CASE IDENTIFIERS
Serial Number 90905130 Application Filing Date Aug. 26, 2021 Registration Number 6851816
Registration Date Sep. 20, 2022 Register Principal Mark Type Service Mark Publication Date Jul. 05, 2022

MARK INFORMATION
Standard Character Claim No Mark Drawing Type 3 - AN ILLUSTRATION DRAWING WHICH INCLUDES
WORD(S)/ LETTER(S) Description of the Mark The mark consists of a polygon styled as a quadrilateral, with the
north side of the shape consisting of two consecutive open-ended triangles, the first triangle being an isosceles triangle
with an obtuse angle, and the second triangle being a smaller isosceles triangle with an obtuse angle. Each of the two open
triangles on the north side of the shape are juxtaposed to evoke a building roof. The far-right / north-easternmost leg of the
second triangle which forms the northern border of the shape then connects at a right angle to a straight vertical line which
forms the eastern border of the polygon. The eastern border of the polygon then connects at a right angle with a horizontal
straight line which forms the southern border of the polygon. The western side of the shape is open. On both the northern
and southern border, the density of the border line begins at a light gradient at the westernmost beginning of each, and
becomes more dense moving from west to east. Contained within the polygon is a design plus a portion of the word mark.
From west to east, the design consists of a singular curved line meant to evoke a three-box automobile design, consisting
of three separate compartments or boxes: the first curve for the hood/engine, the second curve for the passenger/interior,
and the third curve for the rear/cargo. The end aspect of the curved line is slightly thicker and curves back upwards, to
evoke the rear spoiler on a sports car. Beneath the singular curved line are 2 other lines: the first is a small right angle
directly under the curve of the passenger interior, to evoke a side window in a car; and the second is a curved line directly
juxtaposed to the spoiler, to evoke a rear tire. Underneath this interior design are the first two literal elements of the mark
"FINISH LINE" in all capital letters in a stylized font. Directly below the southern border line of the polygon are the
remaining two literal elements of the mark, "AUTO CLUB", also in all capital letters in a stylized font, and centered
underneath the prior literal elements. Disclaimer "AUTO CLUB"
