GOODS AND SERVICES INFORMATION
For Elastomer materials for medical use, namely, plastic material for relining and repair of artificial implants and medical, surgical and orthopaedic implants made of artificial materials; orthopaedic articles in the nature of artificial surgical implants; artificial surgical implants made of elastomers, silicones, silicone rubber and silicone elastomers; teats for use with feeding baby bottles
International Classes 10 - Primary Classes US Classes 26, 39, 44 International Class Title Medical Apparatus
For Structural parts and body panels for vehicles, not included in other classes; parts and fittings of elastomeric materials, silicones, silicone rubber and silicone elastomers for vehicles, namely, exterior and interior plastic extruded decorative and protective trim; vehicles parts for the interior trim, namely, automotive interior plastic extruded decorative and protective trim
International Classes 12 - Primary Classes US Classes 19, 21, 23, 31, 35, 44 International Class Title Vehicles
For Machines and machine tools for processing and production of plastic materials, silicone materials, silicones, silicone rubber or silicone elastomers; industrial robots; industrial robots for processing plastics; industrial robots for moulding plastics; industrial robots being machine tools; plastic jet, extrusion and injection moulding machines and parts therefor, not included in other classes; injection moulding machines, plastic injection moulding machines and extrusion moulding machines, and parts therefor, not included in other classes; machines for machining plastics, namely, cutting and forming of plastic materials; plastic and silicone material surface treatment machines; machine parts in the nature of tool inserts and moulds for injection moulding machines, plastics injection moulding machines and extrusion moulding machines; machine parts in the nature of tool holders and tool inserts for injection and extrusion moulding machines
International Classes 7 - Primary Classes US Classes 13, 19, 21, 23, 24, 31, 34, 35 International Class Title Machinery

For Unprocessed plastics; unprocessed plastics in the form of granules; unprocessed plastics, namely, elastomers, silicones, silicone elastomers

International Classes 1 - Primary Classes US Classes 1, 5, 6, 10, 26, 46 International Class Title Chemicals

For Installation, maintenance and repair of machines and machine tools for processing and working plastics; installation of machine tools and robots for processing and production of plastic materials, silicone materials, silicones, silicone rubber or silicone elastomers, namely, assembling of machinery

International Classes 37 - Primary Classes US Classes 100, 103, 106 International Class Title Construction and Repair

For Downloadable software for operating and monitoring of industrial robots, machines and machine tools in the field of processing and production of plastic materials, silicone materials, silicones, silicone rubber or silicone elastomers; downloadable industrial software and machining software for operating and monitoring of industrial robots, machines and machine tools in the field of processing and production of plastic materials, silicone materials, silicones, silicone rubber or silicone elastomers; downloadable computer programs and downloadable software for developing machine tools; detection and monitoring devices, namely, sensors for monitoring and controlling function of machine tools not being parts of machines or machine tools; electronic and electrical controls and voltage regulators for machine tools not being parts of machines or machine tools

International Classes 9 - Primary Classes US Classes 21, 23, 26, 36, 38 International Class Title Electrical and Scientific Apparatus

For Custom manufacturing of molds for use in industry; processing of plastics; custom contract manufacturing of plastic parts; processing and machining of plastic parts for others; moulding of synthetic products in the nature of parts; processing of plastics, namely shaping of plastics; processing of plastics, namely shaping of plastics in the nature of injection moulding; treatment of materials by vulcanization, namely, coating of metal surfaces, plastic surfaces and fabrics; providing of information relating to processing of plastic material; rental of industrial robots and machine tools for use in processing and manufacturing plastic goods and elastomer goods; rental of industrial robots and machine tools for use in processing and manufacturing plastic goods for medical use and elastomer goods for medical use

International Classes 40 - Primary Classes US Classes 100, 103, 106 International Class Title Material Treatment

For Semi-processed plastic substances in the nature of goods made of plastics; semi-processed plastic substances in the nature of goods made of elastomers, silicones, silicone rubber or silicone elastomers; non-metallic flexible pipes, tubes, hoses and non-metal fittings for non-metallic flexible pipes, including valves of rubber; seals in the nature of nonmetal sealing rings for use as connection seals; silicone-based sealants and expansion joint fillers; packing and insulating material; semi-processed plastic substances in the nature of goods made of compound plastics; semi-processed plastic substances in the nature of goods made of compound plastics, namely, of elastomers, silicones, silicone rubber or silicone elastomers; silicone rubber
For Technological services in the nature of advice in the field of machine engineering analysis and plastics technology; industrial analysis and research services in the field of plastics technology; research of technology in the field of plastics and technical consultancy in the field of plastics technology; research in the field of mechanical engineering; engineering services in mechanical engineering; engineering services relating to the design of tools for injection moulding machines, plastic injection moulding machines and extrusion machines; computer-aided design of plastic parts and plastic moulds; development services concerning new products for third parties; computer-aided design services; design and testing of new products; testing for new product development in the nature of analysis of product development; quality control for others

**International Classes** 17 - Primary Classes US Classes 1, 5, 12, 13, 35, 50 **International Class Title** Rubber Goods

- **Standard Character Claim**: No
- **Mark Drawing Type**: 3 - An illustration drawing which includes word(s)/letter(s)
- **Description of the Mark**: The mark consists of a three-dimensional configuration of a bottle featuring a small label beneath the cap featuring a repeating pattern of stalks of grain and tractors, all above a large label around the center of the bottle with a jagged upper and lower edge, and the large stylized wording "ZUREK ZYTNI WÓDKA" each of which is printed on its own horizontal axis, with a design of a tractor between the wording "ZYTNI" and "WÓDKA" and a half design of a stalk of grain appears on the left side of the label. Beneath the aforementioned wording and designs are three plain horizontal lines around the label, with two vertical lines running down from the third horizontal line to the bottom edge of the label, with one thin horizontal line between the two vertical lines and two thin horizontal lines running out of the vertical line on the right. The dotted lines depicting the outline of the bottle represent placement of the mark on the goods and are not claimed as a feature of the mark.

**Disclaimer**: "ZYTNI WÓDKA" and THE SHAPE OF THE BOTTLE

**Translation**: The English translation of "ZYTNI WÓDKA" in the mark is "rye vodka".
