International Classes 16 - Primary Classes US Classes 2, 5, 22, 23, 29, 37, 38, 50 International Class Title Paper Goods and Printed Matter
For Electronic devices, namely, electrical and electronic power supplies; electric transformers; [ holders for electric coils; chargers for electric batteries; electric coils; ] transmitters of electronic signals; electronic and electrical devices as components for industrial automation controls; modems; switching apparatus, namely, switched power supply, unswitched power supply, switched and unswitched power supplies, rail power supply unit with primary switched mode, switching devices, electronic switches for switching, electric and electrical switches, electric and electrical switch housings, primary switched converter, rail power supply unit with primary-switched mode, DC-DC converter with primary switched mode for industrial automation
purposes; computer software for controlling and managing access server applications; remote control of signals, namely, remote control of signals in the field of measurement, control and feedback control systems in the field of industrial automation controls; circuit breakers; electronic switches, namely, Ethernet switches; computer data networks, namely, wired computer data networks consisting of computers and electronic and electrical devices as components for industrial automation controls and LAN (local area network) hardware; computer data networks, namely, wireless computer data networks consisting of mobile computing and operating platforms consisting of data transceivers, wireless networks and gateways for collection and management of data and LAN (local area network) access points for connecting network computer users and LAN (local area network) hardware; local area network operating software, namely, communications software for connecting computer network users and global computer networks and LAN (local area network) operating software and network access server operating software and computer network design and computer software designs for industrial automation and remote computer network technical monitoring and software maintenance services; global computer network software, namely, communications software for connecting computer network users and global computer networks and LAN (local area network) operating software and network access server operating software and computer network design and computer software design and remote computer network technical monitoring and software maintenance services for industrial automation; network components, namely, network routers; adapter, namely, cable, assembly adapter, adapter for assembling power supply units; fan, namely, fan for power supply; connection via pin cable lug; electric connections and connectors and electrical plug devices enabling connection and disconnection of power and/or control cables for industrial automation; electronic components for industrial computers, industrial network infrastructure components, network I/O wireless components, and components for input and outputs for industrial automation; industrial computers, industrial network infrastructure devices, network I/O wireless devices, devices for inputs and outputs for industrial automation for converting signals, for signal and data transmission, and programmable automation apparatus, namely, power supply for signal conversion and signal and data transmission for industrial automation via telecommunication systems and data communication systems; apparatus and instruments for electrical engineering in the field of power engineering for conducting, transforming, storing, regulation, and control of apparatus and instruments for conveying, distributing, transforming, storing, regulating or controlling electricity; apparatus and instruments for electrical engineering, namely, for communications, high frequency and control engineering, for apparatus and instruments for regulating and controlling electric current; high frequency and control engineering of apparatus and instruments for conducting, distributing, converting, storing, regulation or controlling electricity, namely, apparatus and instruments for regulating and controlling electricity; data processing apparatus, namely, apparatus and instruments for regulating and controlling electric current for signal processing and visualization, namely, data-processing equipment and computers; electric junction boxes; electric connection boxes, namely, electric junction boxes for connecting and joining electrical cables; electric display apparatus, namely, electric control panels and electric luminescent display panels; electric measuring devices, namely, electronic-based instruments for measuring the industrial process control parameters used in the field of industrial automation controls; electric relays; electric resistances; electric voltage transformers and current converters; electrical terminals in the nature of electric connections and connectors for connecting and joining electrical cables, namely, terminal blocks, two-tier terminals, lead-through terminals, high current terminals, installation terminals, switchable terminals, earthed conductor lead binders, fuse terminals, universal terminals, tension spring terminals and terminals for attaching to mounting rails; electronic testing equipment namely, test connectors for testing electronic circuits and short circuit connectors for electronic circuits; accessories in the nature of adapter, assembly adapter, adapter for assembling power
supply units, fan, fan for power supply, connection via pin cable lug, cable for bridging electrical terminals, namely, electrical
jumpers and electrical bypasses; accessories in the nature of copper conductors, optical fibres, adapter, assembly adapter,
adapter for assembling power supply units, fan, fan for power supply, connection via pin cable lug, cable for marking,
stamping, labeling and branding electrical terminals used in a production or assembly line; accessories and materials for
marking electric terminals, namely, cable and wire marking labels, marker strips, cards with self-adhesive marker,
labeling tubes and sleeves, labels, cable markers made of steel, shrink tubings, printers, thermal transfer printers, pens for
marking, stamping, labeling, and branding electrical terminals used in a production or assembly line; ] electrical and/or
electronic distributors and/or distribution circuits, namely, distributors, manifolds, dividers, splitters, and terminal blocks for
switching circuits and electrical circuits; hubs, namely, computer network hubs, switches and routers; [ electronic indicators,
namely, electronic indicator boards and panels; electrical components, namely, data processing equipment for signal
processing and visualization and computers for the remote control and diagnosis of industrial work processes; electrical
components, namely, data processing equipment for signal processing and visualization and computers for the diagnosis of
industrial work processes; enclosures, namely, box housings made of plastic for housing electrical and electronic components
in the field of industrial automation controls; downloadable electronic publications in the nature of manuals and technical
information in the field of industrial automation;] measuring instruments, namely, electronic-based instruments for measuring
the industrial process control parameters used in the field of industrial automation controls; transmitters and receivers of
electronic signals, namely, electronic transmitters and receivers used for industrial automation controls; electric converters;
electrical monitoring apparatus, namely, electronic monitors and monitor modules for monitoring electric current and electrical
signals and for monitoring process flow in the nature of industrial process control electrical distribution boxes; electrical
distribution boards, namely, electrical circuits boards

For Pastes and other adhesives for stationery or household purposes; addressing machines; ink ribbons; automatic stamp affixing machines, namely, postage meters for office use; electric staplers for offices; envelope sealing machines for offices; drawing instruments; typewriters; checkwriters, namely, office check writing machines; mimeographs; relief duplicators, namely, duplicating machines; paper shredders for office use; franking machines; rotary duplicators; ink ribbon cartridges; ink ribbons and ink ribbon cartridges for computer printers; ink ribbons and ink ribbon cartridges for hand-held label printers; stationery; wrapping paper; industrial packaging containers of paper; paper and cardboard; hygienic hand towels of paper; towels of paper; table napkins of paper; hand towels of paper; handkerchiefs of paper; baggage tags; printed matter, namely, geographical maps, calendars and posters; printed matter, namely, geographical maps, calendars and posters; printed photographs; photograph stands; iron-on heat transfer paper sheets

**International Classes** 16 - Primary Classes **US Classes** 2, 5, 22, 23, 29, 37, 38, 50 **International Class Title** Paper Goods and Printed Matter

For Crushing machines for industrial purposes; cutting machines; industrial robots; agitators for chemical processing; mixers, namely, mixing machines; kneading machines for industrial purposes; high pressure washers; metalworking machines and tools, namely, boring, cutting and grinding machines; power driven polishers, wrenches and grinders; mining machines and apparatus, namely, mineworking machines; construction machines and apparatus, namely, power shovels, bulldozers, concrete mixers, asphalt paving machines; loading-unloading machines and apparatus; industrial fishing machines, namely, net hauling machines; chemical processing machines and apparatus, namely, blending machines and filtering machines; mixing machines for use in the manufacture of pharmaceuticals; machines for manufacturing pharmaceutics as well as their parts and fittings as far as included in this class; textile calendaring, bonding and tenting machines and apparatus; food and beverage processing machines and apparatus, namely, electric food processors, apparatus for aerating beverages; lumbering, woodworking, and veneer or plywood making machines and apparatus as far as included in this class, namely, saw machines, wood planing machines, plywood presses; pulp making, papermaking or paper-working machines and apparatus; printing and bookbinding machines and apparatus; glassware manufacturing machines and apparatus; painting machines and apparatus; packaging or wrapping machines and apparatus; plastic processing machines and apparatus; semiconductor manufacturing machines and systems; machines and mechanical systems for inserting electronic components into printed boards automatically; electronic component manufacturing machines and mechanical systems; electronic component assembling machines and mechanical systems; electronic circuit assembling machines and mechanical systems; machines and apparatus for manufacturing rubber goods; stone working machines and apparatus; vehicle washing installations; food mixing machines
for commercial use; food peeling machines for commercial use; food cutting, chopping and slicing machines for commercial use; dishwashers; machines and apparatus for wax-polishing, electric; lawnmowers; waste compacting machines and apparatus for industrial purposes; waste crushing machines for industrial purposes; electric food blenders for household purposes; agricultural machines and agricultural implements, other than hand-operated, namely, harvesters, pumps for use in irrigation systems, fertilizer spreaders, agricultural chemical spreaders, seed drills, weeding machines, unmanned combines, power-operated cultivators, rice polishing machines, threshing machines, conveying machines for cereal grain, millet drying machines, harvest sorting machines, harvest cleaning machines, mowing machines, agricultural seed planting machines; non-electric prime movers, namely, engines and turbines, not for land vehicles; parts of non-electric prime movers, namely, igniting devices for internal combustion engines, starters for motors and engines, control mechanisms for engines or motors, cooling radiators for motors and engines, kick starters for motorcycles; mufflers for motors and engines; structural parts and fittings of mufflers for motors and engines; pneumatic or hydraulic machines and instruments, namely, pneumatic door openers, hydraulic window closers, hydraulic door closers, pneumatic door closers; adhesive tape dispensing machines; automatic stamping machines; laundry washing machines; machine elements, not for land vehicles, namely, clutches not for land vehicles, transmissions not for land vehicles, regulators being parts of machines, springs being parts of machines, transmissions for machines, brake linings not for land vehicles, brake shoes not for land vehicles, brake segments not for land vehicles, torque converters not for land vehicles; curtain drawing devices electrically operated; electric door openers; 3D printers; starters for motors and engines; current generators; motors, electric, other than for land vehicles; starters for automobile engines; actuators for valves, namely, hydraulic linear actuators for valves, hydraulic valve actuators for valves, pneumatic linear actuators for valves, pneumatic valve actuators for valves; linear actuators; linear motors

**International Classes**  7 - Primary Classes **US Classes**  13, 19, 21, 23, 31, 34, 35  **International Class Title**  Machinery

**For**  Firearms; ammunition; gunpowder; explosive powders; pyrotechnic products, namely, pyrotechnic charges; cartridges for pyrotechnic products; weapons, namely, tanks

**International Classes**  13 - Primary Classes **US Classes**  2, 9  **International Class Title**  Firearms

**For**  Containers, not of metal or paper, for storage or transport; containers for transport, not of metal; industrial packaging containers of wood, bamboo or plastics; cushions; pillows; mattresses; Japanese floor cushions (Zabuton); nameplates and door nameplates, not of metal; tool boxes, not of metal, empty; picture frames; poles, not of metal; rice hulls

**International Classes**  20 - Primary Classes **US Classes**  2, 13, 22, 25, 32, 50  **International Class Title**  Furniture and Articles Not Otherwise Classified

**For**  Sanitary apparatus and installations, namely, vanity top sinks; toilet bowls and seats sold as a unit; prefabricated bathroom installations sold as a unit, namely, bathtub enclosures; toilet stool units with a washing water squirter; disinfectant dispensers for toilets; toilet bowls; seats for use with Japanese style toilet bowls; bath fittings, namely, bathtubs; desiccating apparatus, namely, desiccating units for producing dried fruits; drying apparatus for use in heating, ventilation systems, air conditioning systems and refrigeration systems; drying apparatus for chemical processing; recuperators for chemical processing; steamers for chemical processing; evaporators for chemical processing; distillation apparatus for chemical processing not for scientific purposes; heat exchangers for chemical processing; chromatography columns for industrial purposes; structural parts of chromatography columns for industrial purposes; chromatography apparatus for industrial purposes; structural parts and fittings of chromatography apparatus for industrial purposes; milk sterilizers; ice-cream making
machines for industrial purposes; bread-making machines for industrial purposes; drying apparatus for harvest, namely, fodder and forage; forage drying apparatus; towel steamers for hairdressing purposes; hair drying machines for beauty salon use; hair steamers for beauty salon use; shampoo basins being parts of sanitary installations for barbers' shop use; dish drying machines being electric dish dryers for commercial use; dish disinfectant apparatus for commercial use; kitchen sinks for commercial use; household electrothermic appliances, namely, thermal immersion circulators for cooking, electric blankets not for medical purposes, electrically-heated carpets and electric kettles; heat exchangers, other than parts of machines; industrial furnaces; atomic piles, namely, nuclear reactors; industrial boilers and heating boilers, other than parts of non-electric prime movers or engines; air conditioners for industrial purposes; air conditioners for vehicles; structural parts and fittings of air conditioners for vehicles; ventilation, namely, air-conditioning installations for vehicles; structural parts and fittings of ventilation in the nature of air-conditioning installations for vehicles; defrosters being defrosting apparatus for vehicles; structural parts and fittings of defrosters for vehicles; freezing machines and apparatus for industrial purposes, namely, electric freezers for industrial purposes; waste water treatment tanks for industrial purposes; septic tanks for industrial purposes; garbage incinerators; gas water heaters for household purposes; electric lamps and other lighting apparatus, namely, lighting installations, LED light assemblies for street lights, signs, commercial lighting, automobiles, buildings and for other architectural use; light bulbs for directional signals for vehicles; lights for vehicles; anti-dazzle devices for vehicles being lamp fittings, namely, fitted anti-dazzle devices for automobile headlamps; non-electric cooking heaters for household purposes, namely, gas stoves; kitchen sinks for household purposes; household tap-water filters; cooking stoves for household purposes, non-electric; chromatography columns for industrial pharmaceutical manufacturing purposes

International Classes  11 - Primary Classes  US Classes  13, 21, 23, 31, 34  International Class Title
Environmental Control Apparatus

For  Educational services relating to operation of computers, namely, providing on-line classes and seminars in the field of operation of computers; educational services relating to computers and computer software, namely, providing on-line classes and seminars in the field of computers and computer software; educational services utilizing computer terminals, namely, providing on-line classes and seminars in the field of computers and computer software; entertainment information; movie theatre presentations and movie film production and distribution; presentation of live show performances; direction or presentation of plays; presentation of musical performances; entertainment services, namely, providing non-downloadable prerecorded music, and ringtones via a global computer network; organization, arranging and conducting of sports competitions; organization of social entertainment events excluding movies, shows, plays, musical performances, sports, horse races, bicycle races, boat races and auto races; organization, arranging and conducting of auto races; providing amusement facilities; arranging, conducting and organization of seminars in the field of business leadership; providing non-downloadable electronic publications in the nature of books in the field of electronic engineering; providing non-downloadable electronic publications in the nature of magazines in the field of game software; providing non-downloadable electronic publications in the nature of geographical maps; services of reference libraries for literature and documentary records; book rental; provision of on-line informational texts relating to science and technology, not downloadable, for educational purposes; art exhibitions; organization of exhibition of documents and materials relating to industry, natural science, construction, architecture and machinery for educational purposes; organization of exhibition of academic documents and materials for educational and cultural purposes; providing sports facilities; providing facilities for movies, shows, plays, music or educational training; rental of television sets; rental of radio sets; rental of audio devices, video cameras and video cassette recorders
**International Classes**  41 - Primary Classes **US Classes**  100, 101, 107 **International Class Title**  Education and Entertainment

**For**  Paint stripping preparations; polishing preparations; toilet soaps, bath soaps, laundry detergents and dish detergents; dentifrices; cosmetics; aromatic oils; perfume and perfume oils for the manufacture of cosmetic preparations; incense

**International Classes**  3 - Primary Classes **US Classes**  1, 4, 6, 50, 51, 52 **International Class Title**  Cosmetics and Cleaning Preparations

**For**  Industrial chemicals; ceramic glazings in the nature of a dry chemical preparation for use in the manufacture of ceramics; lithium; cerium; neodymium; praseodymium; industrial non-metallic minerals being industrial chemicals other than purposes of building or construction; chemical compositions for developing, printing and enlarging photographs; reagent paper not for medical purposes; paper pulp

**International Classes**  1 - Primary Classes **US Classes**  1, 5, 6, 10, 26, 46 **International Class Title**  Chemicals

**For**  Business management analysis; business consultancy; market analysis and research services; providing business information concerning commercial sales; business management services; [ preparation, auditing and attesting of financial statements; ] employment agencies; import-export agencies; document reproduction; compilation of information into computer databases; office functions, namely, filing, in particular documents or magnetic tapes; providing business management assistance to others in the operation of data processing apparatus, namely, computers, typewriters, [ data processing machines ] * telex * and other similar office machines; providing employment information; retail services and wholesale store services for automobiles and parts and fittings therefor; retail store services and wholesale store services for electrical machinery and apparatuses; retail store services and wholesale store services for printed matter; retail store services and wholesale store services for paper and stationery; retail store services and wholesale store services for sports goods; retail store services and wholesale store services for toys, dolls, game machines and apparatus; retail store services and wholesale store services for parts and fittings of measuring or testing machines and instruments; retail store services and wholesale store services for measuring or testing machines and instruments; retail store services and wholesale store services for parts and fittings of medical machines and apparatus; retail store services and wholesale store services for parts and fittings of kerosene fan heaters; retail store services and wholesale store services for aspheric glass lenses used for optical communication; retail store services and wholesale store services for parts and fittings of air conditioners; retail store services and wholesale store services for vehicle-mounted devices for electronic toll collection; information processing by means of computers, namely, compilation of information into computer databases

**International Classes**  35 - Primary Classes **US Classes**  100, 101, 102 **International Class Title**  Advertising and Business

**For**  Machinery installation; telecommunication wiring; building construction; repair of buildings; vehicle repair services; vehicle breakdown repair services; vehicle maintenance; vehicle cleaning; anti-rust treatment for vehicles; shipbuilding; repair or maintenance of vessels; repair or maintenance of air vehicles; repair of bicycles; repair or maintenance of automobiles; repair or maintenance of rail vehicles; repair or maintenance of two-wheeled motor vehicles; repair or maintenance of fire alarms; repair or maintenance of burglar alarms; repair or maintenance of electronic machines and apparatus in the nature of computers and computer hardware, excluding computer software; repair or maintenance of telecommunication machines and apparatus; repair or maintenance of consumer electric appliances; repair or maintenance of integrated circuit manufacturing machines and systems; repair or maintenance of semiconductor manufacturing machines and systems; repair and maintenance...
of electronic component manufacturing machines and systems; repair and maintenance of electronic component assembling machines and systems; repair and maintenance of electronic circuit assembling machines and systems

**For**  Toner cartridges, unfilled, for printers and photocopiers; blueprint apparatus, namely, blueprinting machines; cash registers; coin counting or sorting machines; photo-copying machines; mathematical instruments, namely, calculating machines; time and date stamping machines; time recording devices, namely, time clocks; punched card office machines; voting machines; postage stamp checking apparatus, namely, data processing equipment; fire alarms; gas alarms; anti-theft warning apparatus, namely, burglar alarms; simulators for the steering and control of vehicles; electronic sports training simulators; chromatography columns for laboratory use; apparatus for automatic chromatography for laboratory use; laboratory apparatus and instruments, namely, microscopes; chromatography columns for laboratory experimental machines and apparatus; laboratory ovens and laboratory apparatus, namely, microwave ovens, steam sterilizers and centrifuges as well as their structural parts; biochips for research or scientific purposes; virus testing apparatus for laboratory use, namely, bioreactor for cell culturing; measuring or testing machines and instruments other than for medical use, namely, acidimeters for batteries, hydrometers, actinometers, air analysis apparatus, alcoholmeters, alidades, diagnostic apparatus for testing food, altimeters, anemometers, comparators, automatic indicators of low pressure in vehicle tires, scales, meteorological balloons, barometers, weighing machines, weighbridges, pressure indicator plugs for valves, heat regulating apparatus in the nature of temperature indicators, marine compasses, geiger counters, thread counters, air quality measurement apparatus, namely, particle counters, speed checking apparatus for vehicles in the nature of speedometers, appliances for measuring the thickness of leather, densimeters, infrared detection apparatus, motion detectors, radar detectors, metal detectors for industrial purposes, magnetic object detectors, seismic detectors, photoionization detectors (PIDs), laser speed detectors, radiation detectors, ultrasonic object detectors for use on vehicles, laser object detectors for use on vehicle, distance measuring apparatus, compasses for measuring, dynanometers, water level indicators, balancing apparatus in the nature of precision balances, thermostats, ergometers not for medical purposes, apparatus for testing gas, liquids and solids, plastic testing machines, textile testing machines, concrete testing machines, cement testing machines, lumber testing machines, metal hardness testing machines, refractometers, gas testing instruments, gasometers, measuring rulers, heliographic apparatus, hygrometers, inclinometers, taximeters, quantity indicators in the nature of currency counting machines, vacuum gauges, speed indicators, lactodensimeters, lactometers, letter scales, manometers, pressure gauges, meteorological instruments, level measuring machines for surveying, octants, acid hydrometers, weighing apparatus and instruments, salinometers, photometers, polarimeters, pressure measuring apparatus, pressure indicators, pyrometers, saccharometers, sextants, spherometers, tachometers, thermostats for vehicles, revolution counters, precision balances, urinometers, variometers, viscosimeters, azimuth instruments, directional compasses, densitometers, chronographs for use as specialized time recording apparatuses, accelerometers, wearable activity trackers, connected bracelets in the nature of wearable activity trackers, calorimeters, flowmeters; bacteria testing apparatus not for medical use, namely, bioreactor for cell culturing; liquid analysis apparatus, namely, apparatus for testing liquids; gas testing instruments; chromatography columns for laboratory purposes for measuring or testing machines and instruments; microfluidic chips for research or scientific purposes; pedometers; temperature sensors; humidity sensors; electronic biochip sensors; sensors as being measurement apparatus, other than for medical use, namely, electric current sensors, acceleration sensors, pressure sensors, proximity sensors, electric sensors, position sensors, vibration...
sensors, alarm sensors, motion sensors, photoelectric sensors, infrared sensors, touchscreen sensors, timing sensors, optical sensors, vehicle mounted GPS sensors for determining the rate of motion for a vehicle; encoders as being measurement apparatus; wearable activity trackers; diagnostic apparatus, not for medical purposes, namely, machines for detecting and analyzing machine malfunction and breakdown; 3D spectacles; thermal imaging cameras; sound recording apparatus; photographic machines and apparatus, namely, photographic cameras, multiple purpose cameras, camera containing a linear image sensor, endoscopy cameras for industrial purposes, motion-activated cameras, video cameras, dashboard cameras, rearview cameras for vehicles; cinematographic machines and apparatus; optical machines and apparatus, namely, optical apertometers, diffraction apparatus for microscopes, epidiascopes, magnifying glasses, optical glasses, spectroscopes, stereoscopes, binoculars, telescopes, sighting telescopes for firearms, optical condensers, optical character readers, optical phase shifter; optical lenses; automatic control apparatus and remote monitoring apparatus for measuring, monitoring and controlling air condition; event recorders; solar batteries; power distribution or control machines and apparatus, namely, power adapters, electric relays, circuit breakers, current rectifiers, electric capacitors, power distributing boxes, electrical reactors, electrical transducers; rotary converters; phase modifiers; electric switches; regulating apparatus for electric current; control panels for electricity; electrical controlling devices; connectors for electricity; switches, electric; contacts, electric; connections, electric; electrical adapters; electric transformers; battery chargers; DC/DC converters; converters, electric; automatic control apparatus for electrical power supplies, namely, inverters and voltage regulators; variable electric resistors; electric resistors; accumulators, electric; fuses; batteries and photoelectric cells; Lithium ion batteries; electric or magnetic meters and testers, namely, ammeters, galvanometers, electric loss indicators, frequency meters, ohmmeters, oscillographs, voltimeters; oscillators; electric wires and cables; telecommunications apparatus and instruments, namely, phase shifters for telecommunications apparatus, telecommunications transmitters, telecommunication switches, radio-frequency transmitters and receivers for telecommunication, radio-frequency antennas for telecommunication, high-frequency transmitters and receivers for telecommunication, high frequency antennas for telecommunication, high frequency switches for telecommunication, computer hardware for telecommunications; audio speakers and their accessories, namely, electric cables; CD and DVD audio players and recorders; CD and DVD video players and recorders; optical disc video players and recorders; CD and DVD disc changers; optical disc changers; audio amplifiers; audio players and video players incorporating hard disk drives; audio players and video players incorporating IC memory; television receivers for TV sets; radio receivers; equalisers being audio apparatus; navigation apparatus for vehicles [on-board computers]; structural parts and fittings of navigation apparatus for vehicles [on-board computers]; electronic controllers for navigation apparatus for vehicles; navigational instruments, namely, GPS navigation devices; structural parts and fittings for navigational instruments; loudspeakers; camera modules for mobile phones; lens actuators for camera modules of mobile phones; radio beacon machines and apparatus; digital cameras; digital video cameras; radio wave transmitting and receiving machines and instruments for use in the locating of lost pets; video surveillance systems composed of a camera and video monitor for recording and transmitting images to a remote location; radio remote control apparatus for starting automobile engines; car stereos; audio transmitter units for automobiles; electronic controllers for car audio equipment; sound amplifiers; diaphragms, namely, acoustic membranes; portable vibration speakers; electricity limiters; audio speakers utilizing bone conduction technology; headphones utilizing bone conduction technology; frequency converters for actuators; frequency converters for motors; remote controls for telecommunication machines and apparatus, namely, remote controls for phase shifters for telecommunications apparatus; telecommunications transmitters, telecommunication switches, radio-frequency transmitters and receivers for telecommunication, radio-frequency antennas for telecommunication, high-frequency transmitters and receivers for telecommunication, high frequency antennas for
telecommunication, high frequency switches for telecommunication, computer hardware for telecommunications; controllers for telecommunication machines and apparatus, namely, controllers for phase shifters for telecommunications apparatus, telecommunications transmitters, telecommunication switches, radio-frequency transmitters and receivers for telecommunication, radio-frequency antennas for telecommunication, high-frequency transmitters and receivers for telecommunication, high frequency antennas for telecommunication, high frequency switches for telecommunication, computer hardware for telecommunications; remote control apparatus for automobiles, linear actuators, hydraulic valve actuators, pneumatic valve actuators, electric motors, televisions, radios, lighting appliances, electric door/window openers and closers, starters for motors and engines, current generators, car navigation computers, GPS navigation devices, electric control panels, electric rice cookers, microwave ovens, air conditioning installations, washing machines for household purposes, printers for use with computers, photocopiers, navigational instruments, elevators, automatic vending machines, luminous or mechanical road signs, industrial robots, robots for personal, educational and hobby use, automated teller machines (ATM), satellites for scientific purposes, mobile phones, computers, smartphones, smartglasses, smartwatches, virtual reality glasses, scanners in the nature of data processing equipment, steering units for land vehicles; remote control telemetering machines and instruments; data communication apparatus and instruments, namely, wireless communication devices for data transmission; electric coils for telecommunication apparatus; protective covers and cases for tablet computers; computer cases; integrated circuit modules for telecommunication devices and apparatus; personal digital assistants in the shape of a watch; smartphones; cases or covers adapted for smartphones; liquid crystal display [LCD] protection sheets for smartphones; touch panels; touch screens; touch panels for personal digital assistants; magnetic encoders; electronic display units, namely, electronic display interfaces; electronic machines, apparatus and their parts and fittings, namely, data processing equipment and computers; electronic animal identification apparatus; computers; computer peripheral devices; computer programs for controlling and operating automobiles, linear actuators, hydraulic valve actuators, pneumatic valve actuators, electric motors, televisions, radios, lighting appliances, electric door/window openers and closers, starters for motors and engines, current generators, car navigation computers, GPS navigation devices, electric control panels, electric rice cookers, microwave ovens, air conditioning installations, washing machines for household purposes, printers for use with computers, photocopiers, navigational instruments, elevators, automatic vending machines, luminous or mechanical road signs, industrial robots, robots for personal, educational and hobby use, automated teller machines (ATM), satellites for scientific purposes, mobile phones, computers, smartphones, smartglasses, smartwatches, virtual reality glasses, scanners in the nature of data processing equipment, steering units for land vehicles; computer programs for providing geographic information; electronic radio frequency identification tags; electronic tags for goods; electronic tags for tracking cargo and baggage; optical computer mouse; scanners being data processing equipment; visual display units for computers, namely, computer monitors; hard disk drives; document printers; photo printers; electrostatic copying machines; electronic downloadable dictionaries; word processors; electronic control apparatus and instruments for automobiles; electronic control apparatus and instruments for steering wheels for automobiles; electronic control apparatus and instruments for automobile pedals; electronic control apparatus and instruments for gear shifts for automobiles; electronic control apparatus for automobiles, electric rice cookers, microwave ovens, air conditioning installations, washing machines for household purposes, printers for use with computers, photocopiers, navigational instruments, elevators, automatic vending machines, luminous or mechanical road signs, industrial robots, robots for personal, educational and hobby use, automated teller machines (ATM), satellites for scientific purposes, surgical robots, massage apparatus and instruments, physical exercise apparatus for medical purposes, apparatus for artificial
respiration, medical radiation apparatus, mobile phones, computes, smartphones, smartglasses, smartwatches, virtual reality glasses, scanners in the nature of data processing equipment, steering units for land vehicles; computer programs for vibration control in automobiles, linear actuators, hydraulic valve actuators, pneumatic valve actuators, electric motors, televisions, radios, lighting appliances, electric door/window openers and closers, starters for motors and engines, current generators, car navigation computers, GPS navigation devices, electric control panels, electric rice cookers, microwave ovens, air conditioning installations, washing machines for household purposes, printers for use with computers, photocopiers, navigational instruments, elevators, automatic vending machines, luminous or mechanical road signs, industrial robots, robots for personal, educational and hobby use, automated teller machines (ATM), satellites for scientific purposes, mobile phones, computes, smartphones, smartglasses, smartwatches, virtual reality glasses, scanners in the nature of data processing equipment, steering units for land vehicles; computer programs for telecommunication, namely, for data transmission; structural parts for electronic control apparatus and instruments for automobiles; touch pads; thermal printers; touch-sensing input devices, namely, touch pads; * input devices, namely, touch pads; ** touch-sensing input devices for personal digital assistants; touch sensing input devices for power distribution or control machines and apparatus; touch sensing input devices for measuring or testing machines and instruments; touch sensing input devices for photographic machines and apparatus; touch sensing input device for cinematographic machines and apparatus; touch sensing input device for optical machines and apparatus; touch sensing input devices for fire alarms; touch sensing input devices for gas alarms; touch sensing input device for antitheft warning apparatus; touch sensing input devices for simulators for the steering and control of vehicles; touch sensing input devices for sports training simulators; touch sensing input devices for navigation apparatus for on-board computer vehicles; [ touch-sensing input devices for computers, mobile computers and smartphones; electronic touch-sensitive switches; ] computer software for operating computer touch-sensing input devices; computer software for use with in operating touch pads, touch panels and touch screens; chips, namely, integrated circuits; integrated circuit cards being smart cards; radio frequency identification IC tag readers; electronic pens; inductors for electricity; magnetic cores; resistance wires; electrodes; satellites for scientific purposes; dust protective masks; spectacles being eyeglasses and goggles; prerecorded CD-ROMs featuring computer operation manuals; prerecorded DVDs featuring computer operation manuals; prerecorded magnetic data carriers featuring computer operation manuals; game programs for arcade video game machines; game programs for home video game machines; electronic circuits and CD-ROMs recorded with computer game programs for hand-held games with liquid crystal displays; metronomes; electronic circuits and CD-ROMs recorded with automatic performance programs for electronic musical instruments; effecters being effects processors for electric or electronic musical instruments; electric and electronic effects units for musical instruments; phonograph records featuring music; downloadable music files and audio files featuring music; downloadable musical sound recordings; downloadable image files and video files featuring soccer players; video recordings, downloadable, featuring music and artistic performances; downloadable electronic data files featuring visual and written data about magazines, books, newspaper, maps, photographs and drawings, downloadable; electronic publications, downloadable, in the nature of books in the field of electronic engineering; electronic publications, downloadable, in the nature of magazines in the field of game software; electronic publications, downloadable, in the nature of geographical maps; exposed cinematographic films; exposed slide films; slide film mounts; vehicle- mounted devices for electronic toll collection, namely, transponders; electronic locks; control apparatus for electronic locks; electronic locks for security purposes; keyless entry systems for automotive vehicles comprised of a microprocessor, electronic signal receiver, and key fob with electronic signal transponder
International Classes 9 - Primary Classes US Classes 21, 23, 26, 36, 38 International Class Title Electrical and Scientific Apparatus

For Assisting in the locating of lost pets; assigning identifying information to affix to luggage and other property to facilitate its recovery following loss; lost pets investigation and recovery services; investigation or surveillance services for checking background profiles, namely, personal background investigations and surveillance services; pet sitting; providing location information, namely, assisting in the location of persons, articles and animals by means of communication terminals for security and safety purposes using a global positioning system; providing location information, namely, assisting in the location of persons, articles and animals for security and safety purposes using a global positioning system; providing location information, namely, assisting in the location of telecommunication devices and radio beacon devices for radio signal sources and radio access points for security and safety purposes using a global positioning system; providing information from a computer database about investigation services relating to lost or stolen vehicles; stolen vehicle recovery services; stolen vehicle tracking; alarm response and verification services; monitoring of fire, burglar and security alarms; security guarding for facilities; personal body guarding; security screening of baggage; surveillance services; providing information about intellectual property rights; intellectual property consultancy; rental of fire alarms; rental of fire extinguishers

International Classes 45 - Primary Classes US Classes 100, 101 International Class Title Personal and legal services

For Telecommunication, other than broadcasting, namely, telecommunications access services, telecommunications routing and junction services, data transmission and reception services via telecommunication means; broadcasting, namely, television broadcasting, radio broadcasting and Internet broadcasting services; news agency services for electronic transmission; rental of telecommunication equipment including telephones and facsimile apparatus; rental of access time to computer database and providing information or advice relating thereto

International Classes 38 - Primary Classes US Classes 100, 101, 104 International Class Title Communication

For Transportation logistics, namely, storage, transportation and delivery of goods for others by air, rail, ship, or truck; transport of goods; transportation information; transport, namely, collection of recyclable goods in the nature of bottles and cans; tracking of passenger or freight vehicles using computers or global positioning systems, namely, transport information services; railway transport; car transport; marine transport; [ air transport; ] vehicle breakdown towing services; vehicle towing; porterage; truck hauling; freight forwarding; delivery of goods; message delivery; transport and storage of trash; freight brokerage; cargo unloading; warehousing services; temporary safekeeping of personal belongings, namely, storage of goods; temporary storage of deliveries; warehouse storage; storage information, namely, providing information on refrigeration storage; transport reservation; transport brokerage for rental or chartering of vessels; conducting of travel tours, namely, arranging of transportation for travel tours; escorting of travel tours, namely, arranging of transportation for travel tours; travel arrangement and reservation services, excluding those for lodging, namely, arranging for travel visas, passports and travel documents for persons traveling abroad, and travel ticket reservation services, excluding those for lodging; providing road and traffic information; packaging of goods; rental of warehouse space; parking lot services; vehicle rental

International Classes 39 - Primary Classes US Classes 100, 105 International Class Title Transportation and Storage
For Providing medical information; health consultancy; health care information services, namely, providing health care information by telephone and Internet; managed health care services; physical examination services; dietary and nutritional guidance; animal breeding and medical care; veterinary services; animal grooming; health care services for pets; providing medical information for pets; providing information relating to health maintenance of pets; nursing care; farming equipment rental; medical equipment rental

International Classes  44 - Primary Classes US Classes  100, 101 International Class Title Medical, beauty and agricultural services

For Treatment or processing of cloth, clothing or fur, including treatment in the nature of drying; sawing of materials, namely, sawmill services; metal treating; processing of rubber; processing of plastics; ceramic processing; wood-working; paper treating and working in the nature of treating; stone treating; processing of bamboo, tree barks, rattan, vines or other natural materials in the nature of herbs other than processing of ingredients; sawmill planing of materials; laminating of metal and of plastic sheets; engraving; recycling of waste; rental of metal treating machines and tools; providing material treatment information; recycling, sorting and disposal being the destruction of industrial waste and trash; custom assembling of electric and electronic components for others; processing of metal surfaces using precision grinding techniques

International Classes  40 - Primary Classes US Classes  100, 103, 106 International Class Title Material Treatment

For Tarpaulins for ships; sails; cotton waddings for clothes; hammocks; cotton batting for Futon; binding bands, not of metal; wrapping or binding bands, not of metal; string; cordage; elastic bands for binding; packing [cushioning, stuffing] materials, not of rubber, plastics, paper or cardboard; industrial packaging containers of textile; packing materials, of straw, for bottles; sawdust; kapok; wood shavings; wood wool; wax waste for stuffing; cattle hair, raccoon dog hair, pig bristles and horsehair being raw material not for textile use or brush-making; feathers and down

International Classes  22 - Primary Classes US Classes  1, 2, 7, 19, 22, 42, 50 International Class Title Cordage and Fibers

For Grease for shoes and boots; leather preserving oil and grease; fuels; mineral oils and greases for industrial purposes, not for fuel; non-mineral oils and greases for industrial purposes, not for fuel; waxes being law material; candles

International Classes  4 - Primary Classes US Classes  1, 6, 15 International Class Title Lubricants and Fuels

For Electrical insulating materials; insulating gloves; rubber cords and laces; industrial packaging containers of rubber; plastic semi-worked products, namely, semi-worked synthetic plastic resins in the form of pellets, rods, foils, foams, fibers, films, and sheets, semi-processed plastic in the form of films, sheets, tubes, bars, or rods; plastic in the form of bars, blocks, pellets, sheets, films, plates and tubes in further manufacture for general industrial use; rubber, raw or semi-worked; soundproofing materials of rock wool, not for building purposes; asbestos boards; asbestos powder

International Classes  17 - Primary Classes US Classes  1, 5, 12, 13, 35, 50 International Class Title Rubber Goods

For Electric razors and electric hair clippers; egg slicers, non-electric; non-electric planes for flaking dried bonito blocks (Katsuo-bushi planes); can openers, non-electric; spoons being tableware; cheese slicers, non-electric; pizza cutters, non-electric; forks being table cutlery; vegetable slicers; braiders being hand tools; electric flat irons; shaving cases; pedicure sets; eyelash curlers; manicure sets; hair-removing tweezers
For Engineering; providing information on computer technology and programming via a web site; computer technology consultancy; information technology [IT] consultancy; scientific laboratory services; conducting technical project studies, namely, conducting of feasibility studies in the field of new technologies; technical research in the fields of electrical and electronic engineering; technical writing; providing research information in the field of science; providing technology research information in the field of electronics; research and development of new products for others; vehicle roadworthiness testing; architectural services; surveying; designing of machines, apparatus, instruments [including their parts] or systems composed of such machines, apparatus and instruments; computer software design, computer programming, and maintenance of computer software; providing information and advice relating to computer software design, computer programming, and maintenance of computer software; configuration of computer networks; providing information and advice relating to configuration of computer networks; monitoring of computers and computer systems by remote access to ensure proper functioning; installation, duplication, configuration and updating of computer programs; providing information and advice relating to installation, duplication, configuration and updating of computer programs; conversion of text, image and audio information to electronic media text, image and audio signals; computer data conversion for others, namely, data conversion of computer programs and data, not physical conversion; computer data encryption and decoding services; providing information and advice relating to computer data encryption and decoding services; providing search engines for the internet; creating and maintaining web sites for others; testing, inspection or research of pharmaceuticals, cosmetics or foodstuffs; research on building construction or city planning; testing or research on prevention of pollution; testing or research on electricity; testing or research on civil engineering; material testing for others; quality control for others; testing, inspection or research on agriculture, livestock breeding or fisheries; testing or research on machines, apparatus and instruments, namely, testing the functionality of machines; measuring, namely, calibration; designing of heat exchangers and interfaces for computers, other than for advertising purposes; technological advice relating to computers, automobiles and industrial machines, namely, technical advice relating to the operation of computers, technology consultation in the technology field of automobiles and industrial machines; rental of measuring apparatus; providing computer application software, namely, providing temporary use of on-line non-downloadable software and applications for word processing; software as a service (SaaS), namely, hosting software for use by others for controlling and operating automobiles, linear actuators, hydraulic valve actuators, pneumatic valve actuators, electric motors, televisions, radios, lighting appliances, electric door/window openers and closers, starters for motors and engines, current generators, car navigation computers, GPS navigation devices, electric control panels, electric rice cookers, microwave ovens, air conditioning installations, washing machines for household purposes, printers for use with computers, photocopiers, navigational instruments, elevators, automatic vending machines, luminous or mechanical road signs, industrial robots, robots for personal, educational and hobby use, automated teller machines (ATM), satellites for scientific purposes, mobile phones, computers, smartphones, smartglasses, smartwatches, virtual reality glasses, scanners in the nature of data processing equipment, steering units for land vehicles; software as a service (SaaS), namely, hosting software for use by others for providing geographic information; rental of computers; providing programs for computers and mobile phones, namely, providing temporary use of non-downloadable computer software for creating music videos; temporary electronic storage of information and data through cloud computing; hosting computer sites being web sites; server hosting
