Mark Literal(s) UP & TO THE RIGHT

CASE IDENTIFIERS
Serial Number 97511508 Application Filing Date Jul. 20, 2022 Register Principal Mark Type Service Mark Publication Date Jun. 13, 2023

MARK INFORMATION
Standard Character Claim Yes. The mark consists of standard characters without claim to any particular font style, size, or color. Mark Drawing Type 4 - STANDARD CHARACTER MARK Concurrent Use Concurrent use information. Through a reasonable and diligent search, we became aware of other uses of "UP & TO THE RIGHT" which Applicant seeks to protect. First is UP AND TO THE RIGHT, Serial No. 90420587 which was filed on December 28, 2020 and will be published for opposition on August 9, 2022. The mark was filed in IC 036 and is associated with "Financial services, namely, providing capital funding to commercial entities and merchants." There is no likelihood of confusion between the usage of the two marks as the Applicant's mark will be used in connection with business training in the field of education, training and development services, namely developing customized leadership, employee, and executive development programs, providing business coaching services and business education programs to employees, executives and business leaders in IC 041. The Applicant does not provide funding or any other financial services. Second, there is "The Up and to the Right | Small Business | Practical, Actionable, Sustainable Improvements" podcase on Apple Podcasts by beyond50percent and hosted by Stephen Krausse. The Applicant's mark will be used in connection with a more hands-on approach in coaching executives, employees, and business leaders and is not solely focused on small business owners and entrepreneurs. To the Applicant's knowledge the user of the phrase has not filed for trademark protection at this time. We also found a website for "Up & To The Right" which aims to deliver specialized expertise and insight into biddable markets, finding practical and sustainable ways to keep business' "lean and results swole." It is primarily a programmatic consultancy and a biddable media consultancy founded by John Donahue and Chris Copeland. The company announced its launch on November 18, 2021. To this Applicant's knowledge, the users of "Up & To The Right" have yet to file for trademark protection. Applicant seeks concurrent use in IC 041.
