CASE IDENTIFIERS
Serial Number: 88813091 Application Filing Date: Feb. 27, 2020 Register: Principal Mark Type: Trademark
Publication Date: Nov. 23, 2021

MARK INFORMATION
Standard Character Claim: No Mark Drawing Type: 3 - AN ILLUSTRATION DRAWING WHICH INCLUDES WORD(S)/ LETTER(S) Description of the Mark: The mark consists of the term "EOS" appearing in a large, blocked, upper-case font. The stylized, upper case "E" is broken into 6 unequal sections by one horizontal line running through the center of the "E" and three vertical lines, each slightly to the right of the center of the "E". The three vertical lines of the "E" are all positioned at the same vertical axis creating the illusion that they are a single, continuous vertical line that disappears into the negative space of the mark. The top left and bottom right of the stylized "E" have rounded rather than sharp edges. The stylized, upper case "O" appears as a capsule shape, and lacks the empty space traditionally found in the center of a letter "O". The stylized, capsule-shaped "O" is broken into 4 equal sections by a horizontal line running through the center of the "O", and a vertical line running through the center of the "O". Other than the lines running through the "O", the stylized "O" appears as solid. The stylized, upper case "S" is broken into 6 unequal sections by one horizontal line running through the center of the "S" and three vertical lines, each running approximately through the center of the "S". The three vertical lines of the "S" are all positioned at the same vertical axis creating the illusion that they are a single, continuous vertical line that disappears into the negative space of the mark. Color Claimed: Color is not claimed as a feature of the mark.
