For  Photonic components and systems for use in optical communication networks, namely, optical transceivers; electronic and optical communication instruments and components, namely, optical transceivers; optical apparatus, instruments and devices for measuring, interrogating and processing optical signals, namely, optical inspection apparatus and optical signal processors; systems relying on Dense Wavelength Division Multiplexing (DWDM) optical System-on-Chip technology, namely, digital transceivers; indium phosphide-based photonic components, namely, integrated circuits; optical circuits, namely, integrated circuits; photonic integrated circuits; optical circuits with electronic circuits, namely, integrated circuits; opto-electronic integrated circuits; hybrid integrated opto-electronic circuits; monolithically integrated opto-electronic circuits; chips with photonic components, namely, semiconductors chips; optical semiconductor chips, namely, semiconductors chips; optical receivers; optical transceivers; optical transmitters; optical modulators in the nature of optical fibers; fiber-optic components, namely, optical components in the nature of optical transmitters, optical receivers, optical data links, and optical fibers; lasers for non-medical purposes; tunable lasers for non-medical purposes; optical signal detectors; high-speed optical signal detectors; optical signal sensors; optical monitoring units, namely, electronic devices for monitoring optical parameters; channel monitoring units, namely, wireless controllers to monitor optical channels; single or multi-stage Mach-Zehnder Modulators (MZM/MZI) in the nature of an optical device for controlling the amplitude of an optical wave; optical waveguide devices; arrayed waveguide gratings (AWG) in the nature of optical multiplexers; AWG multiplexers; AWG demultiplexers;
optical semiconductor amplifiers; optical multiplexers; optical demultiplexers; optical gain equalizers, namely, equalizers for use in optical networks being optical apparatus; optical attenuators for attenuating optical signals in the nature of waveguides; optical switches in the nature of an optical device that switches optical signals from one channel to another; optical network routers; electric optical power devices, namely, taps; optical signal splitters for optical apparatus; fiber-optic couplers; parts and fittings for all of the aforesaid goods

**International Classes** 9 - Primary Classes **US Classes** 21, 23, 26, 36, 38 **International Class Title** Electrical and Scientific Apparatus

**For** Manufacturing services for others of photonic integrated components, circuits and systems for use in optical communication networks; manufacturing services for others of electronic and optical communication instruments and components; manufacturing services for others of optical apparatus, instruments and devices for measuring, interrogating and processing optical signals

**International Classes** 40 - Primary Classes **US Classes** 100, 103, 106 **International Class Title** Material Treatment

**For** Consulting in the field of engineering; design, development and engineering of photonic integrated components, circuits and systems for use in optical communication networks; design, development and engineering of electronic and optical communication instruments and components; design, development and engineering of optical apparatus, instruments and devices for measuring, interrogating and processing optical signals; design and development services for packaging; engineering services in the field of opto-electronic systems, opto-electronic components, and packaging; product development and engineering services for others in the field of photonic integrated components, circuits and systems; scientific research; physics research; fiber-optic engineering research; research and development services for others in the field of photonics

GOODS AND SERVICES INFORMATION
For Portable non metallic buildings for containing electricity generating plants; non metallic posts and poles for electric power lines; coal tar; building materials, namely fly ash and building materials made of fuel waste, namely, concrete and cement aggregates
International Classes   19 - Primary Classes US Classes 1, 12, 33, 50 International Class Title Non-metallic Building Materials

For Land vehicles for the transportation of goods and rail borne vehicles in the nature of trains and light rails for the transportation of goods; vehicles and apparatus, namely, ships and boats, for transportation of cargo by water; wagons; tipping apparatus, namely, tipping bodies for trucks; vehicles incorporating apparatus for loading, namely, trucks, lorries and cranes; service trucks
International Classes   12 - Primary Classes US Classes 19, 21, 23, 31, 35, 44 International Class Title Vehicles
For printed matter and printed publications, namely, brochures, reports, letters, articles, and factsheets in the field of energy; printed educational and teaching materials in the field of energy; printed guides in the field of energy; stationery

**International Classes**: 16 - Primary Classes **US Classes**: 2, 5, 22, 23, 29, 37, 38, 50 **International Class Title**: Paper Goods and Printed Matter

For apparatus and installations for power generation, namely, power stations for generating electricity, hydro-electric and pumped hydro storage power stations for generating electricity, wind-powered power stations for generating electricity, solar-powered power stations for generating electricity, biomass-powered power stations for generating electricity, coal-powered power stations for generating electricity, gas-powered power stations for generating electricity; component parts and fittings for all the aforesaid goods

**International Classes**: 7 - Primary Classes **US Classes**: 13, 19, 21, 23, 24, 31, 34, 35 **International Class Title**: Machinery

For installations for the utilization of waste energy primarily comprising waste-to-energy machinery and devices in the nature of regenerative thermal oxidizers; component parts and fittings for all the aforesaid goods

**International Classes**: 11 - Primary Classes **US Classes**: 13, 21, 23, 24, 31, 34 **International Class Title**: Environmental Control Apparatus

For educational and training services, namely, arranging and conducting of workshops, and seminars in the field of environmental and energy efficiency matters and distribution of course materials or training materials therewith; educational and training services, namely, arranging and conducting guided educational tours of power stations and hydropower stations; educational and training services, namely, arranging and conducting of workshops, and seminars in the fields of power supply, waste management, alternative fuels, farming of fuel crops, health and safety, engineering and construction and distribution of course materials or training materials therewith; provision of visitor attractions, namely, recreational services in the nature of nature reserves; provision of visitor attractions, namely, visitor centers for recreational and educational purposes; provision of visitor attractions, namely, guided power station tours; educational and entertainment services, namely, the organization of conferences in the fields of environmental and energy efficiency matters, power supply, waste management, alternative fuels, farming of fuel crops, health and safety, engineering and construction, seminars in the fields of environmental and energy efficiency matters, power supply, waste management, alternative fuels, farming of fuel crops, health and safety, engineering and construction, exhibitions in the fields of environmental and energy efficiency matters, power supply, waste management, alternative fuels, farming of fuel crops, health and safety, engineering and construction for cultural or educational purposes, organization of sporting, cultural, and social entertainment events; entertainment and educational services in the nature of competitions in the field of entertainment, education, culture, sports; publication of printed matter and non downloadable online matter, namely, articles, magazines, reports, letters, factsheets, leaflets, posters, and videos

For chemical products for use in power generation and fuel treatment; chemical products for use in the treatment of waste

**International Classes**: 1 - Primary Classes **US Classes**: 1, 5, 6, 10, 26, 46 **International Class Title**: Chemicals
For Retail electricity provider services, namely, providing a service that allows customers to purchase energy, namely, electricity, fuels, and coal; business management of energy requirements for others; business consultancy and advisory services in the field of energy generation and the management of power plants; promoting public awareness of the need for energy efficiency and conservation; arranging, conducting and production of trade shows and exhibitions for commercial and advertising purposes; advisory, information, and consulting services related to energy usage management; advisory, information and consultancy services relating to energy efficiency; consulting services in the field of energy efficiency, namely, energy conservation management

**International Classes** 35 - Primary Classes **US Classes** 100, 101, 102 **International Class Title** Advertising and Business

For Building, repair and maintenance of power stations, power generating plants, and power supply systems; onsite construction project management services; installation, repair and maintenance of fuel wagons and transportation systems; information and advisory services related to all the aforesaid

**International Classes** 37 - Primary Classes **US Classes** 100, 103, 106 **International Class Title** Construction and Repair

For Apparatus and instruments for conducting, switching, transforming, accumulating, regulating, or controlling electricity; apparatus and instruments, namely, electric monitors and monitor modules for monitoring electricity usage, electric current, and electrical signals; fuel meters; fuel measuring and dispensing equipment in the nature of fuel measuring quantity indicators, fuel measuring devices for measuring fuel levels, fuel measuring instruments for fuel containers, and power controllers to control fuel dispensers; component parts and fittings for all the aforesaid goods

**International Classes** 9 - Primary Classes **US Classes** 21, 23, 26, 36, 38 **International Class Title** Electrical and Scientific Apparatus

For consultancy service in the nature of reviewing standards and practices to assure compliance with industrial, environmental, construction and health and safety laws and regulations

**International Classes** 45 - Primary Classes **US Classes** 100, 101 **International Class Title** Personal and legal services

For Distribution and storage of fuels; energy supply services, namely, supplying gas and electrical energy; transmission and distribution of electricity through grid networks and transmission and distribution of other energy sources, namely, of gas through pipelines; waste collection, removal and storage services; transport and delivery of fuels, fuel waste and byproducts by road, rail, water and air; information and advisory services related to all the aforesaid

**International Classes** 39 - Primary Classes **US Classes** 100, 105 **International Class Title** Transportation and Storage

For Power generation; production of energy; generation of energy from renewable sources; material treatment of biomass; water treatment services; waste treatment services; processing and refinement of fuel materials; conversion of byproducts from power stations and cooling towers and treatment of byproducts from power stations and cooling towers; information and advisory services related to all the aforesaid
Treatment

For: Fuels; fossil fuels, namely, coal and natural gas; biomass fuels; fuel gas, gaseous fuels; fuels for use in power stations; electricity from renewable sources; electrical energy; non chemical additives for fuels

International Classes: 40 - Primary Classes US Classes: 100, 103, 106

International Class Title: Material Treatment

For: Prospecting and exploiting natural fuel resources; organization of energy efficiency projects, namely, engineering services in the field of energy efficiency, design and engineering services in the field of open- and close- cycle gas turbines, design and engineering services in the field of bioenergy carbon capture use and storage, design and engineering services in the field of pumped storage hydro plants, design and engineering services in the field of biomass pellet production; scientific and technological services, namely, research and design services in the field of power plants, power supply and alternative fuels; design of energy and power systems; testing of power generating plants, pipework and transmission lines; information and advisory services relating to all the aforesaid services

International Classes: 4 - Primary Classes US Classes: 1, 6, 15

International Class Title: Lubricants and Fuels

For: Metal containers and tanks for the storage and transport of fuels; articles made of common metals for use in relation to power transmission lines, namely, bindings of common metals for power transmission lines, connectors of common metals for power transmission lines, fittings of common metals for building electricity pylons in the nature of steel structures for power transmission lines; metal pylons in the nature of reinforced beams and poles

International Classes: 6 - Primary Classes US Classes: 2, 12, 13, 14, 23, 25, 50
