MARK INFORMATION

Mark Literal(s)

Description of the Mark
The mark depicts a generally circular and helical-shaped design comprised of eleven non-overlapping partial moon-shaped elements of identical size spaced radially and evenly in a swirling pattern around a central, circular void, however, leaving an unfilled gap at approximately the 7 o'clock position between the first and last partial moon-shaped elements. The overall appearance corresponds roughly to a hedgehog-like object or a circularly swirled pattern of partial moon-shaped elements.
