GOODS AND SERVICES INFORMATION
For  Plastic building materials, namely, thermoplastic building boards for treads in building and construction other than hydraulic, pneumatic, hydropneumatic and mechanical springs and dampers and electromechanical drives; plastic building boards for wet areas in swimming pools and sanitary facilities; portable plastic skating rinks; plastic building boards for interior furnishing; wainscoting of plastic material; drain pipes, not of metal, for use in the conveying industry, in mining, in the oil industry, in the textile industry

International Classes  19 - Primary Classes  US Classes  1, 12, 33, 50  International Class Title  Non-metallic Building Materials

For  Parts for machines and machine tools, engines and motors, couplings, gears of plastic, namely, thermoplastic bearings and valves being parts of construction machines and thermoplastic parts for plant engineering all excluding hydraulic, pneumatic, hydropneumatic and mechanical springs and dampers and electromechanical drives; machine parts, namely, plastic parts for pumps and axial-flow fans for motors and engines; chain and curve guides being parts of machines; plastic machine parts for drive system machines and conveying installations, namely, plastic parts for conveyors being machines excluding hydraulic, pneumatic, hydropneumatic and mechanical springs and dampers and electromechanical drives; gear and drive wheels, track and guide rollers being parts of machines; bearing elements being parts of machines; cutting guides for machines in particular in the shape of chain and curve; sliding seals being parts of machines; control discs being hydraulic controls for machines; pump housings being parts of machines; sliding and conveying elements and plastic bearings in the nature of sliding bearings for machines and conveyors being machines; pipes being fitted parts of machines

International Classes  7 - Primary Classes  US Classes  13, 19, 21, 23, 24, 31, 34, 35  International Class Title  Machinery
For Plastics in extruded form for use in further manufacture; rolled goods, round bars, profiles and soldering threads of plastic not for textile use, namely, open cell foam in roll form; films, sheets and rods of plastics in extruded form for use in further manufacture; extruded plastics in the form of bars for use in further manufacture; non-metallic hose linings; nonmetal flexible hoses for conveying liquids; packing and insulating materials; sealing materials, namely, nonmetallic sealing strips

GOODS AND SERVICES INFORMATION
For Arranging and conducting of training courses in the field of nursing, occupancy and discharge management, medical and home technology as well as reprocessing and cleaning of medical devices, hospital and nursing supplies, patient rooms and premises; providing online videos, not downloadable, especially training videos in the area of cleaning, reprocessing and maintenance of medical devices

International Classes 41 - Primary Classes US Classes 100, 101, 107 International Class Title Education and Entertainment

For Distance measuring instruments; acoustic measuring apparatus being noise level meters; signal apparatus and signal instruments being electro-dynamic apparatus for the remote control of signals; signal amplification apparatus being monitor signal amplifiers; receivers for electronic signals; transmitters for electronic signals; routers for audio, video and digital signals being wireless routers; lighting control apparatus and instruments; safety sensors, namely, carbon monoxide detectors, smoke detectors, and combination carbon monoxide and smoke detectors; wireless beacons being transmitters for electronic signals; electronic devices for locating and tracking medical devices and hospital supplies using wireless personal area network technology; devices for recording, transmission and reproduction of sound and images; data processing hardware being data processing equipment; scanners; barcode scanners; optical scanners; downloadable computer software for the recording, collection, processing of data in the areas of nursing, occupancy and discharge management, medical and home technology as well as reprocessing and cleaning of medical devices, hospital and nursing supplies, patient rooms and premises; downloadable mobile application for the recording, collection, processing of data in the areas of nursing, occupancy and discharge management, medical and home technology as well as reprocessing and cleaning of medical devices, hospital and nursing supplies, patient rooms and premises; distance measuring apparatus being monitoring apparatus with signaling for continuous checking of distance values between persons; downloadable computer software for measuring distance and time between two
people in close proximity to each other; downloadable computer software for monitoring and analyzing the condition and readiness of medical devices; downloadable mobile application for monitoring and analyzing the condition and readiness of medical devices; downloadable computer software for the control and documentation of reprocessing processes of medical devices, hospital and nursing supplies, patient rooms and premises; downloadable mobile application for the control and documentation of reprocessing processes of medical devices, hospital and nursing supplies, patient rooms and premises; downloadable computer software for tracking the location of people and objects, especially medical devices as well as beds and bed accessories; downloadable mobile application for tracking the location of people and objects, especially medical devices as well as beds and bed accessories; downloadable computer software for personnel resource planning, especially in the areas of nursing and accommodation of guests; downloadable mobile application for personnel resource planning, especially in the areas of nursing and accommodation of guests; downloadable computer software for reporting defects of any kind in premises; downloadable mobile application for reporting defects of any kind in premises; downloadable computer software for creating and tracking maintenance, testing and calibration deadlines, especially for medical devices; downloadable mobile application for creating and tracking maintenance, testing and calibration deadlines, especially for medical devices; labels with machine-readable codes being encoded bar code labels; labels with integrated RFID chips being radio frequency identification labels; downloadable electronic publications in the nature of digital work instructions manuals for the daily cleaning of premises and objects, operating instructions manuals, maintenance manuals; stationary computers being desktop computers; mobile computers; tablet computers; smartphones; downloadable computer software for hospital management; downloadable computer software for hospital hygiene management; downloadable interactive software for nursing, occupancy and discharge management, medical and home technology management as well as management of reprocessing and cleaning of medical devices, hospital and nursing supplies, patient rooms and premises; downloadable computer software for the transmission of sound, graphics, text and data over communications networks; downloadable scientific and medical data via the internet; data processing apparatus, peripheral devices and parts thereof, the aforesaid goods also for data communication via wired and wireless telecommunication networks, the internet and other online networks and for data transmission in local area networks; electric and electronic communication apparatus and instruments being radio transmitters; electronic telecommunications apparatus and instruments being telephone sets

**International Classes** 9 - Primary Classes  **US Classes** 21, 23, 26, 36, 38  **International Class Title** Electrical and Scientific Apparatus

**For** Consulting services for others in the field of design, planning, and implementation project management of scientific and technological research; server hosting; technical support services, namely, technical administration of servers for others and troubleshooting in the nature of diagnosing server problems; technical support services, namely, technical administration of servers for others and troubleshooting in the nature of diagnosing server problems, especially in hospitals; providing a web hosting platform for nursing, occupancy and discharge management, medical and home technology management as well as management of reprocessing and cleaning of medical devices, hospital and nursing supplies, patient rooms and premises; providing online, non-downloadable software for nursing, occupancy and discharge management, medical and home technology management as well as management of reprocessing and cleaning of medical devices, hospital and nursing supplies, patient rooms and premises; technical support related to computer software and applications being troubleshooting of computer software problems; technical support in the field of telecommunications technology, namely, monitoring technological functions of computer networks systems; design and development of computer hardware and computer software;
advisory services relating to computer software; advice relating to the design of computer hardware; rental of computer
software for nursing, occupancy and discharge management, medical and home technology management as well as
management of reprocessing and cleaning of medical devices, hospital and nursing supplies, patient rooms and premises; rental
of computer hardware, devices, and equipment; maintenance and updating of computer software; technological planning and
consulting services in the field of computer hardware systems, databases and applications; telecommunications engineering
consultancy and technical advice in the field of the Internet; providing online, non-downloadable software that enables users to
store, organize, edit, track, monitor, and share documents, information, data, images, speech, signals, and other audio and
visual signs; providing temporary use of non-downloadable software applications accessible via a website that enables users to
store, organize, edit, track, monitor, and share documents, information, data, images, speech, signals, and other audio and
visual signs

GOODS AND SERVICES INFORMATION
For  Lacquers and paints for optical components and moulds specially adapted for making optical components
International Classes  2 - Primary Classes US Classes  6, 11, 16 International Class Title  Paints

For  Machines and machine tools for making, working and handling optical components, in particular optical blanks, mirrors, lenses and spectacle glasses, and casting moulds specially adapted for making optical components, in particular for forming freeform surfaces on optical components and moulds specially adapted for making optical components; parts of machines, namely, replacement parts for machines for the production of optical components, and machine tools for making, working and handling optical components and moulds specially adapted for making optical components, in particular tools for milling, turning, grinding and polishing, holding and coupling elements for such components; motors paired with electric actuators for machines and machine tools for making, working and handling optical components and moulds specially adapted for making optical components
International Classes  7 - Primary Classes US Classes  13, 19, 21, 23, 24, 31, 34, 35 International Class Title  Machinery

For  Abrasive, polishing and cleaning preparations for optical components and moulds specially adapted for making optical components
International Classes  3 - Primary Classes US Classes  1, 4, 6, 50, 51, 52 International Class Title  Cosmetics and Cleaning Preparations

428
**For** Chemical preparations for making, working and handling optical components and moulds specially adapted for making optical components for use in industry; contact cements and adhesives for industrial purposes for mounting optical components and moulds specially adapted for making optical components, in particular for blocking optical components and moulds specially adapted for making optical components; chemical solvents for the removal of adhesives, adhesive foils and protective lacquers from surfaces, in particular for optical components and moulds specially adapted for making optical components for use in manufacturing processes

**International Classes** 1 - Primary Classes **US Classes** 1, 5, 6, 10, 26, 46 **International Class Title** Chemicals

**For** Optical apparatus, namely lasers for labeling, marking and measuring optical components, in particular optical blanks, mirrors, lenses and spectacle glasses, as well as moulds specially adapted for making optical components; optical apparatus for measuring the surface configuration of optical blanks, mirrors, lenses and spectacle glasses and moulds specially adapted for making optical components; electromagnetic apparatus used to generate magnetic fields, namely magnetic field generators for hardening adhesives when making, working and handling optical components and moulds specially adapted for making optical components; computer controls for the operation of machines and machine tools for making, working and handling optical components and moulds specially adapted for making optical components; recorded or downloadable computer software for controlling machines and machine tools for making, working and handling optical components and moulds specially adapted for making optical components

**International Classes** 9 - Primary Classes **US Classes** 21, 23, 26, 36, 38 **International Class Title** Electrical and Scientific Apparatus

**For** Research, engineering services and engineering services particularly technical project planning of machine tools and machine installations for making, working and handling optical components and moulds specially adapted for making optical components; designing, developing, installing, maintaining and updating computer software for controlling machines and machine tools for making, working and handling optical components and moulds specially adapted for making optical components; providing online non-downloadable computer software for controlling machines and machine tools for making, working and handling optical components and moulds specially adapted for making optical components

**International Classes** 42 - Primary Classes **US Classes** 100, 101 **International Class Title** Scientific and computer services
