United States Patent and Trademark Office

# Autonics

**Reg. No. 6,430,489**

**Registered Jul. 27, 2021**

**Corrected Nov. 07, 2023**

**Int. Cl.: 9**

**Trademark**

**Principal Register**

Autonics Corporation (KOREA, REPUBLIC OF CORPORATION)  
18, Bansong-ro 513beon-gil,  
Haeundae-gu Busan, 612-070  
REPUBLIC OF KOREA

CLASS 9: Photoelectric sensors; proximity sensors; optical fiber sensors; laser sensors; optical fiber cables; color sensors; pressure sensors; flow sensors; vision sensors; safety sensors; human body sensors for scientific use to be worn by a human to gather human biometric data; area sensors in the nature of proximity sensors; ultrasonic sensors; rotary encoders; temperature sensors; sensor controllers; panel meters; amperemeters; voltmeters; watt meters; tachometers; frequency meters; digital counters used in manufacturing lines and automation systems for counting, displaying and controlling pulse signals from sensors; timers; power controllers; temperature controllers; display units in the nature of computer monitors; touch flat panel display screens; electronic temperature recorders, other than for medical use in the nature of thermometers; power electrical transducers; power supplies; electric relays; cam electric switches; remote I/O (input/output) apparatus for use in the field bus system; pressure gauges; pressure indicators; electrical switches; electric contacts; electric current control devices; speed indicators; hygrometers; humidity transmitters; pressure recorders; pressure transmitters; pressure controllers for controlling the pressure of liquid, semi-liquid, and gaseous substances in industrial processes; temperature recorders for scientific or laboratory purposes in the nature of thermometers; temperature transmitters; temperature indicators; automatic pressure control apparatus and instruments; regulating apparatus, electric; indicators for electricity; current converters; lidar [ sensor ] \* computer hardware and software for security \* sensors for precision measuring apparatus \* ; laser scanners in the nature of laser detectors for detecting object presence and object distance using infrared laser beams; light scanner; 3D scanner; digital cameras for industry; computer hardware and downloadable software for use in machine vision; \* computer hardware and software for security \* safety camera systems \* with video surveillance \* comprising high-resolution cameras and integrated circuits for the purpose of imaging processing; safety light curtains \* for safety sensor apparatus \* ; solid state electric relay; door switches, namely, electric circuit switches for detecting the opening and closing of doors; barcode scanner; pattern electric sensors; \* positive \* displacement [ sensor ] \* meters \* for industrial purposes; electrical limit switches; sensors for measuring distance; optical position sensors; optical micrometer; laser rangefinders; laser speed detectors

THE MARK CONSISTS OF STANDARD CHARACTERS WITHOUT CLAIM TO ANY PARTICULAR FONT STYLE, SIZE OR COLOR

PRIORITY DATE OF 10-28-2019 IS CLAIMED

*Katherine Kelly Vidal*

Director of the United States  
Patent and Trademark Office

OWNER OF INTERNATIONAL REGISTRATION 1537457 DATED 02-20-2020,  
EXPIRES 02-20-2030

SER. NO. 79-288,226, FILED 02-20-2020

## **REQUIREMENTS TO MAINTAIN YOUR FEDERAL TRADEMARK REGISTRATION**

**WARNING: YOUR REGISTRATION WILL BE CANCELLED IF YOU DO NOT FILE THE DOCUMENTS BELOW DURING THE SPECIFIED TIME PERIODS.**

### **Requirements in the First Ten Years\***

#### **What and When to File:**

- **First Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) between the 5th and 6th years after the registration date. See 15 U.S.C. §§1058, 1141k. If the declaration is accepted, the registration will continue in force for the remainder of the ten-year period, calculated from the registration date, unless cancelled by an order of the Commissioner for Trademarks or a federal court.
- **Second Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between the 9th and 10th years after the registration date.\* See 15 U.S.C. §1059.

### **Requirements in Successive Ten-Year Periods\***

#### **What and When to File:**

- You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between every 9th and 10th-year period, calculated from the registration date.\*

### **Grace Period Filings\***

The above documents will be accepted as timely if filed within six months after the deadlines listed above with the payment of an additional fee.

**\*ATTENTION MADRID PROTOCOL REGISTRANTS:** The holder of an international registration with an extension of protection to the United States under the Madrid Protocol must timely file the Declarations of Use (or Excusable Nonuse) referenced above directly with the United States Patent and Trademark Office (USPTO). The time periods for filing are based on the U.S. registration date (not the international registration date). The deadlines and grace periods for the Declarations of Use (or Excusable Nonuse) are identical to those for nationally issued registrations. See 15 U.S.C. §§1058, 1141k. However, owners of international registrations do not file renewal applications at the USPTO. Instead, the holder must file a renewal of the underlying international registration at the International Bureau of the World Intellectual Property Organization, under Article 7 of the Madrid Protocol, before the expiration of each ten-year term of protection, calculated from the date of the international registration. See 15 U.S.C. §1141j. For more information and renewal forms for the international registration, see <http://www.wipo.int/madrid/en/>.

**NOTE:** Fees and requirements for maintaining registrations are subject to change. Please check the USPTO website for further information. With the exception of renewal applications for registered extensions of protection, you can file the registration maintenance documents referenced above online at <http://www.uspto.gov>.

**NOTE:** A courtesy e-mail reminder of USPTO maintenance filing deadlines will be sent to trademark owners/holders who authorize e-mail communication and maintain a current e-mail address with the USPTO. To ensure that e-mail is authorized and your address is current, please use the Trademark Electronic Application System (TEAS) Correspondence Address and Change of Owner Address Forms available at <http://www.uspto.gov>.
