GOODS AND SERVICES INFORMATION
For Non-metallic building materials, namely, modular non-metal components for wind power towers in the nature of framework for building, door panels, wall panels, water-resistant boards and panels for construction; non-metal laminates, namely, glue-laminated wood; laminates of non-metallic materials for use in building, namely, non-metal pilings, non-metal building panels, non-metal building frameworks, and nonmetal pillars for building; semi-worked wood for building; wood rafters; wooden floor tiles; wood siding; non-metal modular building units, namely, non-metal materials for constructing wind power towers in the nature of framework for building, door panels, wall panels, water-resistant boards and panels for construction; modular superstructures, not of metal, namely, modular non-metal structures for wind energy generation; wood panelling; pillars, not of metal, for building; agglomerated cork for building; multi-layered wood; shaped timber; non-metallic transportable buildings; monuments, not of metal; non-metallic rigid pipes; water-pipes, not of metal
International Classes 19 - Primary Classes US Classes 1, 12, 33, 50 International Class Title Non-metallic Building Materials

For Wind-powered electricity generators; machine parts, namely, towers for wind power in wind turbines; machine parts, namely, blades for wind turbines
International Classes 7 - Primary Classes US Classes 13, 19, 21, 23, 31, 34, 35 International Class Title Machinery

For Construction services, namely construction of wind power towers, wind power plants, and modular buildings; building construction; construction of wind power plants; installation of wind power systems; maintenance and repair of wind power plants; building construction consultancy; providing construction information; services for the construction of buildings, namely, construction, mounting in the nature of installation and repair of wind turbines and component parts for wind power
towers, wind power plants, and modular buildings; consultancy and information services relating to construction, namely, consulting services and providing information in the fields of construction; installation of high tensile structures; installation of fabricated construction units

**International Classes**  37 - **Primary Classes** US Classes  100, 103, 106 **International Class Title** Construction and Repair

For Custom manufacture of prefabricated construction elements; custom manufacturing and finishing of materials, namely, custom manufacture of and applying finishes to modular components for modular buildings, transportable buildings, modular components for wind power towers, glue-laminated wood, semi-worked wood for building, modular structures for wind power towers, and materials for constructing wind power towers

**International Classes**  40 - **Primary Classes** US Classes  100, 103, 106 **International Class Title** Material Treatment

For Construction engineering services, namely, structural engineering design services; design services for high tensile structures; technical consultancy services relating to structural engineering; construction drafting; design and development of industrial products, namely, design and development of new technology for others and product design in the field of modular components for modular buildings, wind power towers, transportable buildings, modular components for wind power towers, glue-laminated wood, semi-worked wood for building, modular structures for wind power towers, and materials for constructing wind power towers; design and development of industrial products, namely, product design and development in the fields of wind power towers and wind power tower components; research and development of new goods, for others, in the field of wooden materials
