GOODS AND SERVICES INFORMATION
- **For Financing and funding services, namely, financial consulting services, venture capital financing services, real estate financing services, project financing, financing of purchases, providing educational scholarships; real estate management**
  - **International Classes**: 36 - Primary Classes
  - **US Classes**: 100, 101, 102
  - **International Class Title**: Insurance and Financial

- **For Installations and apparatus for the production of energy, namely, power plants with gas and steam turbines, wind and hydropower plants, included in this class, namely, steam turbines, wind turbines and hydraulic turbines, gas turbine engines, not for land vehicles, electricity generators, steam-operated power generators, gas-operated power generators, generators for wind turbines, solar powered energy electricity generators, replacement parts for the foregoing; centrifugal machines; electric power supplies being generators; electric generators; electric motors, and their parts, not for land vehicles; electric propulsion mechanisms for water vehicles; electric azimuth thruster engines for ships; generators of electricity and power for ships fitted with electric azimuth thruster engines; diesel engines for ships fitted with electric azimuth thruster engines; mechanical equipment for oil and gas extraction, and mining extraction; pumps, compressors and blowers; machines and machine tools for the generation and distribution of energy; internal combustion motors, other than for land vehicles; turbines for power generation; compressors; equipment and machines for the automated handling of tools and workpieces; steam engine boilers**
  - **International Classes**: 7 - Primary Classes
  - **US Classes**: 13, 19, 21, 23, 24, 31, 34, 35
  - **International Class Title**: Machinery
For Apparatus for steam generating, drying, refrigerating and ventilating, and component parts and fittings therefor, namely, steam generators, refrigerating machines, air conditioning apparatus, air cooling and ventilation apparatus and instruments and structural components thereof; sanitary installations, water supply and sanitation equipment, namely, water supply systems comprised of regulating accessories for water supply in the nature of metered valves and pressure regulators for water installations, hot water tanks, waste water tanks; water purifying installations, namely, waste water purification installations; water desalinating apparatus, namely, water desalinization units; water conditioning installations, namely, installations comprised of water purification and water filtration apparatus, desalinization units, electro-static water treatment apparatus, waste water treatment tanks; steam boilers, other than parts of machines; gas boilers

International Classes 11 - Primary Classes US Classes 13, 21, 23, 24, 31, 34 International Class Title Environmental Control Apparatus

For Educational instruction, namely, providing classes, workshops and seminars in the fields of energy management, power generation, transmission and distribution, sustainable energy, energy use in industrial operations, and energy technologies; training seminars in the use and operation of power generation, transmission and distribution equipment and devices, computer hardware and computer software

International Classes 41 - Primary Classes US Classes 100, 101, 107 International Class Title Education and Entertainment

For Chemical cleaning preparations for electric and electronic apparatus, equipment, instruments and installations, namely, cleaning preparations for cleaning surfaces of electric and electronic apparatus, equipment and instruments, cleaning preparations for household and industrial use

International Classes 3 - Primary Classes US Classes 1, 4, 6, 50, 51, 52 International Class Title Cosmetics and Cleaning Preparations

For Chemicals for use in industry and science; solidified gases for industrial purposes, namely, refrigerant gas for use in industrial cooling systems, dry ice; unprocessed artificial and synthetic resins

International Classes 1 - Primary Classes US Classes 1, 5, 6, 10, 26, 46 International Class Title Chemicals

For Business management consultancy and advisory services

International Classes 35 - Primary Classes US Classes 100, 101, 102 International Class Title Advertising and Business

For Installation, assembly relating to installation, maintenance, monitoring and repair of plants, products and facilities for power generation, transmission and distribution, electrical engineering, electronics, IT and mechanical engineering, except for software; laying of cables; pipeline laying; maintenance and repair of pipelines

International Classes 37 - Primary Classes US Classes 100, 103, 106 International Class Title Construction and Repair

For Electronic control systems and units, namely, power controllers, electrical controlling devices; electronic meters, namely, electric meters, frequency meters, flow meters, vibration meters, sound level meters, energy meters for tracking and monitoring energy usage; data recording, processing, switching, data storage and output apparatus, in particular universal computers, central processing units, personal computers, work stations comprised of computer hardware, computer peripherals, computer display screens; downloadable data processing programs, in particular communications software for voice, audio,
video and data transmission, and network software; downloadable artificial intelligence and machine learning software for use in the field of energy production, transmission and distribution; downloadable web application and server software, in particular software for monitoring, analysing, controlling and operating physical world operations in power generation, transmission and distribution facilities and the use of sustainable energy in industrial operations; electric and electronic apparatus and installations for process control engineering, namely, process controllers being signal conditioning and communication devices for industrial process control in the fields of power generation, transmission and distribution and industrial automation; downloadable industrial process control software; service apparatus and machines for power stations, namely, pipe checking apparatus; devices for the non-destructive examination of materials in power plants, namely, electronic apparatus for testing compression, strength, hardness and tensile characteristics of industrial materials; electrical eddy current test equipment, ultrasonic test equipment in the nature of ultrasonic flaw detectors, electrical leakage detection hardware with embedded operating systems software; apparatus for process engineering, namely, flow meters, pressure gauges, voltage regulators, electric actuators; electric and electronic apparatus for use in analysis, including operational analysis, chromatography and X-ray analysis, namely, industrial x-ray apparatus in the nature of testing equipment for determining industrial flaws; X-ray apparatus for technical purposes; high-voltage, medium-voltage and low-voltage circuit-breakers and switchgear; electrical switch cabinets, namely, switch boxes; high-voltage direct current transmission installations, namely, high-voltage transmission systems comprised of apparatus and instruments for distributing electric current, power distributing boxes, power distribution panels, circuit breakers, switchgears, electronic monitors and monitor modules for monitoring electrical current; electric current rectifiers; electricity inverters; control engineering apparatus and equipment for switchgear and network control engineering, namely, electrical controllers; electricity transformers; power cables and lines; electronic power and torque measuring devices, namely, digital torque gauges; electronic load indicating devices, namely, electric sensors, electronic monitors, and monitor modules for monitoring electric current; solar collectors for electricity generation; emergency power supply apparatus, namely, power supplies electrotechnical and electronic control parts, namely, ceramic fuses and subassemblies consisting thereof, electric batteries; fuel cells; accumulators, electric; solar cells and solar installations formed therefrom in the nature of solar batteries; electric sensors, optical sensors; installations for the storage, distributing and transmission of energy comprised of resistors for distributing electric current, electric current switches, current converters, current transformers, fuel cells, electrical storage batteries, electric capacitors; electrolyser in the nature of fuel cells; computer hardware for storing and processing recorded data; electrotechnical and electronic measuring, signalling, counting, recording, monitoring, controlling, regulating and commutating apparatus; apparatus and instruments for regulating, accumulating and storing electricity; computer hardware and downloadable software for the operation of commercial and industrial installations, infrastructure installations, in particular for automation, energy generation and distribution, in particular all being in particular for process, product and service optimisation; solar installations, components and parts in the nature of solar cells

aforesaid goods; retail and wholesale store services, featuring tapes, walers, walls, bushings, chains, non-electric ducts, clamps,
flanges, clevis, clevis pins, retaining devices, boxes, valves, non-electric cable channels, corbels, rails and pre-fabricated
architectural columns, as well as parts and fittings for the aforesaid goods; retail and wholesale store services, featuring tools,
machines, mechanical equipment, mechanical apparatus, electric apparatus, hydraulic apparatus, pneumatic apparatus,
mechanical implements, pneumatic implements, hydraulic implements, electric implements, wrenches, motors, engines,
machine coupling components and machine transmission components, as well as parts and fittings for the aforesaid goods;
retail and wholesale store services, featuring pumps, compressors, generators, lifting equipment, hoisting equipment, presses,
robots, elevators, cranes, winches, reels, platforms, jacks, rams, draining devices, ventilation devices, drilling bits, adaptors for
drilling rods, hydraulic controls, pneumatic controls and dampers, as well as parts and fittings for the aforesaid goods; retail
and wholesale store services, featuring hand implements, hand-operated appliances and hand drills, as well as parts and fittings
for the aforesaid goods; retail and wholesale store services, featuring scientific, research, navigation, surveying, photographic,
cinematographic, audiovisual, optical, weighing, measuring, signalling, detecting, testing, inspecting, life-saving and teaching
apparatus and instruments, as well as parts and fittings for the aforesaid goods; retail and wholesale store services, featuring apparatus
and instruments for conducting, switching, transforming, accumulating, regulating or controlling the distribution or
use of electricity, as well as parts and fittings for the aforesaid goods; retail and wholesale store services, featuring apparatus
and instruments for capturing, recording, transmitting, receiving, reproducing or processing sound, images or data, as well as
parts and fittings for the aforesaid goods; retail and wholesale store services, featuring electric power supply units, solar
panels, recorded media, downloadable media, blank recording media, blank storage media, recorded data files, computer
software, computers, computer hardware, computer peripherals, monitor screens, touch screens, data processing equipment,
calculating devices, electronic chips and computer chips, as well as parts and fittings for the aforesaid goods; retail and
wholesale store services, featuring information technology devices, audio-visual devices, multimedia devices, photographic
devices, multiplexers, mobile data apparatus, mobile phones, cameras, video cameras, digital cameras, safety devices and equipment, security devices and equipment, protection devices and equipment and signalling devices and equipment, as well as parts and fittings for the aforesaid goods; retail and wholesale store services, featuring measuring, detecting and monitoring instruments, devices, appliances, indicators and controllers, as well as parts and fittings for the aforesaid goods; retail and wholesale store services, featuring optical apparatus, electronic apparatus, electronic control apparatus, electronic control units, electronic control systems, gauges, quality control devices, testing apparatus, diagnostic apparatus, sensors, remote control apparatus, electric cables, data cables, cable connectors, electronic connectors, electric wires, laser scanners, modems and radar apparatus, as well as parts and fittings for the aforesaid goods; retail and wholesale store services, featuring protective clothing for protection against accident or injury, safety clothing for protection against accident or injury, protective shoes, protective helmets, eyeglasses, safety glasses for protecting the eyes, sun glasses, electric cable channels, simulators, optical devices, optical enhancers, optical correctors, borescopes, magnets, seismographs and load cells, as well as parts and fittings for the aforesaid goods; retail and wholesale store services, featuring seals, sealants, fillers, O-rings, sealing materials, sealing tapes, insulating materials, insulating tapes, damping materials, vibration dampers, barrier materials, stopping materials, waterproofing articles and materials, moisture proofing articles and materials, anti-corrosion tapes, anti-corrosion films, adhesive tapes and adhesive films, as well as parts and fittings for the aforesaid goods; retail and wholesale store services, featuring packing materials, shock-absorbing materials, coatings for protection against corrosion, UV radiation, contamination, fire and explosions, covers for protection against corrosion, UV radiation, contamination, fire and explosions and jacketing for protection against corrosion, UV radiation, contamination, fire and explosions, as well as parts and fittings for the aforesaid goods; retail and wholesale store services, featuring pipe nozzles, tube nozzles, hose nozzles, resins, semi-finished resins, elastic yarns, synthetic polymers, synthetic fibres, plastics, latex, gutta-percha, rubber, butyl rubber, asbestos, mica, goods made of latex, goods made of gutta-percha, goods made of rubber, goods made of asbestos, goods made of mica, as well as parts and fittings for the aforesaid goods; retail and wholesale store services, featuring unprocessed and semi-processed rubber, gutta-percha, gum, asbestos, mica and substitutes for all these materials, as well as parts and fittings for the aforesaid goods; retail and wholesale store services, featuring panels, mounting brackets, mats, erosion control mats, erosion control sheeting, erosion control fabric, geotextiles, asphalt, pitch, tar, bitumen, grout, grouting compounds, cement, cementitious compounds, concrete, mortar, clay, stone and artificial stone, as well as parts and fittings for the aforesaid goods; hire, rental and leasing of goods associated with the provision of all the aforesaid services; consultancy and information services relating to all the aforesaid services.

For  Construction, namely, installation, repair and maintenance of elevators, platformlifts, passenger lifts, automatic elevator doors, stairlifts, homelifts, mechanical escalators, mechanical moving walkways, passenger boarding bridges, visual docking guidance systems for airports, aircraft ground support systems connectable to passenger boarding bridges; installation of elevators, platformlifts, passenger lifts, automatic elevator doors, stairlifts, homelifts, mechanical escalators, mechanical moving walkways, passenger boarding bridges, visual docking guidance systems for airports, aircraft ground support systems connectable to passenger boarding bridges; repair, maintenance and renovation of elevators, platformlifts, passenger lifts, automatic elevator doors, stairlifts, homelifts, mechanical escalators, mechanical moving walkways, passenger boarding bridges, visual docking guidance systems for airports, aircraft ground support equipment connectable to passenger boarding
Apparatus for recording, transmission and reproduction of sound and images; computers; electrical and electronic installations and apparatus for the automation of technology, namely, industrial automation controls; interactive controls and remote controls for the control, signal distribution, monitoring and visualisation of technological infrastructure, namely, industrial automation controls; electrical and electronic installations controlled by mobile apps, namely, industrial automation controls; electrical and electronic devices for recording and controlling visitor streams, namely, secure digital (SD) card readers, cameras, light barriers motion sensitive security lights, people counter in the nature of electronic devices for counting the number of people that pass through a gate or reside in a given area, face electronic recognition security devices; electronic control systems comprised of secure digital (SD) card readers for people counting and recognition access authorization; electrical, electronic and electro-optical sensors for motion, weight, quantity, material detection, motion streams/flow detection; optical, acoustic, thermos electrical sensors for controlling motors; optical, acoustic, thermos electrical sensors for system control; electronic, optical, thermos electrical motion detectors; electronic card readers; chip card management systems comprised of electronic card readers, magnetically encoded identification cards and data processing readers being electronic card readers; virtual reality glasses; augmented reality glasses; all the aforementioned goods relating to elevators, platform lifts, passenger lifts, stairlifts, homelifts, mechanical escalators, mechanical moving walkways, passenger boarding bridges, visual docking guidance systems for airports and aircraft ground support equipment connectable to passenger boarding bridges; downloadable computer software and mobile applications for the control, maintenance, monitoring and optimisation of utilisation, monitoring of safety functions and detection and reporting of hazardous situations in relation to elevators, platform lifts, lifting platforms for people, stairlifts, homelifts, mechanical escalators, mechanical moving walkways, passenger boarding bridges; downloadable computer software and mobile apps for the processing and evaluation of messages in the field of time recording, identification of persons, building automation, lighting control, climate control in relation to elevators, platform lifts, lifting platforms for persons, mechanical escalators, mechanical moving walkways, passenger boarding bridges; downloadable computer software and mobile apps for telecommunications services, namely, the transmission of voice, data, graphics, sound and video via broadband and wireless networks for elevator monitoring and control, for the provision of information and entertainment in elevator cabins and for enabling emergency calls from elevator cabins; downloadable computer software and mobile apps for database management relating to elevators, platform lifts, passenger lifts, stairlifts, homelifts, mechanical escalators, mechanical moving walkways, passenger boarding bridges and aircraft ground support equipment connectable to passenger boarding bridges for virtual reality glasses and augmented reality glasses; visual docking guidance systems comprised of downloadable software for controlling elevators, lifts, passenger boarding bridges for airports; downloadable computer software and mobile apps for controlling and maintaining visual docking guidance systems for airports; downloadable computer software and mobile apps for controlling and maintaining aircraft ground support equipment connectable to passenger boarding bridges
