Publication Date Aug. 09, 2022

Mark Information
Standard Character Claim No
Mark Drawing Type 3 - AN ILLUSTRATION DRAWING WHICH INCLUDES
Word(s)/ Letter(s) Description of the Mark The mark consists of the word "GHOST" in all capital letters in
stylized text. The text is arced slightly upward and positioned in the center top of the mark. The text is styled with
additional lines slightly offset to the letters in order to display 3-dimensional depth. There is additional text below the
word "GHOST" that read the words "BREWING COMPANY" in the same stylized text as "GHOST". "BREWING
COMPANY" is arced slightly upward as well. "BREWING COMPANY" is shown as smaller text than "GHOST". In the
center of the mark there is a spade shape outlined with a thin line and then a thicker line inside of the shape. Inside the
spade is a circle. The circle is located toward the upper center part of the spade. The circle has a border that has smaller
circles around its circumference. Inside the circle is a sketch of a person's right eye. The eye is open and includes eyelashes
on the upper and lower borders. The outside of the eye has close lines to show the shadow created by the eyelids. Below
the circle containing the eye is branching leaves that end in 3 hops off the bottom. The branching leaves touch the bottom
of the circle's border. The branching leaves also stretch outward to the left and right where they end in curling shapes. The
branching leaves also contain lines that are placed to show shadows. The hops hanging from these leaves are positioned so
that the largest is in the middle and hanging slightly to the right. The middle hop also overlaps the other two hops. The
right most hop is at about a 45-degree angle pointing to the bottom right. The left hop is about the same size as the one on
the right. The left hop is angled left but is pointing more downward than the right hop. The hops are drawn with their
individual leaves. The middle hop shows 12 full leaves. The right hop shows 15 leaves. The left hop shows 10 leaves.
Inside the rest of the spade is 3 sets of branching leaves that are similar to the ones that connect to the hops. These
branching leaves are larger than the ones that are connected to the hops. There are 2 identical set of branching leaves to the
left and right of the circle/hops. These are shown in swirling designs and are mirrored to its identical counterpart. The
third set of branching leaves is above the circle. This set of leaves appears to stretch to the left and then downward. The
end of the branch is a swirl that curls toward the center of the leaves. To the left and right of the spade is grain branches.
There is one branch on each side of the spade that splits into two stalks that resemble wheat. The grain branches start at
the bottom of the spade and stretch out away from the center of the spade and curl upward along the side of the spade. The
The text contains a detailed description of a design featuring a spade, a sun, and a moon with associated decorative elements. The text also provides goods and services information about "GHOST BREWING COMPANY," including class filings for shirts and beer, and a brief biography of the owner. The legal entity is a limited liability company located in New York.
