gray shading, and the middle horizontal stem of the "E" being formed by a black headphone cord which partially encircles the "EM" design and is attached to a gold, black, and white headphone male connector. The "M" of the "EM" is formed out of a joined red with white shading music note with black outline, and on its left side appears a black, white, and gold headphone female connector. Behind the stylized "EM" appears the repeating red shaded rectangles stacked on top of one another to resemble sound. Below the stylized "EM" appears the word "MUZIK" displayed in black with gray shading. The remaining background areas within the shield design are displayed in white. Color Drawing  Yes  Color Claimed  The color(s) red, black, gold, gray, and white is/are claimed as a feature of the mark. Disclaimer  "MUSIC"

**For**  Scientific, research, navigation, photographic, cinematographic, optical, weighing, measuring, signaling, measuring, checking as in supervision, life-saving and teaching apparatus and instruments, namely, telephones, punch clocks, time recording devices, namely, time clocks, weighing equipment, namely, scales and balances, graduated rulers, electronic pocket translators, neon signs, electronic notice boards, transparency projection apparatus, kilometer recorders in the nature of odometers for vehicles, telescopes, mechanisms for counter operated apparatus, namely, point-of-sale terminals, fire extinguishers, acoustic alarms, namely, smoke and fire alarms, eyeglasses, batteries, exposed films, namely, exposed camera film; downloadable software for processing electronic payments to and from others; downloadable authentication software, namely, software for authenticating the identity of a payer; computer software applications for mobile devices and computers, namely, software for financial analysis, planning and management, software for securing and protecting data on mobile devices and computers, software for authenticating user identification, software for controlling access to and communications with mobile devices and computers; downloadable software applications for use with mobile devices, namely, downloadable software for use in database management, for use as a spreadsheet, for word processing, for recording, collecting, organizing,
storing, archiving, reproducing, searching, retrieving and displaying digital data in the field of shopping, purchasing, communication, product and service reviews, entertainment, health and fitness, lifestyle, media and video, music and audio, photography and social network; computer software that may be downloaded from a global computer network for posting information, creating electronic product catalogs, responding to requests and placing and fulfilling orders for products, services and business opportunities via local and global computer networks, for use in document management, for searching, browsing and receiving transmissions of text, electronic documents, graphics and audiovisual information on local and remote area networks and global computer networks, on intranets, or on directories of information available on computer networks, for use in software development and web authoring, for use in exchanging information via global computer networks and online from a computer database and the internet, for business use for financial management, financial planning, business management, customer relationship management (CRM), inventory management, sales force management, planning and management of personal and business finances, and marketing information management, for data mining, for high-speed massive e-commerce data processing, and for data customization, all of the foregoing for use by third parties in connection with an interactive website in the field of e-commerce; downloadable computer software applications for use with mobile devices and computers, namely, software for use in database management, for use as a spreadsheet, for word processing, for recording, collecting, organizing, storing, archiving, reproducing, searching, retrieving and displaying digital data in the field of e-commerce, data management, customer relationship management, entertainment, education and telecommunications provided via the Internet; downloadable instant messaging software; downloadable file sharing software; downloadable communications software for electronically exchanging data, audio, video, images and graphics via computer, mobile, wireless and telecommunication networks; downloadable computer software for processing images, graphics, audio, video and text; downloadable computer software applications for downloading and transmitting video files, audio files, films, movies and television programs featuring children's entertainment, family entertainment, drama, action, adventure and fantasy; downloadable computer software for use in the field of business for financial management and financial planning; downloadable cloud-computing software for deploying virtual machines to a cloud computing platform, managing virtual machines on a cloud computing platform; downloadable cloud-based software for storing and managing electronic data, accessing databases and internet security; downloadable computer software which allows users to participate in web-based meetings and classes, with access to data, documents, images and software applications through a web browser; downloadable computer software for accessing, viewing and controlling remote computers and computer networks; downloadable computer software for use in the search and retrieval of computerized information from global information networks and network systems about hobbies, collectibles, auctions and products; data storage programs, namely, downloadable software used for the storage of electronic data and documents and data on hard discs, compact discs, tapes and optical discs; downloadable computer software for use with global positioning system (GPS) navigation systems for navigation, route guidance and electronic mapping; downloadable computer software for use with route planners, electronic maps and digital dictionaries for navigation and translation purposes; downloadable computer programs and computer software for financial management, financial planning, business management, customer relationship management (CRM), inventory management, sales force management, planning and management of personal and business finances and marketing information management, all in the field of e-commerce and business; digital music downloadable from the Internet; downloadable computer game software, pictures in the field of aircrafts, automobiles, buildings, natural scenery and pets, motion pictures and movies in the field of children's entertainment, family entertainment, drama, action, adventure and fantasy and music via the internet and wireless devices; downloadable computer game programs, electronic and video games programs and software game programs via the Internet; downloadable and recorded computer
board game software; computer game software, downloadable; computer game software, recorded; downloadable and recorded computer video game programs; downloadable and recorded computer applications for streaming videos, music and images; apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling electricity, namely, electric wires, electric switches, and electrified fences, namely, electric fences; apparatus for recording, transmission or reproduction of sound or images; blank magnetic data carriers and recording discs, namely, CD-R, CD-RW, DVD-R and DVD-RW discs; mechanisms for coin-operated apparatus; cash registers, calculating machines, data processing equipment and computers; on-line downloadable electronic publications in the nature of magazines, articles, brochures, leaflets, datasheets, informational materials being informational flyers and newsletters, instructional materials being manuals in the field of business, e-commerce, information technology, cloud computing, telecommunications, the Internet, business and e-commerce training, business, sales, marketing and financial management; semi-conductors; semi-conductor integrated circuits; semi-conductor memory chips; semi-conductor memory controllers; semi-conductor memory integrated circuits; semi-conductor processor chips; semiconductor processors; microcontrollers; microcontroller units; low power microcontrollers; circuit chips; computer chips; CPU (central processing unit); reduced instruction set computer architecture computer chips and central processing units; computer chips and central processing units with instruction set architecture; computer peripherals; notebook computers; laptop computers; portable computers; handheld computers; personal digital assistants; personal portable media players; mobile telephones; smart phones; digital cameras; batteries, battery chargers; computer workstations comprising computers and computer monitors; servers, namely, computer servers; computer and telecommunications networking computer hardware; computer network adaptors, switches, routers, hubs; wireless and wired modems and communication cards and devices, namely, cable modems, computer fax modem cards, external modems, internal modems, modem cables, modems; laptop holders in the nature of protective sleeves and carrying cases, computer bags; fire-extinguishing apparatus; computer hardware and firmware for use in the field of business for financial management and financial planning; satellite-aided navigation systems in the nature of automobile navigation system featuring interactive digital map displays, interactive instructions and user generated information; blank compact discs; re-recorded compact discs featuring music; telecommunications apparatus, namely, VOIP phones, network telephones, electronic facsimile machines, portable digital electronic device for sending and receiving electronic mails, and instant messaging communication tool in the nature of portable telecommunication instant messaging devices; mouse pads; mobile phone handsets; mobile phone accessories, namely, battery chargers, cases, covers, ear phones, headsets and hands-free calling devices; alarm monitoring systems; security cameras; mobile radio and television broadcasting units, namely, transmitting and receiving apparatus for radio and television broadcasting and for long-distance transmission; television broadcasting equipment, namely, video cameras, film cameras, monitors, flat panel display screens, audio monitors, audio recorders, video recorders, electronic switches, cables for the transmission of sounds and images, lights for use with video cameras and film cameras, camera lenses, camera tripods, camera cases, blank videotape, audio mixing boards and video editing computer hardware; cameras; video cameras; headphones; ear pieces, namely, ear buds; speakers, namely, loud speakers; global positioning system (GPS) apparatus and equipment, namely, GPS systems; liquid crystal displays for telecommunications and electronic equipment; set top box; remote control for radios, televisions, stereos, computers, video recorders, audio systems and audio and video playback machines; spectacles and sunglasses; electronic signboards; magnetically encoded bank credit, debit, cash and identification cards; automatic teller machines, cash dispensers; electronic book readers; digital media streaming devices; diving suits, divers’ masks, ear plugs for divers, nose clips for divers and swimmers, gloves for divers, breathing apparatus for underwater
swimming

International Classes  9 - Primary Classes  US Classes  21, 23, 26, 36, 38  International Class Title  Electrical and Scientific Apparatus

For  Telecommunications services, namely, providing telephone communication, Internet telephony services, network telephone in the nature of voice over internet protocol (VOIP) services, electronic facsimile transmission, electronic transmission of electronic mails, and instant messaging communication services; telecommunications services, namely, transmission and delivery of digital data, photographs, audio files, data, information and image signals by means of a global computer network, cable television, radio and satellite transfer, all in particular for navigation systems, route planners and the use of electronic maps; providing web-based multimedia teleconferencing and videoconferencing services that allow simultaneous and asynchronous viewing, sharing, editing, and discussion of documents, data, and images by participants via a web browser; providing customers with multiple user access to a global computer network to access online reports regarding the performance, effectiveness, and status of web-based applications, teleconferences, videoconferences, and meetings; providing users with secure remote access via the Internet to private computer networks; providing information in the fields of secured transmission of data and information; consulting services in the fields of secured data and information transmission services; providing online collaboration services, namely, providing multiple user access to global computer network which allows users to access applications, platforms, jointly-shared documents, data, task lists, and discussion forums; Internet broadcasting services; Internet service provider services; provision of telecommunication access and on-line communications links to computer databases, and other local and global webpages via the Internet and world-wide web; electronic communication services, namely, information transmission via electronic communication networks; interactive telecommunications services, namely, transmission of voice, audio, visual images, audio-visual content, text and SMS messages, electronic documents, and data by communication networks; telecommunication of information in the nature of transmission of database information via telecommunication networks; providing telecommunication connections to the Internet or databases; communication by computer terminals; communication by fibre optic networks; electronic transmission of messages and images by computer; facsimile transmission; paging services; rental of modems; transmission of data by electronic means; rental of telecommunication equipment; electronic message sending, receiving and forwarding services; electronic exchange of voice, data, audio, video, text and graphics stored in databases accessible via computer and telecommunication networks; instant messaging services; mobile phone communication services; transmission and delivery of data by electronic means; electronic transmission and delivery of mail messages, still picture and moving picture information, namely, characters, messages, music and images, telegrams, information, and data by electronic, telephone, telegraph, cable, computer and satellite means; transmission, broadcast and reception of audio, video, still and moving images and data via telecommunication means whether in compressed or uncompressed form and whether in real or delayed time; electronic messaging services; telephone communication and video and web conferencing services; electronic order transmission services; video conferencing services; electronic bulletin board services, namely, providing an electronic bulletin board for real-time interactive talk in the nature of communication among users between a computer terminal and an electronic board for transmission of still picture and moving picture information and voice information, including characters in the field of general interest; providing online electronic bulletin boards and message boards for transmission of messages among users concerning business and e-commerce; provision of online discussion forums for transmission of messages among computer users concerning business and e-commerce; television broadcasting services; broadcasting and transmission of radio and television

1441
programs; music broadcasting services over the internet; transmission of music, films, interactive television programs, videos, electronic computer games via a global computer network or the internet; electronic transmission of information by communications networks in the field of online shopping and general retail services; video-on-demand transmission services; news agency services for electronic transmission; providing access to computer database on the global computer network for searching and retrieving information, data, web sites and resources available on computer networks; providing multiple user access to a computer database containing electronic publications, bulletin boards, database and information accessible via computer; providing online chat room services for transmission of messages among computer users concerning business and e-commerce; providing multiple user access to global computer information networks for the transfer and dissemination of a wide range of information; providing access to an interactive website on a global computer network for third parties to post information, respond to requests and place and fulfill orders for products, services and business opportunities; communication services, namely, text and numeric wireless digital messaging services; transmission of information by data communications for assisting decision making; transmission of information through video communication systems; web conferencing services; electronic communication services, namely, virtual chat rooms established via text messaging; providing electronic bulletin boards for the posting and transmission of messages among and between computer users concerning consumer products, services and business leads and opportunities; providing an online interactive bulletin board for the posting, promotion, sale and resale of items in the field of clothing, personal care products, computers, computer equipment, computer software, telecommunication apparatus, game machines, food and beverages via a global computer network; electronic transmission of e-mail services; transmission, broadcasting and streaming of audio and video via computers connected to computer networks and global communication network; providing computer access to online interactive bulletin boards and databases; providing access to electronic bulletin boards for the posting and transmission of messages among and between computer users concerning products, services and business opportunities; teleconferencing services, namely, distant video and telephone conferencing; providing access to local and global computer networks featuring electronic calendar, address book and notes feature; providing facilities and equipment for video and telephone conferencing; providing computer links in the nature of online communication links which transfer the web site user to third party web sites to facilitate e-commerce and real world business transactions; computerized communication network security services in the nature of providing private and secure real time electronic communication over a computer network; and consultancy, information and advisory services provided in connection with the aforesaid services; transmission, broadcasting and streaming of audio and video via computers, computer networks and global communication network; streaming of data; video, audio and television streaming services; providing data streaming capacity to others, namely, providing others with access to remotely stored data and software; consulting services in the fields of secured electronic data and information transmission services

International Classes: 38 - Primary Classes
US Classes: 100, 101, 104
International Class Title: Communication

For: Transportation services, namely, transportation of passengers and goods by plane and rail; packaging and storage of goods; travel arrangement, namely, arranging travel tours in the nature of travel ticket reservation service and travel guide services; physical storage of electronically stored data or documents; physical storage of electronically-stored data or documents; providing transportation information; transport brokerage, namely, freight brokerage; transport of goods and passengers; packaging articles for transportation; ship brokerage; car transport; air transport; armoured-car transport; vehicle rental; message delivery; transport by pipeline; delivery of goods by mail order; courier services (messages or merchandise); transport services in the nature of transport management namely, arranging transportation for travelers; car rental services; car
parking services; organization of yacht and/or boat trips; travel booking services; travel ticket reservation and travel information services; travel ticket agency services arranging travel in the nature of coordinating travel arrangements for individuals and for groups and providing information therefor, all provided on-line from a computer database or the Internet; provision of information relating to travel and tourism transportation through the Internet or through telecommunication networks; providing driving directions for travel purposes; arranging of cruises; arranging of transportation for travel tours; booking of seats for travel; escorting of travellers; transport services for sightseeing tours; arranging of passenger transportation services for others via an online application; travel ticket reservation service; providing road and traffic information, chauffeur services; loading and unloading of cargo; freight brokerage; removal services, namely, animal removal and junk removal services; brokerage for rental, leasing, chartering of ships and boats, namely, ship brokerage; salvage and refloating of ships and/or boats; piloting; gas distribution and supply; electricity distribution and supply; heat distribution and supply; water supplying; water distribution and supply; mooring facility services, namely, providing vessel mooring facilities; rental of warehouses; providing aircraft landing facilities for others in the nature of providing access to airstrips, runways, and aircraft hangars and airspace; rental and/or leasing of wheelchairs; car parking; management of parking spaces in the nature of parking garage services; rental and/or leasing of airplanes; rental and/or leasing of shipping containers; rental and/or leasing of bicycles; rental and/or leasing of cars; rental and/or leasing of ships and/or boats; rental and/or leasing of man-powered vehicles; rental and/or leasing of mechanical parking systems; rental and/or leasing of pallets; rental and/or leasing of packaging or wrapping machines; rental and/or leasing of refrigerator; collection of domestic waste and trash; collection of industrial waste and trash; rental of navigational systems; aircraft rental; cash replenishment of automated teller machines; chauffeur services; collection of recyclable goods, namely collection of bottles and cans, paper and cardboard, and toner cartridges; delivery of goods; delivery of newspapers; distribution of energy; flower delivery; franking of mail; freight services; garage rental; gift wrapping; horse rental for transportation purposes; launching of satellites for others; luggage storage; motor coach rental; parcel delivery; parking place rental; refrigerator rental; rental of freezers; rental of motor racing cars; rental of storage containers; rental of tractors; rental of vehicle roof racks; rental of wheelchairs; replenishment of vending machines; rescue operations in the nature of rescue services; salvaging, namely, aircraft salvage, automobile salvage and vessel salvage; taxi transport; vehicle towing; traffic information; transport reservation; gift wrapping of goods; consultancy, information and advisory services relating to the aforesaid services; repossession services, namely, physical removal of repossessed items from debtors' possession

**International Classes**  39 - Primary Classes  **US Classes**  100, 105  **International Class Title**  Transportation and Storage

**For**  Scientific and technological services, namely, research and design in the field of telecommunication software and hardware design, Internet technology, the design of websites for advertising, software design, and e-commerce software and hardware design, and industrial research and scientific analysis services in the field of e-commerce computer software networking systems; industrial research services in the field of business and e-commerce; scientific, technological, namely, research and design services related to telecommunication and navigation signals; design and development of computer hardware and software; software as a service (SaaS) services featuring software for monitoring and management of computer-based information systems and networks; software as a service (SaaS) services featuring software for database management, data analysis, document management, document analysis, project management, project planning, budget management and electronic storage of data; providing temporary use of on-line non-downloadable cloud computing software for database
management, data analysis, document management, document analysis, project management, project planning, budget management and electronic storage of data; cloud computing featuring online non-downloadable software for database management, data analysis, document management, document analysis, project management, project planning, budget management; providing temporary use of on-line non-downloadable cloud-based software for storing and managing electronic data, accessing databases and internet security; providing virtual computer systems and virtual computer environments through cloud computing; computer services, namely, design and development of computer systems for transmitting information, data, documents and images over the Internet; computer services, namely, design and development of semi-conductors, semi-conductor integrated circuits, semi-conductor memory chips, semi-conductor memory controllers, semi-conductor memory integrated circuits, semi-conductor processor chips, semi-conductor processors, microcontrollers, microcontroller units, low power microcontrollers, circuit chips, computer chips, CPU (central processing unit), reduced instruction set computer architecture computer chips and central processing units, computer chips and central processing units with instruction set architecture; application service provider (ASP) services, namely, hosting computer software applications of others; application service provider (ASP) services featuring software for web-based conferencing, audio conferencing, electronic messaging, document collaboration, video conferencing, and voice and call processing; providing online non-downloadable software for facilitating the interoperability of multiple software applications; providing on-line non-downloadable computer software and computer applications for streaming audio materials, video materials, videos, music and images; providing technical support services, namely, providing backup computer programs and facilities, troubleshooting of computer software problems to end users by means of telephone or global computer network; computer services, namely, creating an online community for registered users to participate in discussions, get feedback from their peers, form virtual communities, and engage in social networking; computer technology advice provided to Internet users by means of a support hotline; computer services, namely, creating online indexes of information, sites and resources on computer networks; providing search engines for the Internet; design of computers, notebook computers, laptop computers, portable computers and handheld computers; design of personal digital assistants and personal media players for others; design of mobile telephones and smart phone for others; design of digital cameras for others; computer services, namely, computer system administration for others; computer programming; computer systems integration services; computer systems analysis services; computer programming in relation to the defense against virus, namely, computer virus protection services; computer system software services, namely, design and development of online computer software systems; design, development, updating and upgrading of computer and video games software; providing direct connection services between computer users for exchanging data, namely, providing temporary use of online non-downloadable software for the exchange of data; computer software design; computer system design; design and development of webpages; hosting webpages for others; hosting computer application software for others for use in searching and retrieving information from databases and computer networks; computer software consultancy; computer services, namely, providing customized searching services in the nature of searching and retrieving information from computer databases and websites at the customer's specific request via the Internet, creating, maintaining and hosting websites for others, creating an online community for registered users to develop and collaborate on address books and calendars, software design and development for others, hosting online interactive public calendars, address books and notes that allow multiple participants to share event schedules, facility reservations and transportation requests via local and global computer network; customized searching of computer databases and websites, namely, providing customized online web pages featuring user-defined information which includes online links to third party web sites, and providing search; webpage development services, namely, providing customized online web pages featuring user-defined information which includes online links to
third party websites; all of the foregoing services excluding any services related to or provided in connection with, restaurants, bars, lounges, cafés, catering, food service, hotels, lodging, temporary accommodations, conferences, banquet facilities, beach clubs, spas, or the production, presentation, or provision of live entertainment; customized searching of computer databases and websites, namely, providing search engines for obtaining data from computer files on a global computer network; computer and electronic signal coding and decoding; computer code conversion for others; conversion of physical data and documents into electronic media format; testing and evaluation services of the goods and services of others to assure compliance with industry standards; architectural design services; interior design services of buildings, offices and apartments; computer security services, namely, the provision of user certification authority services for others to ensure the security of transmitted information, namely, providing a website that features technology that enables the secure exchange of information by users; providing technological information about computers and computer networks in the field of business and e-commerce; computer security risk management programs, namely, updating of computer software relating to computer security and prevention of computer risks; computer security information, knowledge and testing services, namely, computer security consultancy in the field of scanning and penetration testing of computers and networks to assess information security vulnerability; providing quality assurance services in the field of computer software; computer security service, namely, restricting access to and by computer networks to and of undesired web sites, media and individuals and facilities; providing platform as a service (PAAS) services, namely, providing web-based computer software platform for complaint submission; computer consultancy in the field of data security; consultancy concerning data security in the field of telecommunications technology; electronic document and e-mail authentication services; computerized communication network security services, namely, providing temporary use of non-downloadable computer software for conducting private and secure electronic communication over a private or public computer network; providing technological information in the field of Internet, the world wide web, and computerized communication network security; computer security consultancy, namely, consulting services in the fields of Internet, world wide web and computerized communication network security services, information security services; authentication in the field of computer security, namely, authentication of user identity for computer security; computer services in relation to on-line authentication of electronic signatures, namely, design, development, and implementation of software for authenticating digital signatures; off-site data backup; electronic data storage, namely, archiving business documents, personal documents and corporate documents; providing information on computer technology and programming via a web site; cartography services; rental of entertainment software, excluding game software; consultancy, information and advisory services relating to the aforesaid services

**International Classes:** 42 - Primary Classes
