**International Class Title**: Material Treatment

For computer services, namely, electronic data backup and recovery services, including data restoration services; providing temporary use of on-line non-downloadable software via a global computer network for use in connection with data and content management and analysis; providing temporary use of on-line non-downloadable software via a global computer network for use in connection with digital archiving; providing temporary use of on-line non-downloadable software via a global computer network for use in connection with compliance with legal, regulatory and business requirements and standards applicable to retention and management of data; digital archiving services in the nature of electronic storage services for archiving electronic data, namely, the capture of files and data comprising electronic data; document scanning services, namely, digitization of documents; electronic vaulting services, namely, electronic storage of files and documents; providing temporary use of non-downloadable software for use in cloud-based storage, namely, for providing backup computer programs for protection of SaaS applications, and for recovery and archiving of electronic customer data; electronic storage of data,
namely, remote online backup of electronic data; electronic storage services for archiving databases, images and other
electronic data; electronic storage of electronic media, namely, storage of data recorded on optical, digital and magnetic media;
technical consulting and computer project management services for others in the field of information technology; computer
services, namely, backup services for computer hard drive data, computer data recovery and electronic storage services for
archiving electronic data; technical support, namely, monitoring technological functions of computer network systems and
providing back-up computer programs and facilities; computer services, namely, software as a service (SaaS) services
featuring software that assists with file and application backup, file and application recovery, file and application transfer or
migration between computers, file and application restoration and file identification and inventory; installation of computer
software; updating of computer software; consultation services in the field of information technology; technological consulting
services in the field of computer hardware systems; remote computer backup services; remote online backup of electronic
computer data; testing of computer security systems, namely, testing services for others’ disaster recovery plans; electronic data
back-up services; cloud computing featuring analytics software for collecting and analyzing information, data and content to
facilitate information, data and content management; cloud computing featuring software that provides for predictive data and
content analytics, data and content processing, data analysis and visualization, and data and content mining from disparate data
sources, and for providing automated solutions to enable organizations to integrate disparate data and content; cloud
computing featuring software for use in data and content analytics, namely, for storing, managing and analyzing structured,
semi-structured and unstructured data and content and for performing advanced analysis and modeling of diverse multi-
structured data and content, building data and content software applications, and performing complex large scale analytics on
data and content; cloud computing featuring software for searching, identifying, collecting, aggregating, filtering, ranking,
processing, merging, visualizing, storing, sharing, managing, reporting and analyzing data and content in batch mode or real
time, and for enabling users to access, view, analyze, share and report data and content from multiple sources; cloud
computing featuring software for storing, querying, and sharing functionality for management of multi-dimensional data and
content sets, machine learning algorithms, predictive models, facts and dimensions, and digital traces; cloud computing
featuring software for managing machine-to-machine (M2M) and internet of things (IoT) communications and interactions;
cloud computing featuring software for use in accessing, analyzing, automating, bookmarking, collecting, displaying,
distributing, editing, identifying, indexing, integrating, linking, modifying, organizing, processing, retrieving, searching,
sharing, storing, transferring, transmitting and viewing content, data, digital assets, documents, records and information; cloud
computing featuring software for use in document management, data management, project management, organizational
management, content management and knowledge management; cloud computing featuring software for use in the field of
knowledge management to host computer application software for creating searchable databases of information, data and
content and for searching and retrieving information from databases and computer networks; cloud computing featuring
software for use in providing a document and data and content retrieval system and a document and data and content
management system; cloud computing featuring software for use in document and data and content storage, organization and
retrieval; cloud computing featuring software for archiving, aggregating and classifying content, data, databases, images,
digital assets, documents, records, information, and other electronic data; cloud computing featuring software for use in
records management; cloud computing featuring software for use in the field of searching, compiling, sorting, organizing and
interfacing data, content, information and documents; cloud computing featuring software for use in search and content
analytics; providing online non-downloadable software for use in managing organizational data and content governance;
providing online non-downloadable computer software for use in managing organizational governance, risk management, risk assessment, incident management, event identification and response management, incident investigation, case management, internal audit and control, regulatory compliance, managing policies and procedures, data collection, data management, data analysis, interpretation of data, real-time analytics, group decision-making, voting, workflow automation, process automation, reporting and security operations; cloud computing featuring software for information extraction and entity extraction from data and content; computer virus protection services, namely, virus scanning services for electronic information and transmissions; Duplication of computer programs; format conversion services, namely, conversion of CDs into digital formats, and conversion of data or documents from physical to electronic media; public document retrieval services for business and other records; document data transfer from one computer format to another; conversion of business data and documents from physical to electronic media; scanning and format conversion services, namely, electronic scanning of photographic images, artwork, and medical x-ray films; format conversion in the nature of data conversion of electronic information; data conversion of computer programs and data, not physical conversion; IT consulting and computer project management services for others in the fields of information technology, data center operations, computer programming; computer programming for others in the fields of organization, maintenance, storage, management, retention and destruction of business records, vital records, computer data, audiotapes, medical records, films, master recordings, archival materials and records; provision of disaster recovery computer facilities, namely, the leasing of computer hardware and software; computer services, namely, electronic data backup and recovery services; technical support, namely, monitoring technological functions of computer network systems, providing back-up computer programs and facilities, and troubleshooting computer software problems; providing temporary use of on-line non-downloadable software via a global computer network for use in connection with digital archiving services, namely, the capture of files and data comprising electronic data; computer services, namely, software as a service (SaaS) services featuring software for file and application backup, file and application recovery, file and application transfer or migration between computers, file and application restoration and file, application and hardware audit, identification and inventory; installation of computer software; technical support, namely, providing back-up computer programs and facilities; computer disaster recovery planning; computer data recovery services; data warehousing; providing data center services being computer co-location services in the nature of providing facilities for the location of computer servers with the equipment of others, namely, leasing space, power, cooling, infrastructure and on-site remote hands management of information technology systems; rental of space in a computer co-location facility for containerized data centers of others; providing a website featuring technology that allows users to manage the pickup, delivery, transport, and storage of goods and personal property; computer services in the nature of software escrow services, namely, providing electronic storage of data, including source code and other proprietary information for others; document data transfer services from one computer format to another of business records, vital records, computer data, medical records, films, master recordings, and archival materials and records; computer security services, namely, secure cloud back-up of computer data and computer hard drive data, computer disaster recovery planning, data replication being media duplication of data, and end-to-end data protection being computer security threat analysis for protecting data; film and sound recording services, namely, inspection of film recording discs and sound recording discs for quality control purposes; digital transfer of film and sound recordings, namely, rejuvenating film and sound recordings by means of transferring obsolete and deteriorating audio, video, and motion picture film media to multi-media digital formats

Mark Literal(s) ANFASIC DOKHOON

**REASON FOR PUBLICATION**
Published for Opposition

**MARK INFORMATION**
- Standard Character Claim: No
- Mark Drawing Type: 3 - AN ILLUSTRATION DRAWING WHICH INCLUDES WORD(S)/ LETTER(S)
- Description of the Mark: The mark consists of the stylized Arabic characters that transliterate to "ANFASIC DOKHOON", above the wording "ANFASIC DOKHOON" in stylized font. To the upper-right corner of these wordings appears the design of two splash lines and three curved lines connected around a filled circle, together resembling a flower design. The entire mark appears in purple color.
- Color Drawing: Yes
- Color Claimed: The color(s) purple is/are claimed as a feature of the mark.
- Disclaimer: THE NON-LATIN CHARACTERS IN THE MARK
- Transliteration: The non-Latin characters in the mark transliterate to ANFASIC DOKHOON, and this means breathing incense in English.

**GOODS AND SERVICES INFORMATION**

**MARK INFORMATION**

**Standard Character Claim** No

**Mark Drawing Type** 3 - AN ILLUSTRATION DRAWING WHICH INCLUDES WORD(S)/ LETTER(S)

**Description of the Mark** The mark consists of the following elements appearing on a three-dimensional configuration of a bottle with broad shoulders narrowing to the base and its cap. The center of the bottle has a panel consisting of an arch along the top with sides that are parallel to the bottle and that narrow to a flat base. The panel has a frame consisting of parallel lines that extend from the bottom of the panel to create a geometric pattern of diamond shapes with one smaller diamond shape in the center. At the top of the panel and along its sides is an intersecting geometric design. The literal element "CROWN ROYAL" is written in stylized lettering on the center of the bottle. The broken lines depicting the neck, lip, and overall shape of the bottle are not part of the mark.

- **Mark Drawing Type**: 3 - AN ILLUSTRATION DRAWING WHICH INCLUDES WORD(S)/ LETTER(S)
- **Description of the Mark**: The mark consists of the stylized wording "CHULA MARIA" in a red font and the wording "I LIKE MY CHULA" in a black font underneath the wording "CHULA MARIA," and the wording "MEXICAN GRILL & BAR" in a white font and within a green box with two white dots on each side of the wording "MEXICAN GRILL & BAR" underneath the wording "I LIKE MY CHULA". There is a female above the wording "CHULA MARIA" surrounded by a green circle, the female having a beige face and neck and legs with black and brown hair, red lips, white teeth, green and white eyes, and black eyebrows. The female is wearing a dress that is light blue at the top with a dark blue skirt with red, white, and green stripes and a black bottom border, with a red belt. The female is wearing a yellow flower with petals in shades of red in her hair, and a red and yellow sombrero on her head above the yellow flower. The female is holding two yellow tacos with red and green ingredients on a brown plate in her left hand, and her right hand being placed on her hip.
- **Color Drawing**: Yes
- **Color Claimed**: The color(s) red, yellow, black, brown, white, green, blue, and beige is/are claimed as a feature of the mark.
- **Disclaimer**: "MEXICAN GRILL & BAR" Translation: The English translation of "CHULA" in the mark is "Cute".
