For Elevators being lifts; escalators; sidewalks, namely, moving pavements; apparatus for generating hydrogen by water-electrolysis; semiconductor manufacturing machines; non-electric prime movers, not for land vehicles, namely, internal combustion engines not for land vehicles, jet engines not for land vehicles, rocket engines not for land vehicles, turbines not for land vehicles, hydraulic turbines not for land vehicles, electric drive motors for machines, blades for hydraulic turbines, hydraulic turbines runners, hydraulic turbines and their fittings, blades for wind turbines, wind turbines and their fittings, other turbines not for land vehicles, drive motors not for land vehicles; parts for non-electric prime movers, namely, vehicle parts in the nature of shaft couplings and axle bearings, not for land vehicles; drive motors not for land vehicles; boilers for non-electric prime movers and engines being steam engine boilers; turbines other than for land vehicles; pneumatic or hydraulic machines and instruments, namely, rotary compressors, centrifugal compressors, air compressors, electric compressors for machines, electric pumps for domestic use, pumps used to circulate water in nuclear reactors, electric well pumps, circulating pumps, vacuum pumps, air pumps, water pumps, wind-powered electricity generators, blowers, centrifugal blowers, rotary blowers, axial flow blowers, turbo blowers, lifting pumps used in pumped storage hydroelectric plant; machine elements, not for land vehicles, namely, shafts, axles, spindles, bearings being parts of machines, shaft couplings and connectors, power transmissions and gearing for machines not for land vehicles, brakes, valves being parts of machines, ball bearings being parts of machines, blade holders being parts of machines, joints being parts of machines, brushes being parts of machines, cowlings being parts of machines, cranks being parts of machines, drill chucks being parts of machines, drums being parts of machines, filters being parts of machines, feeders being parts of machines, guards being part of machines; AC motors and DC motors, not including those for land vehicles; parts for AC motors and DC motors; AC generators being alternators; DC generators; hydrogen-powered electricity generators with fuel cell technology; hydrogen-based electricity generators with fuel cell technology sold as a unit comprised of water-electrolysis hydrogen generators, hydrogen storage tank, fuel cell, water supply installations for feeding water for industrial purposes and accumulators, namely, electric storage batteries

For Industrial furnaces; nuclear reactors; heating boilers, other than parts of machines; air conditioners for industrial purposes; freezing machines and apparatus for industrial purposes, namely, freezers, refrigerators, ice machines, refrigerating display cabinets; waste water treatment tanks; water purifying apparatus for industrial purposes; electric lamps and other lighting apparatus, namely, fluorescent lamps, LED lamps, spotlights, lights for vehicles, lighting installations, LED lighting fixtures, electric torches; household electrothermic appliances, namely, electric radiant heaters for household purposes, Japanese electric leg-warming apparatus for household purposes, Japanese electric warming pans for beds, electric hot air heaters for household purposes, hand-held electric hair dryers, room air conditioners for household purposes, electric fans, electric room air purifiers, electric ventilating fans, electric humidifiers, electric dehumidifiers, electric blankets, water heaters for household purposes, storage water heaters for household purposes, electric cooking ovens for household purposes, microwave ovens, electric toasters, immersion heaters, electric refrigerators for household purposes, electric freezers for household purposes, automatic rice cookers, electric hot plates for cooking, automatic steam cookers, baking ovens for household purposes, electric pots, electric pans, electric coffee percolators, electric egg cookers for household purposes, electric popcorn cookers for household purposes, electric hamburger cookers for household purposes, electric waffle cookers for household purposes, electric ice cream makers for household purposes, electric rice-cake making machines for household
purposes, electric yogurt makers for household purposes, electric grilling apparatus for household purposes, electric pressure
cookers, electric water coolers for household purposes, electric driers for clothing for household purposes, ionizers for
treatment of air for household purposes, electric footwarmers in the nature of footmuffs, oil space heaters for household
purpose, gas space heaters for household purpose, vacuum defreezer for food, wine cellar refrigerating showcases,
electrothermic bottles, electric fish roasters, wine warmers, electric warming tray, electric oil filter for foods, smoke filtering
machines for air conditioning; air conditioners for household purposes; electric water purifiers for household purposes

International Classes 11 - Primary Classes US Classes 13, 21, 23, 24, 31, 34

Environmental Control Apparatus

For Educational and instruction services, namely, providing, arranging, conducting and organizing classes and seminars in
the fields of arts, crafts, sports, financial services, home security, intellectual property, personal computers or general
knowledge; educational and instruction services, namely, providing, arranging, conducting and organizing classes and
seminars in the fields of do-it-yourself arts and crafts studio that provides the use of supplies and equipment to individuals for
making their own arts and crafts; sports instruction services; organization, arranging and conducting of sports competitions

International Classes 41 - Primary Classes US Classes 100, 101, 107

Education and
Entertainment

For Business management analysis and business consultancy; marketing research and analysis; providing business assistance
to others in the operation of data processing apparatus namely, computers, typewriters and teletype machines; rental of copying
machines

International Classes 35 - Primary Classes US Classes 100, 101, 102

Advertising and
Business

For Building construction, general building construction works, steel structure construction works, concrete construction;
construction of hydroelectric power plants, thermal electric power plants, geothermal power plants, photovoltaic power plants
and wind-power plants; installation of hydrogen-powered electricity generators; installation of photovoltaic power plants;
maintenance of building equipment, namely, maintenance of air conditioning equipment, hot-water supply equipment, electric
equipment, gas facilities, power-generating facilities, feedwater and drainage equipment and fire-extinguishing equipment of
buildings; repair or maintenance of automobiles; repair or maintenance of railway rolling stocks; repair or maintenance of
elevators being lifts; repair or maintenance of escalators; repair or maintenance of moving pavements; repair or maintenance of
office machines and equipment; repair or maintenance of air conditioners for industrial purposes; repair or maintenance of
electronic machines and apparatus; repair or maintenance of telecommunication machines and apparatus; repair or
maintenance of electric lighting apparatus; repair or maintenance of electric motors; repair or maintenance of power
distribution or control machines and apparatus; repair or maintenance of power generators; repair and maintenance of
hydrogen-powered electricity generators; repair and maintenance of wind power plants; repair and maintenance of photovoltaic
power plants; repair or maintenance of measuring and testing machines and instruments; repair or maintenance of medical
apparatus and instruments; repair or maintenance of apparatus for generating hydrogen by water-electrolysis; repair or
maintenance of industrial furnaces; repair or maintenance of nuclear reactors; repair or maintenance of integrated circuits
manufacturing machines and systems; repair or maintenance of semiconductor manufacturing machines and systems; repair or
maintenance of water pollution control equipment; repair or maintenance of water purifying apparatus; repair or maintenance
of nuclear power plants; repair or maintenance of power plants
Ozonisers being ozonators; cash registers; coin counting or sorting machines; photocopiers; railway signal apparatus, luminous or mechanical; laboratory apparatus and instruments, namely, chromatography apparatus for laboratory use, apparatus for fermentation being laboratory apparatus and furnaces for laboratory experiments, microchips containing DNA probes, electronic apparatus consisting of hardware, microchips, and software for examining, studying, and researching genes and genetic material, DNA chips, DNA testing apparatus, microscopes, centrifuges, air-gas producers, constant temperature incubators, constant humidity incubators, glassware for scientific experiments in laboratories, porcelain ware for scientific experiments in laboratories, animal specimens and plant models; DNA chips; measuring or testing machines and instruments, namely, electronic weighing scales, testing equipment for semiconductors, X-ray and gamma-ray thickness gauges, gamma-ray level gauges, electromagnetic flow meters, smart meters in the nature of electric quantity meters, watt meters, watthour meters, gas meters, water meters, voltmeters, ammeters, automatic meter reading apparatus, metal measuring instruments, telemetering equipment, water quality measurement instruments, biochemical analyzers, electricity meters, vibration meters, acoustic meters; gasometers; power distribution or control machines and apparatus, namely, electrical sockets, electrical receptacles, electrical plugs; transformers, inverters, induction voltage regulators, condensers and capacitors, circuit breakers, electrical switches, plugboards, lightning arresters, electric relays, converters, electrical connectors, rectifiers, fuses, electrical resistors, static power capacitors, leakage circuit breakers, safety circuit breakers, switch boxes, lighting and electrical power distribution blocks, chargers for electric batteries, electric voltage ballasts, vacuum circuit breakers, electrical controllers, remote control starters for vehicles, automatic device for power stations, distribution console electricity; battery chargers; solar batteries; electrical cells and batteries; rechargeable batteries; fuel cells; electric meters; electric or magnetic meters and testers, namely, phase indicators, oscillographs, oscilloscopes, circuit testers, electric leakage detectors, magnetometers, frequency meters, vacuum tube characteristic testers, resistance measuring instruments, voltmeters, wattmeters, ammeters, wattmeters, wattmeters, watt hour meters; electric wires and cables; telecommunication machines and apparatus, namely, telephone sets, mobile phones, battery chargers for mobile phones, video-phones, automatic telephone exchangers, intercoms, transceivers, AC adaptors, facsimile machines and apparatus and their parts and accessories, namely, platen cover, reversing automatic document feeder (RADF/ADF), paper feed pedestal, drawer module, work tray, finisher, multi position staple finisher, saddle stitch finisher, holepunch unit, inserter, large capacity feeder (LCF), printer kit, printer/scanner kit, scanner kit, main/page memory module, EFI controller, FAX board, FAX 2nd line board, wireless module kit, personal area network module, antenna kit, PCI slot, parallel I/F kit, card reader, data overwrite kit for facsimile machines, tape recorders, radio cassette tape recorders, stereo tuners, audio stereo tuners, tuners for television receivers, tuners for HDD and DVD recorders, record players, sound recording machines and apparatus, digital audio players, DVD players, DVD recorders, DVD drives, video cameras, video tape recorders, video disc players, digital video disc recorders, digital photo frames, surveillance cameras, digital video cameras, blank magnetic tapes for tape recorders, blank magnetic tapes for video tape recorders, blank video discs for video disc players, needles for phonographs, electrical phonograph record turntable cartridges, noise reduction filters for audio equipment, audio amplifiers, microphones, headphones, graphic equalizers, public-address systems and instruments, transmitters of telecommunication signals, walkie-talkies; broadcasting machines and apparatus, namely, cable broadcast transmission machines and apparatus, transmitting and receiving apparatus for radio and television broadcasting, television receivers, TV sets, television transmitters, television
cameras, closed circuit television cameras, closed circuit television monitors, closed circuits television equipment, radio receivers with clocks, car radios, radio receivers, radio transmitters; radio communication machines and apparatus, namely, aeronautical radio communication machines and apparatus, marine radio communication machines and apparatus, vehicle radio communication machines and apparatus, multichannel radio communication machines and apparatus for fixed stations, single-channel radio communication machines and apparatus for fixed stations; radio machines and apparatus, namely, radar machines and apparatus, loran navigation machines and apparatus, navigation apparatus for vehicles, radio beacon machines and apparatus, radio direction finders; parts for telecommunication machines and apparatus, namely, antennas, telegraphs, circuit boards for electric communication machines and apparatus, switches for electric communication machines and apparatus; replacement parts and accessories for telecommunication machines and apparatus; facsimile machines; digital signage; digital signs; electronic machines, apparatus and their parts, namely, electrostatic copying machines, image scanners, multi-function peripherals having function of copying machines, printers, image scanners and facsimile machines, personal computers, computers, universal serial bus (USB) memories, printers for use with computers, magnetic tape and discs units for computers, card readers for use with computers, displays for computers, display monitors for computers, keyboards for computers, mics for computers, word processors, integrated circuit memory card readers and/or writers, smart phones, personal digital assistance having function of internet connection, sending and receiving of e-mail, and video and data information, personal digital assistants, printers for digital cameras, hard disc drives, printer cables for electrostatic copying machines and printers, printer carrying cases for electrostatic copying machines and printers, drums for electrostatic copying machines and printers, heat rollers for electrostatic copying machines and printers, cleaning rollers and blades for electrostatic copying machines and printers, computer servers, machines and apparatus for POS (point-of-sale) systems and their parts and accessories, namely, terminals for POS systems, barcode readers for POS systems, optical readers for POS systems, liquid crystal displays for POS systems, electric luminescent display panels for POS systems, keyboards for POS systems, printers for POS systems, scanners for POS systems, barcode readers, barcode printers, radio frequency identification (RFID) readers and/or writers, X-ray non-destructive testing units not for medical purposes, diagnostic ultrasound non-destructive testing units other than for medical use, liquid crystal display (LCD) large screen displays, X-ray tubes, X-ray image intensifiers, electron tubes, radiation detectors, semiconductors, integrated circuits, printed circuit boards, solid state drive (SSD), integrated circuit memory cards, electronic circuits, light emitting diode (LED) displays, liquid crystal displays (LCD), liquid crystal display (LCD) projectors, computer docking stations, electronic card readers, kiosk terminal, digital signage; computers; downloadable and recorded computer programs used for processing databases; downloadable and recorded computer programs for creating searchable databases; downloadable and recorded computer programs for collecting and distributing data within computer networks, including the internet, and enabling data communication among application programs, consumer devices, and industrial devices; downloadable and recorded computer programs for information management, data collection, and data analysis in the fields of asset optimization, industrial automation, machine diagnostics, and optimization of industrial, mining, healthcare, manufacturing, and infrastructure management processes including in relation to energy, transportation, and water purification infrastructure; downloadable and recorded computer programs for remote monitoring and analysis; downloadable and recorded computer programs for application and database integration; downloadable and recorded computer programs for use in data management; downloadable and recorded computer programs for cloud computing; downloadable and recorded artificial intelligence computer programs; computer programs recorded with data analysis and its learning memory; downloadable and recorded computer programs for enabling multiple operating systems to run concurrently on a single computer; downloadable and recorded computer programs for using, monitoring, and managing multiple operating systems;
downloadable and recorded computer programs for creating, optimizing, administrating, and managing user programs
environments including operating systems and applications; downloadable and recorded computer programs for distributing
and deploying programs environments to client computers; downloadable and recorded computer programs for administrating
data in client computers and managing access to data in client computers; downloadable and recorded computer programs for
multivision processors; downloadable and recorded computer programs for data security, system protection, and wired and
wireless connectivity; downloadable and recorded computer programs with viewing, editing, and merging functions used in
multi-functional machines with photocopying, scanning, printing, and facsimile functions; downloadable and recorded
computer programs for controlling the viewing, editing, and merging functions of the aforesaid multi-functional machines;
downloadable and recorded computer programs managing print and capture related jobs on computer networks; downloadable
and recorded computer programs for project management; computer programs for use in connection with electronic machines to provide
copying, faxing, printing, and/or scanning functionality; downloadable and recorded computer programs to provide copying;
faxing, printing, and/or scanning functionality; downloadable and recorded computer programs comprising a special
supervisory and process control system, designed primarily for plant management; downloadable and recorded computer
programs for gene information analysis; hard disk drives; document printers; electrostatic copying machines; replacement parts
for electrostatic copying machines and printers; semi-conductor elements, namely, diodes, transistors, light emitting diodes
(LED), semiconductor power elements; integrated circuits; point-of-sale (POS) terminals and their replacement parts
