MARK INFORMATION
Standard Character Claim No Mark Drawing Type 2 - AN ILLUSTRATION DRAWING WITHOUT ANY WORDS( )/ LETTER(S) Description of the Mark The mark consists of a cowboy with a tie wearing a hat. The hat is a large brimmed hat with stitching along the edge of the entire brim. This stitching is in a zigzag pattern. The center of the hat rises from the man's head and near the top of the center of the hat, there are two slightly curved, slanting lines that indicate an indentation on the hat. Additionally, the bottom of the center of the hat has a pattern that curves into the center from the left and then rises shortly and makes three consecutive, rounded points on the center of the hat. This pattern then continues to the right edge of the center of the hat in a slightly curved, horizontal line. The hat creates a darkened area that portrays a silhouette covering the area where the man's eyes would be located. The man has a short mustache above his mouth. This mustache is divided into two halves, with a small space in the middle to separate the halves. On the shoulder of the man's shirt, there is another small, zigzag stitching pattern. The man is wearing a tie that comes out of his neck area and is located beneath his chin. Upon this tie, there is the design of a baseball at the bottom center of the tie.
