MARK INFORMATION
| Standard Character Claim | No | Mark Drawing Type | 5 - AN ILLUSTRATION DRAWING WITH WORD(S) /LETTER(S)/ NUMBER(S) IN Description of the Mark | The mark consists of the stylized wording "2 FOODS YUMMY (BUT SO HEALTHY)" appearing on a black background. The number "2" is in blue and green. Each letter in the word "FOODS" appears in a separate color, with the letter "F" in pink, the first letter "O" and the letter "S" in green, the second letter "O" in blue, and the letter "D" in yellow. The word "YUMMY" is in yellow. Each word in the wording "(BUT SO HEALTHY)" appears in a different color between the open parenthesis in green and the closed parenthesis in blue, with the word "BUT" in pink, the word "SO" in purple, and the word "HEALTHY" in orange. Color Drawing | Yes | The color(s) blue, green, pink, yellow, purple, orange and black is/are claimed as a feature of the mark. Color Claimed | The mark consists of words "2 foods", "Yummy" and "But So Healthy". The "But So Healthy" appears in parentheses. The left tips of "2" appears in the color blue and other part of "2" in the color green, the "f" appears in the color pink, the first "o" appears in the color green, the second "o" appears in the color blue, the "d" appears in the color yellow, the "s" appears in the color green, the "Yummy" appears in the color yellow, the "But" appears in the color pink, the "So" appears in the color purple, the " Healthy" appears in the color orange, the open parenthesis appears in the color green and the closed parenthesis appears in the color blue. All the foregoing appears on a black background. Disclaimer | "FOODS"

**For** Wholesale and retail store services featuring household appliances, smart home software, electricity, energy and power products, electrical, electronic, weighing, measuring and checking apparatus and instruments; distributorship services in the field of household appliances, smart home software, electricity, energy and power products, electrical, electronic, weighing, measuring and checking apparatus and instruments; wholesale and retail store services featuring products for the distribution, transmission, transportation and storage of energy and power in the field of energy efficiency pertaining to solar and renewable energy; marketing, advertising and promotional services for the home appliance industry; product demonstration for promotional and advertising purposes; wholesale store services for household appliances; retail on-line ordering services featuring household appliances, also accessible by telephone, facsimile and mail order; event planning and management of exhibitions and fair trade events for advertising the goods and services of others; demonstration of product arranging and conducting commercial exhibition events in the field of household appliances; business advisory services, consultancy and information; wholesale and retail store services featuring plants, seedlings, bulbs for horticultural purposes, fungi and mushrooms, led light fixtures used for aeroponics, hydroponics and soil cultivation and for lighting indoor plant growth chambers, accent lights for indoor use, lamps, modular plant growing systems, and garden supplies, namely, pots, containers, vases, window sill displays, trays, and racks for plant tubs and plastic and ceramic pots, plastic trays and holders, plant and flower tubs and pots, growing media for plants and chemical fertilizer; advertising and marketing services, namely, promoting the goods of others being plants, seedlings, bulbs for horticultural purposes, fungi and mushrooms, led light fixtures used for aeroponics, hydroponics and soil cultivation and for lighting indoor plant growth chambers, accent lights for indoor use, lamps, modular plant growing systems, and garden supplies, namely, pots, containers, vases, window sill displays, trays, and racks for plant tubs and plastic and ceramic pots, plastic trays and holders, plant and flower tubs and pots, growing media for plants and chemical fertilizer; wholesale and retail store services featuring fitness equipment, vehicles, drones, and software; product demonstration of fitness equipment, vehicles, drones, and software for promotional and marketing purposes; arranging subscriptions to computer software applications for management of smart home hubs for others; collection and compilation of data into computer databases in the field of home appliances; business research services, namely, providing analysis of retail data on specific business locations; compilation and analysis of business data in the field of blockchain technology and
cryptocurrency; compilation of information relating to individual personal data into computer databases; compilation of statistical data for business purposes for customer care, marketing, sale and promotion of goods; providing incentive award programs for customers through the issuance and processing of loyalty coupons for frequent use of participating businesses; customer relationship management; customer service management for others; business advisory and consultancy services relating to the foregoing services; provision of technical information relating to the foregoing services; wholesale and retail store services featuring washing machines, laundry machines, dish washing machines, combination washer-dryer machines, spin dryers, machines tools, motors and engines, electric motors, alternating current motors, direct current motors, machine coupling and transmission components, gearboxes, controls and control mechanisms in this class for machines, wind turbines, generators for wind turbines, electricity generators, hydraulic turbines, turbines not for land vehicles, wind powered electricity generators, power generators, lawn mowers, electric lawn mowers, riding lawn mowers, ride-on lawn mowers, weeding machines, electric lawn trimmers, line trimmers for garden use, leaf blowers, snow blowers, power blowers for lawn debris, insecticide sprayers being machines, spraying machines, apparatus for cleaning misting systems for aeroponics growing of root vegetables and other plants, Ice cream dispensing machines being vending machines, ice crushing machines, electronic devices, computer software, downloadable software, software for appliances and machines and other apparatus, artificial intelligence software, virtual assistant software, computer hardware, refrigerators, laundry machines, heating apparatus, cooling systems, ovens, range hoods, electric cooktops, electric toaster ovens, electric counter top ovens, electric food dehydrators, microwave ovens, solar energy operating equipment and apparatus, solar energy systems, solar batteries, solar power management systems, electricity generating solar cells and panels, apparatus for electricity supply and generation, apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling electricity, measuring instruments, indicators and controllers including in relation to growing, breeding, conserving, and utilization of foodstuffs, detecting and monitoring instruments, monitoring and control apparatus, detectors and controllers required for aeroponic production of root vegetables, interfaces to facilitate wireless remote monitoring, turbine meters, turbine flow meters, turbine flowmeters, electric power supplies other than generators, electric power converters, electrical inverters, solar panels for the production of electricity, power controllers, electronic power controllers, electronic controls for motors, wireless controllers to remotely monitor and control the function and status of other electrical, electronic, mechanical devices or systems, electrical controls for irrigation sprinkler systems, apparatus and instruments for controlling and monitoring aircraft and watercraft and vehicles and unmanned vehicles, remote controls, sensors, batteries, electric batteries for vehicles, electric accumulators for vehicles, electric converters, augmented reality glasses, projection apparatus with artificial intelligence, computer game programs including interactive computer game programs, augmented and extended reality systems, downloadable media, downloadable mobile applications, wearable activity trackers, computers, smart phones, computer hardware, communications apparatus, audio equipment, communications devices in the form of wristwatches, computer peripheral devices, electronic game programs, gyroscopes, virtual reality headsets, consumer coupons downloaded from a global computer network, HVAC, lighting, water, security, alarm, sensor and media controllers, electrical and electronic controllers to control home electric powered devices, apparatus for lighting, heating, steam generating, cooking, refrigerating, drying, ventilating, water supply and sanitary purposes, gas and electric cookers, residential and commercial cooking equipment including barbecue grills, residential and commercial gas or electric ranges, domestic and commercial cooking ovens, microwave ovens, cook tops, broilers, and food warming stations, barbecue kettles and rotisseries, patio heaters, multi-purpose, electric countertop food preparation apparatus for cooking, baking, broiling, roasting,-toasting, searing, browning, barbecuing and grilling food, refrigerators, freezers, cooling cabinets, ice making machines, extractor hoods, vent hoods, range
hoods, ventilation hoods, barbecue grills, fans, cooling installations and machines, filters for air conditioning, environmental control installations for cooling purposes, ventilation installations and apparatus, hot air blowers, beverage chillers, refrigerated beer dispensers, apparatus for filtering installations for water, filters for drinking water, filters for water purifiers, electrostatic filters for water filtration, water treatment filters, apparatus for filtering water, machines and installations for water filtering including purifying, water filtering apparatus for domestic use, water filtering installations, lighting, heating or cooling facility for hydroponic and aeroponic cultivation, connected cabinets for the autonomous cultivation of plants, apparatus for lighting, heating, steam generating, refrigerating, drying, ventilating and water distribution for connected and autonomous cultivation, gardening appliance systems, namely, hydroponic and aeroponics, agricultural and horticultural propagation systems, for use in growing plants, environmentally controlled chambers and apparatus capable of providing water, plant nutrients, and light, home appliances for irrigation, water pumps, lighting fixtures, LED lights, LED lights for indoor plant growing production, LED light fixtures used for aeroponics, hydroponics and soil cultivation and for lighting indoor plant growth chambers, grow cabinets in the nature of closed environments with integrated misting chambers and automated controls, namely, hydroponic, aeroponic or atmosphere controlled, grow cabinets, enclosures or modules, environmental control apparatus for indoor plant cultivation, temperature, humidity, light, and environmental control cabinets and appliances for plant propagation, automatic watering facilities for plants, apparatus for misting, heating and cooling of water, nutrient solutions, chemicals and bacteria all for aeroponics growing of root vegetables and other plants, plug and grow plant and seed growing appliances and cabinets in the nature of hydroponic, aeroponic or atmosphere controlled, grow cabinets, enclosures or modules, sprinkler systems for lawn irrigation, sprinkler systems for irrigation, watering machines for agricultural purposes, automatic watering installations, water distribution installations, irrigation apparatus for agricultural purposes, irrigation apparatus for horticultural use, hydroponic growing systems, water dispensers, water filtering and purifying apparatus and machines refrigerated or heated, water sterilizers and softeners, cooling appliances and machines, disinfectant apparatus, distillation apparatus, filters for drinking water and for water, regulating and safety apparatus for temperature and chemical control of air and water, water softening apparatus, air deodorising and purification apparatus and machines, ice cream dispensing machines, other than vending machines; distributorship services in the field of washing machines, laundry machines, dish washing machines, combination washer-dryer machines, spin dryers, machines tools, motors and engines, electric motors, alternating current motors, direct current motors, machine coupling and transmission components, gearboxes, controls and control mechanisms in this class for machines, wind turbines, generators for wind turbines, electricity generators, hydraulic turbines, turbines not for land vehicles, wind powered electricity generators, power generators, lawnmowers, electric lawnmowers, riding lawn mowers, ride-on lawn mowers, weeding machines, electric lawn trimmers, line trimmers for garden use, leaf blowers, snowblowers, power blowers for lawn debris, insecticide sprayers being machines, spraying machines, apparatus for cleaning misting systems for aeroponics growing of root vegetables and other plants, Ice cream dispensing machines being vending machines, ice crushing machines, electronic devices, computer software, downloadable software, software for appliances and machines and other apparatus, artificial intelligence software, virtual assistant software, computer hardware, refrigerators, laundry machines, heating apparatus, cooling systems, ovens, range hoods, electric cooktops, electric toaster ovens, electric counter top ovens, electric food dehydrators, microwave ovens, solar energy operating equipment and apparatus, solar energy systems, solar batteries, solar power management systems, electricity generating solar cells and panels, apparatus for electricity supply and generation, apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling electricity, measuring instruments, indicators and controllers including in relation to growing, breeding, conserving, and
utilization of foodstuffs, detecting and monitoring instruments, monitoring and control apparatus, detectors and controllers
required for aeroponic production of root vegetables, interfaces to facilitate wireless remote monitoring, turbine meters, turbine
flow meters, turbine flowmeters, electric power supplies other than generators, electric power converters, electrical inverters,
solar panels for the production of electricity, power controllers, electronic power controllers, electronic controls for motors,
wireless controllers to remotely monitor and control the function and status of other electrical, electronic, mechanical devices
or systems, electrical controls for irrigation sprinkler systems, apparatus and instruments for controlling and monitoring
aircraft and watercraft and vehicles and unmanned vehicles, remote controls, sensors, batteries, electric batteries for vehicles,
electric accumulators for vehicles, electric converters, augmented reality glasses, projection apparatus with artificial
intelligence, computer game programs including interactive computer game programs, augmented and extended reality
systems, downloadable media, downloadable mobile applications, wearable activity trackers, computers, smart phones,
computer hardware, communications apparatus, audio equipment, communications devices in the form of wristwatches,
computer peripheral devices, electronic game programs, gyroscopes, virtual reality headsets, consumer coupons downloaded
from a global computer network, HVAC, lighting, water, security, alarm, sensor and media controllers, electrical and
electronic controllers to control home electric powered devices, apparatus for lighting, heating, steam generating, cooking,
refrigerating, drying, ventilating, water supply and sanitary purposes, gas and electric cookers, residential and commercial
cooking equipment including barbecue grills, residential and commercial gas or electric ranges, domestic and commercial
cooking ovens, microwave ovens, cook tops, broilers, and food warming stations, barbecue kettles and rotisseries, patio
heaters, multi-purpose, electric countertop food preparation apparatus for cooking, baking, broiling, roasting, toasting, searing,
browning, barbecuing and grilling food, refrigerators, freezers, cooling cabinets, ice making machines, extractor hoods, vent
hoods, range hoods, ventilation hoods, barbecue grills, fans, cooling installations and machines, filters for air conditioning,
environmental control installations for cooling purposes, air-conditioning ventilation installations and apparatus, hot air
blowers, beverage chillers, refrigerated beer dispensers, apparatus for filtering installations for water, filters for drinking water,
filters for water purifiers, electrostatic filters for water filtration, water treatment filters, apparatus for filtering water, machines
and installations for water filtering including purifying, water filtering apparatus for domestic use, water filtering installations,
lighting, heating or cooling facility for hydroponic and aeroponic cultivation, connected cabinets for the autonomous
cultivation of plants, apparatus for lighting, heating, steam generating, refrigerating, drying, ventilating and water distribution
for connected and autonomous cultivation, gardening appliance systems, namely, hydroponic and aeroponics, agricultural and
horticultural propagation systems, for use in growing plants, environmentally controlled chambers and apparatus capable of
providing water, plant nutrients, and light, home appliances for irrigation, water pumps, lighting fixtures, LED lights, LED
lights for indoor plant growing production, LED light fixtures used for aeroponics, hydroponics and soil cultivation and for
lighting indoor plant growth chambers, grow cabinets in the nature of closed environments with integrated misting chambers
and automated controls, namely, hydroponic, aeroponic or atmosphere controlled, grow cabinets, enclosures or modules,
environmental control apparatus for indoor plant cultivation, temperature, humidity, light, and environmental control cabinets
and appliances for plant propagation, automatic watering facilities for plants, apparatus for misting, heating and cooling of
water, nutrient solutions, chemicals and bacteria all for aeroponics growing of root vegetables and other plants, plug and grow
plant and seed growing appliances and cabinets in the nature of hydroponic, aeroponic or atmosphere controlled, grow
cabinets, enclosures or modules, sprinkler systems for lawn irrigation, sprinkler systems for irrigation, watering machines for
agricultural purposes, automatic watering installations, water distribution installations, irrigation apparatus for agricultural
purposes, irrigation apparatus for horticultural use, hydroponic growing systems, water dispensers, water filtering and
purifying apparatus and machines refrigerated or heated, water steriliser and softeners, cooling appliances and machines, disinfectant apparatus, distillation apparatus, filters for drinking water and for water, regulating and safety apparatus for temperature and chemical control of air and water, water softening apparatus, air deodorising and purification apparatus and machines, ice cream dispensing machines, other than vending machines; wholesale and retail store services featuring vehicles, e-vehicles, batteries and drones, land vehicles, motors for land vehicles, engines for land vehicles, gears for land vehicles, transmissions for land vehicles, remotely controlled land vehicles for transport, remote control vehicles other than toys, remote controlled drones, delivery drones, camera drones other than toys, air vehicles, unmanned aerial vehicles, unmanned underwater vehicles, photography drones, drones in the nature of hex copters for agricultural use to survey crop health, motorized scooters, non-motorized scooters being vehicles, water scooters, bicycles, electric bicycles, electric vehicles, motorized bicycles, motors for bicycles; wholesale and retail store services featuring fitness exercise machines, exercise equipment, exercise machines, resistance machines, resistance machines for exercise, exercise weights, body-training apparatus, sports equipment, fitness platform with resistance handles, fitness platform equipped with interactive computer systems, video monitors, audio equipment, and monitoring devices, stationary exercise bicycles; distributorship services in the field of fitness exercise machines, exercise equipment, exercise machines, resistance machines, resistance machines for exercise, exercise weights, body-training apparatus, sports equipment, fitness platform with resistance handles, fitness platform equipped with interactive computer systems, video monitors, audio equipment, and monitoring devices, stationary exercise bicycles; wholesale, retail and distributorship services in relation to spare parts for washing machines, laundry machines and dishwashing machines; wholesale, retail and distributorship services in relation to spare parts for apparatus for lighting, heating, steam generating, cooking, refrigerating, drying, ventilating, water supply and sanitary purposes, namely, electric lighting fixtures, heating installations, steam ovens for cooking, electric cooking ovens, refrigerating machines and installations; online wholesale and retail store services rendered in a virtual environment featuring virtual goods, namely, furniture and home appliances; online distributorship services rendered in a virtual environment featuring virtual goods, namely, furniture and home appliances; online retail store services rendered in a virtual environment featuring virtual goods, namely, furniture and home appliances; wholesale and retail store services featuring electronic CAD drawings, appliances, heating, cooling, cultivation, ventilation, water management, and solar energy systems; advertising, marketing and promotion services; business advisory, consultancy and information services relating to the foregoing services and provision of the foregoing services by electronic means via the internet or virtual environment; none of the aforementioned retailed, wholesaled or distributed software or apparatus being for healthcare or medical use
