- **Description of the Mark**: The mark consists of the configuration of a bottle, having eight indented panels extending the length of the bottle, a domed top/shoulder area, a subtle length-wise taper, and an eight-sided bottle base. The vertical lining shown on the drawing depicts the edges of the indented panel features of the bottle configuration. The diagonal lining shown in the drawing of the mark is intended to show the three dimensional aspect of the mark and does not indicate features of the mark. The dotted lines shown on the drawing of the bottle container are intended to show the position of the distinctive elements of the mark and are not, in themselves, features of the mark.
