**For** Information about material processing in the nature of cutting and bending of metal and glass; mill working; engraving; cutting of metal and glass; water jet cutting of ceramics, plastic, wood, metal and glass; laser cutting of ceramics, wood, plastic, metal and glass; laser engraving; metal machining, namely, machining parts for others; sawmill services; sandblasting services; welding; water jet machining, namely, machining parts for others; water treatment; trimming of materials on order for others, namely, cutting of ceramics, metal and glass; material processing, namely, identifying in the nature of obtaining and marking metal and glass from native earth materials; rental of machines for material machining; providing information in the field of material processing, especially of machine-specific information, on the Internet and on screen

**International Classes** 40 - Primary Classes **US Classes** 100, 103, 106 **International Class Title** Material Treatment

**For** manual, hand-operated drills; borers, namely, manual drills; hand tools, namely, milling cutters; hand-operated pipe cutting tools; threading tools, namely, needle threaders, thread snips; shears; sheet metal shears, namely, scissors; shear blades; hand-operated shearing tools, namely, multi-purpose shears, hand-operated cutting tools; hand tools, namely, grinding implements in the nature of manually-operated grinding wheels, manually-operated grindstones; hand tools, namely, dies; hand-operated scraping tools, namely, scrapers, hand-operated tools, namely, hand-operated cutting tools, manually-operated sharpening wheels, planes, saws, engravers; parts and accessories of hand-operated tools, included in this class, namely, parts and accessories for hand-operated cutting tools, hand-operated riveting tools, manually-operated grinding wheels, manual drills

**International Classes** 8 - Primary Classes **US Classes** 23, 28, 44 **International Class Title** Hand Tools

**For** Updating of computer software; consultancy in the field of energy measurement to improve energy saving; computer software consulting; computer system analyses; design of computer software; design of computer systems; provision of engineering services; creation of computer programs for data processing; technical writing for others in the nature of preparing technical expert reports; research in the field of ceramics, plastic, wood, metal and glass cutting and bending technology; research in the field of mechanical engineering; hosting Internet sites for others; installation of computer programs; data conversion of computer programs and data, not physical conversion; copying of computer programs; testing of materials; quality control involving testing, for others; research and development services for others regarding new products; engineering services, particularly technical project planning and design engineering of lines for the processing of web products; rental of computer software; maintenance of computer software; water analysis; recovery of computer data; scientific laboratory services; scientific and industrial research in the field of ceramics, plastic, wood, metal and glass bending and cutting; technical development of ceramics, plastic, wood, metal and glass cutting and bending machines, and engineering services; computer programming consultancy relating to the preparation of computer programming aids and programming tools and programs for machine tools; monitoring of computer software for ceramics, plastic, wood, metal and glass cutting and bending
machines for quality control purposes, remote control operation of computers, and maintenance of computer software for
machines via data lines and the internet, in particular remote control monitoring of computer systems to ensure proper
functioning, troubleshooting in the nature of remote diagnosis of computer software problems and machinery malfunctions,
troubleshooting in the nature of remote computer programming of machine controls for troubleshooting purposes, maintenance
and installation of machinery control software, and installation of computer firmware updates in machine controls for
troubleshooting purposes; development, installation, maintenance, copying, conversion, updating of computer programs and
computer software including via the Internet; remote computer programming of machine controls; providing on-line non-
downloadable software for remotely operating ceramics, plastic, wood, metal and glass bending and cutting machines, and
providing information, namely, machine-specific information on the Internet in the field of computer programming,
technology and software development relating to ceramics, plastic, wood, metal and glass cutting and bending machinery;
providing temporary use of on-line non-downloadable machine control software on the Internet for use in the design and
planning telecommunications solutions in the field of machinery; computer project management and planning of
telecommunication solutions in the field of machinery, particularly of telecommunication solutions in the nature of information
technology systems, computer technologies, communications networks for remote diagnostics of machine malfunctions as well
as for machine maintenance using telecommunication technology; design and development of computer software for the
control, regulation and monitoring of laser and water jet systems and press brakes; computer consulting, namely, technological
consultation in the field of computer hardware systems and computer software; technical support relating to software, namely,
remote administration of software applications used for technical project planning and technical project management,
computer software consulting relating to technical project planning and technical project management; construction planning
in the nature of drafting of construction plans for premises of ceramics, plastic, wood, metal and glass cutting and bending
activities; scientific and industrial research, especially in the field of mechanical engineering; information technology
consultation services relating to computer project management and provision of Internet access on machine controls, as well as
planning and provision of Internet applications on machine controls

GOODS AND SERVICES INFORMATION
For  Aircraft; drones, space vehicles; spacecraft; launch vehicles; hot air balloons; helicopters; rotorcraft; [ aircraft ] * airplane * components, namely, structural parts of aircraft, namely, wings, fins, fuselage, * wing * root, [ fins, rudder, centerboard, wing, tail, ] * ailerons, flight control surface, vertical stabilizer, airfoil, empennage, * landing gear wheels, landing gear [ s ]; air apparatus, namely, remote-controlled aircraft, not being toys; military vehicles, namely, aircraft * ; all the aforesaid goods related to the technical field of aircraft *
International Classes  12 - Primary Classes US Classes  19, 21, 23, 31, 35, 44 International Class Title  Vehicles

For  Handling machines and apparatus for the maintenance and repair of aircraft and aeronautical structures and their component parts; aeronautical engines; cleaning machines for aircraft engines; machine tools for metal working for the maintenance and repair of aircraft and aircraft structures; grinding tools for repair and maintenance of aircraft and aircraft structures being parts of machines; metal cutting machines for maintenance and repair of aircraft and aircraft structures * ; all the aforesaid goods related to the technical field of aircraft *
International Classes  7 - Primary Classes US Classes  13, 19, 21, 23, 24, 31, 34, 35 International Class Title  Machinery

For  Aircraft construction; repair, maintenance and dismantling, in particular aircraft and aeronautical structures; anti-rust treatment for aircraft and aircraft structures; anti-corrosive treatment of aircraft and aircraft structures; fueling of vehicles; in-flight aircraft refueling services * ; all the aforesaid services related to the technical field of aircraft *
International Classes  37 - Primary Classes US Classes  100, 103, 106 International Class Title  Construction and Repair
Downloadable software for surface treatment by means of laser shock processing; Analysis apparatus for the maintenance and repair of aircraft and aircraft structures, namely, laser peening apparatus for non-medical use; precision measuring apparatus for the maintenance and repair of aircraft and aircraft structures, namely, laser peening systems, comprised of peening laser and controller, for non-medical use; data processing apparatus and computers for the maintenance and repair of aircraft and aircraft structures; the aforesaid goods for maintenance and repair of aircraft and aircraft structures *; all the aforesaid goods related to the technical field of aircraft *

International Classes  9 - Primary Classes US Classes  21, 23, 26, 36, 38  International Class Title  Electrical and Scientific Apparatus

Transport by aircraft; air transport; packaging and storage of merchandise; retrieval being salvaging of aircraft and aircraft parts; freighting services; air traffic control management; airport services; professional consultancy with respect to air and aerospace transport, except for business consultations; consulting with respect to air transport *; all the aforesaid services related to the technical field of aircraft *

International Classes  39 - Primary Classes US Classes  100, 105  International Class Title  Transportation and Storage

Treatment and processing of materials, namely, laser beam treatment of wings, fins, wingtips, control valves, tail fins, tarpaulins, tail units, wheels for landing gear, landing gear, fuselage, namely, empennage, control surfaces, namely, vertical stabilizers and rudders, horizontal stabilizers and elevators, ailerons, trim tabs, lift control devices, namely, flaps, slats, spoilers, power plant and propulsion devices, namely, propellers, piston engines, jet engines, turboprops, landing gear, namely, nose gears, main gears, passenger floor structure, cargo floor structures, brackets for system installation, brackets for hydraulic system installation, seat rails, passenger door structures, cargo door structures, main landing gear door structures, nose landing gear structures, windows frames structures, front windshield at cockpit structures, lateral windshield at cockpit structures, engine pylon structures; custom or contract manufacturing of aircraft for others; custom or contract manufacturing of aircraft components for others; the aforesaid services being intended for the maintenance and repair of aircraft and aircraft structures *; all the aforesaid services related to the technical field of aircraft *

International Classes  40 - Primary Classes US Classes  100, 103, 106  International Class Title  Material Treatment

Industrial analyses of aircraft; analyses for the installation of computer software systems; safety testing for aircraft flights; design and development of aircraft; the aforesaid services being intended for the maintenance and repair of aircraft and aircraft structures *; all the aforesaid services related to the technical field of aircraft *
